INDEPENDENT AUDITORS' REPORT

To the Trustees of SH Group, Inc. Profit Sharing and 401(k) Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of SH Group Inc. Profit Sharing and 401(k) Plan (the "Plan"), which comprise the statements of net assets available for plan benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Trust Company LLC ("John Hancock"), the trustee/custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee/custodian holds the Plan's investment assets other than employer stock and executes investment transactions.

Basis for Disclaimer of Opinion (Continued)

The Plan administrator has obtained the certification from the trustee/custodian as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the Plan administrator by the trustee/custodian is complete and accurate. On April 14, 2015, New York Life Trust Company LLC, the former trustee/custodian of the Plan, merged into John Hancock. As a result, John Hancock is now the trustee/custodian of the Plan.

Disclaimer of Opinion

Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in 2015, the Plan adopted new accounting guidance: Financial Accounting Standards Board Accounting Standards Update ("ASU") No. 2015-12, Plan Accounting: Defined benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts and Part (II) Plan Investment Disclosures. If we had issued an opinion, it would not modified with respect to this matter.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee/custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PROFIT SHARING AND 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the SH Group, Inc. Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, established November 30, 1988, is a qualified profit-sharing and defined contribution plan organized under Internal Revenue Code section 401(k) subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan maintains three separate funds, as follows: The ESOP Fund, the Profit-Sharing Fund and the 401(k) Plan ("401(k) Fund"). The Profit Sharing Fund and ESOP Fund were separate Plans which were merged into this plan in 1988.

The Plan covers substantially all employees, excluding certain union and other employees as defined in the Plan document, of SH Group, Inc. and its subsidiaries (the "Employer").

On April 14, 2015, John Hancock Retirement Plan Services, LLC acquired the New York Life Retirement Plan Services unit of NYLIM. Effective April 14, 2015, NYLTC resigned as trustee/custodian and the Company appointed John Hancock Trust Company LLC as the new trustee/custodian.

ESOP Fund and Profit Sharing Fund

During 1988, the Profit-Sharing Fund and the ESOP Fund were merged into the Plan. Upon the merger, all participants became 100% vested in their balances in these Funds and the Plan did not allow any additional contributions to these Funds. These Funds' assets primarily consist of investments in the Employer common stock. After receiving distributions of the common stock, the Plan requires participants to offer the securities first to the Employer and then to the Plan if the Employer does not purchase the shares.

Effective September 1, 2016, upon attaining age 59 ½, active participants are entitled to an in-service withdrawal of his or her vested ESOP balance.

Eligibility to Participate

Each covered employee is eligible to become an active participant in the Plan provided the individual is at least 21 years old. Upon satisfying this requirement, each employee shall become a participant in the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Employee Contributions

Individual participants may contribute 1% to 50% of their annual compensation (subject to statutory limits) to the Plan. Effective January 1, 2014, the Plan allows participants to make a Roth election. Roth elective deferrals are post-tax contributions and are treated the same way as other deferral contributions in terms of allowing rollover of Roth contributions and withdrawals for loans. Roth elective deferrals are also subject to in-service and hardship distributions.

Any employee, upon first becoming eligible to participate in the Plan, who fails to affirmatively make any deferral election within the time prescribed by the administrator shall be deemed to have elected to defer three percent (3%) of his compensation and effective January 1, 2016, four percent (4%) of his compensation. Unless the employee otherwise elects, such deemed elective deferral shall be increased by one percent (1%) annually to a maximum of fifty percent (50%) of compensation.

Upon enrollment in the 401(k) Plan Fund, a participant may direct contributions in any of the various investments offered by the Plan. Participants may change their investment options daily.

Employer Contributions

The Employer may make a discretionary matching contribution to the Plan on behalf of each participant employed on the last day of such plan year who has deferred compensation for the Plan year. The amount of such Employer matching contribution for any Plan year shall not exceed six percent (6%) of compensation. For the year ended December 31, 2015, the Employer elected to make a matching contribution of 50% of each participant's contribution not to exceed 3% of compensation. The Employer contributed $1,226,854 for the Plan year ended December 31, 2015 as employer matching contributions. The Employer may also make a discretionary profit sharing contribution into the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions as well as an allocation of the plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, employer contributions and earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of the vested portion of their 401(k) fund account balance. Loan terms may not exceed five years unless the loan is for the purpose of acquiring a principal residence in which case the term of the loan may not exceed 10 years. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%. Loans outstanding during the year had interest rates which ranged from 4.25% to 9.25%. Principal and interest are typically paid ratably through semi-monthly payroll deductions, but must be paid in at least quarterly installments and credited to the borrower's account balance.

Administrative Expenses

Certain administrative expenses are paid by the Employer without charge to the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, participants or beneficiaries can elect to have their benefits which total in excess of $5,000 distributed by a direct rollover, in one lump sum payment or in designated sums over time, not to exceed ten years, as elected by the participants. Benefits of $1,000 or less are payable in one lump sum. Benefits greater than $1,000 but not greater than $5,000, as elected by the participant, are payable either in one lump sum or by a direct rollover. If the participant does not elect then the Plan administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Plan administrator. Under certain circumstances (hardship), and with approval of the Employer, a participant can elect at any time to receive a portion of his or her vested account balance subject to the provisions of the Plan. In-service withdrawals are permitted once a participant has attained age 59½.

Effective September 1, 2016, when a participant ceases to be an employee, they are entitled to receive his or her ESOP distribution under the Plan in one lump sum payment and upon attaining age 59 ½ active participants are entitled to an in-service withdrawal of his or her vested ESOP balance.

Forfeitures

At December 31, 2015 and 2014 forfeited non-vested accounts totaled $78 and $43, respectively. These balances primarily represent forfeited amounts prior to 2009. These accounts will be used to reduce future Employer contributions, Plan administrative expense, or restore previously forfeited amounts. For the year ended December 31, 2015, the activity primarily consisted of earnings of $12, and miscellaneous credits of $23.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

New Accounting Pronouncement

In July 2015, the FASB issued ASU No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965); Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient. Part I eliminates the requirement to measure and disclose the fair value of fully benefit-responsive contracts. Under the ASU, contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirement to disclose individual investments which comprise 5% or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by investment type. Part II requires plans to continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Part III allows plans to measure investments as of the end of the calendar month closest to the Plans' fiscal year end, when the fiscal period does not coincide with the month-end. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early application permitted. The Plan elected to early adopt ASU No. 2015-12 as of December 31, 2015. The adoption of Part I eliminated the measurement and disclosure of the fair value of benefit-responsive contracts, resulted in the reclassification of the adjustment from fair value to contract value for fully benefit-responsive investment contracts and was applied retrospectively. At December 31, 2014, there was no adjustment from fair value to contract value since contract value approximates the fair value.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Accounting Pronouncement (Continued)

The adoption of Part II eliminated certain investment related disclosures and was applied retrospectively. Part III is not applicable to the Plan.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of the fully benefit-responsive investment contract, which is valued at contract value and are valued based on the methodologies described in Note 5.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 or 2014. Delinquent participant loans are reclassified as distributions to participants based upon the terms of the plan document.

Payment of Benefits or Distributions

Benefits are recorded when paid. Distribution of the Employer stock held in the ESOP Fund and the Profit Sharing Fund is recorded when the participant receives the distribution and simultaneous request of repurchase from the Employer.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

NOTE 3 - UNAUDITED INFORMATION

John Hancock Trust Company LLC, the custodian/trustee of the Plan, holds the notes receivable from participants and the Plan's investment assets other than employer stock and executes transactions thereon. Financial information relating to those assets is included in the accompanying financial statements and supplemental schedule based on information provided by the trustee/custodian which was certified as complete and accurate. That information, which is unaudited, consists of 94.1%, and 94.3% of all of the Plan's assets as of December 31, 2015 and 2014, respectively, and $341,360 of net investment loss for the year ended December 31, 2015.

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Plan also utilizes the authoritative guidance under GAAP for estimating the fair value of investments in the investment funds that have calculated net asset value ("NAV") per share in accordance with the specialized accounting guidance for investment companies. Accordingly, the Plan estimates the fair value of an investment in an investment fund using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Transfers between levels are recognized when the lock up period expires (or at the end of the reporting period, whichever applies).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at net asset value at the year-end and the existence of absence of certain restrictions at year-end.

Following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2015 and 2014.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Collective investment fund: Valued based on the NAV of the collective investment fund's underlying investments based on information reported by the trustee. Generally, there are no restrictions on a participant's ability to redeem their investment in the collective investment fund. However, withdrawals prompted by certain events (e.g., termination of the managed income portfolio, changes in laws or regulations) may restrict a participant's ability to redeem the investment.

The fund has the ability to redeem its investment in the underlying fund at NAV per unit at the valuation date. The collective investment fund is an index fund that seeks to match the performance of the S&P 500fi index and is intended for long-term investors seeking to capture the earnings and growth potential of large companies in the United States.

Common stock of employer: Investments in common stock of the Employer are valued at their estimated fair value at December 31, 2015 and 2014. The Employer has obtained independent appraisals of its common stock at December 31, 2015 and 2014, which values are used to value the shares in the Plan at December 31, 2015 and 2014, respectively as stipulated in the Plan. At December 31, 2015 and 2014, the appraiser provides a value which is used by the Employer's board of directors as the actual value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Valuation Processes for Level 3 Fair Value Measurement

The Plan establishes valuation processes and procedures to ensure that the valuation techniques for investments that are categorized within Level 3 of the fair value hierarchy are fair, consistent, and verifiable. The fiduciaries are responsible for overseeing the Plan's valuation process for its Level 3 investments.

On an annual basis, the Employer's Board of directors engages the services of a third-party valuation firm to provide an independent appraisal of the Plan's Level 3 investment in the Employer's common stock. The fiduciaries of the Plan utilize the information provided by the third-party valuation firm to determine that valuation.

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Valuation Processes for Level 3 Fair Value Measurement (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Changes in Fair Value of Level 3 Assets and Related Gains and Losses

The following table sets forth a summary of changes in the fair value of the Plan's level 3 assets for the year ended December 31, 2015.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan has a fully benefit-responsive guaranteed investment contract with NYLIC. NYLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the investment contract in the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than zero percent. Such interest rates are reviewed not less frequently than quarterly or more frequently than daily.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable. The investment contract does not permit the insurance Employer to terminate the agreement prior to the scheduled maturity date.

NYLTC, as contract holder of the investment contract, may terminate the investment contracts with 30 days notice to NYLIC. The payment to the Plan will be adjusted for a market value adjustment as defined in the contract.

The Plan paid approximately $49,356 and $39,718 for investment management services and other administrative expenses to John Hancock Retirement Plan Services, recordkeeper for the years ended December 31, 2015 and 2014. There were no benefit payments for the year relating to distributions of Employer common stock.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants' accounts become fully vested and non-forfeitable.

NOTE 9 - TAX STATUS

Effective January 1, 2015, the Plan was amended and restated to adopt a pre-approved prototype plan prepared by the trustee under the volume submitter program. The Plan Administrator has requested a determination letter from the Internal Revenue Service, indicating that in its opinion the prototype plan and related trust are designed in accordance with the applicable provisions of the Internal Revenue Code (IRC). The plan has been amended since requesting the determination letter. The Plan Administrator believes that the prototype plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 4, 2016, which is the date the financial statements were available to be issued.
