Note A - Description of Plan

The following description of the Mountain Lake Corp. 401(k) Retirement Investment Plan & Trust (the Plan) provides only general information. Plan participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General. The Plan is a defined contribution 401(k) plan covering eligible employees of Mountain Lake Corporation (the Company). Employees are eligible to participate in the Plan after they have completed 1,000 hours of service, 12 months of service and attained the age of 21. The primary purpose of the Plan is to provide employees of the Company with financial benefits upon retirement. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974 (ERISA)*.

Contributions. Each year, participants may contribute a minimum of 1% up to 100% of their pretax annual compensation, as defined in the Plan, up to the maximum limit set by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to 100% of their pretax annual compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 50% of the first 6% of gross compensation that a participant contributes to the Plan. The Plan also permits the Company to make profit sharing contributions for each eligible participant at the discretion of the board of directors. For 2015 and 2014, the Company's matching contributions were \$69,577 and \$70,247, respectively. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts. Each participant's account is credited with the participant's contributions as well as allocations of the Company's matching contribution and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their deferral contributions. Vesting in the Company's matching contributions is based on years of continuous service, as follows:

2 years of service	20%
3 years of service	40%
4 years of service	60%
5 years of service	80%
6 years of service	100%

For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trust company. See Note E for disclosure of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Administrative and Investment Expenses

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Administrative expenses are charged to the Plan and totaled \$1,440 and \$-0- for the years ended 2015, and 2014, respectively.

New Accounting Pronouncements

In May 2015, the FASB issued Accounting Standards Update No. 2015-07, Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its equivalent) (ASU 2015-07), which is effective for fiscal years beginning after December 15, 2016, for entities other than public business entities. ASU 2015-07 eliminates the requirement to categorize investments in the fair value hierarchy if the fair value is measured at net asset value (NAV) per share (or its equivalent) using the practical expedient in the FASB's fair value measurement guidance. As permitted by ASU 2015-07, the collective trust funds that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy.

Date of Management Review

Subsequent events were evaluated through September 29, 2016, which is the date the financial statements were available to be issued.

Note C - Trust Agreement

Ascensus Trust Company, acting as trustee for the Plan, manages Plan assets, executes investment transactions for the Plan, and makes distributions to participants as directed by the plan administrator. Mountain Lake Corporation, serves as the plan administrator.

Note D - Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2015 and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2015 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus Trust Company (the trustee of the Plan).

The Plan's investments are stated at fair value based on the following hierarchy of fair value measurement inputs:

Level 1 The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Note F - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note G - Right to Terminate Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the Plan's provisions and those of *ERISA*. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2015 AND 2014

Note H - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

YEARS ENDED DECEMBER 31, 2015 AND 2014

Note E - Fair Value Measurements - Continued

At December 31, 2014, the Plan's investments are categorized as follows:

	<u>Fair Value</u>	<u>Level 1</u>
Mutual funds	<u>\$ 1,794,191</u>	<u>\$ 1,794,191</u>
Total assets in the fair value hierarchy	<u>1,794,191</u>	<u>1,794,191</u>
Investments measured at net asset value (a)	<u>308,107</u>	<u>-</u>
Total	<u>\$ 2,102,298</u>	<u>\$ 1,794,191</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Note F - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note G - Right to Terminate Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the Plan's provisions and those of *ERISA*. In the event of Plan termination, participants would become 100% vested in their accounts.

INVESTMENT PLAN & TRUST**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2015 AND 2014

Note H - Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.
