UBG 401(k) Plan – All Points Cooperative at Gothenburg
Gothenburg, Nebraska

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of UBG 401(k) Plan - All Points Cooperative at Gothenburg, which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Personal Trust Company, FSB, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets Held for Investment Purposes, as of or for the year ended December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Wells Fargo Bank, N.A., the trustee of the Plan. Their report, dated September 15, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

CONTRIBUTIONS

Participants may make pre-tax or Roth contributions up to 100% of their earnings each pay period, as defined in the Plan. At the discretion of All Points Cooperative, a profit sharing contribution may be made to the Plan and allocated to participants based on the eligible compensation.

To be considered eligible for the profit-sharing contribution, a participant must have completed at least 1,000 hours of service for the employer during the Plan year, and be an employee of the employer or a related employer as of the last day of the Plan year. No such additional discretionary contributions were made for the year ended December 31, 2015.

Notes to Financial Statements (Continued)

Note 1: Description of Plan (Continued)

CONTRIBUTIONS (CONTINUED)

The total annual addition to a participant's account is subject to calendar year limits declared annually by the Internal Revenue Service. The limit for 2015 was \$53,000 or 100% of participant's compensation. The annual employee contribution is limited to the lesser of \$18,000 or 50% of participant's compensation, for the year ended December 31, 2015. Employees age 50 or older may elect to make pretax "Catch-up Contributions" to the Plan after they have reached the Plan or legal limit. The maximum permitted catch-up contribution is \$6,000 for 2015.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's discretionary profit sharing contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit which a participant is entitled to is the benefit that can be provided from the participant's vested account.

VESTING

A participant is always 100% vested in the employee contributions. A participant is vested in the profit sharing contributions according to the following vested schedule:

Years of Service	Vesting Percentage
Less than 3	0%
3	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the prime interest rate quoted in the Wall Street Journal, plus 1% on the date the loan is applied for.

All loans are repaid by payroll deduction in equal amounts over the repayment term, which is generally less than 5 years for a general purpose loan or 15 years for a loan to purchase your primary residence. Participants may not have more than one outstanding loan at any time.

PAYMENT OF BENEFITS

Participants may elect to receive either a lump-sum amount equal to the value of their vested account or installments as defined in the Plan Document upon retirement, termination, death or disability. A terminated employee with a balance of less than \$5,000 may be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination upon early retirement age of 59 ½, from rolled over accounts or hardship as defined in the Plan Document.

Note 1: Description of Plan (Continued)

FORFEITURES

Non-vested accounts attributable to employer contributions can be used to reduce future employer contributions and pay reasonable Plan expenses. At December 31, 2015 and 2014 forfeited non-vested accounts totaled \$0.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

ADMINISTRATIVE EXPENSES

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan Document. Expenses that are paid by the Company are excluded from these financial statements. Certain expenses, net of revenue sharing, incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses, net of revenue sharing, are included in net depreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Note 2: Summary of Significant Accounting Policies

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes both realized and unrealized investment gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements (Continued)

Note 2: Summary of Significant Accounting Policies (Continued)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes Receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 and 2014. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

PAYMENT OF BENEFITS

Benefits payments to participants are recorded upon distribution. As of December 31, 2015 and 2014, net assets available for benefits included no benefits due to participants who had withdrawn from participation in the Plan but have not yet been paid.

RECENTLY ISSUED ACCOUNTING STANDARDS

In July 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standard Update (ASU) 2015-12, Plan Accounting: Defined Benefit Pension Plan (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Part I clarifies that fully benefit-responsive investment contracts are limited to direct investments between the Plan and the issuer. Part I also eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measurement for fully benefit-responsive investment contracts. Part II eliminates the requirements to disclose individual investments that represent five percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured at fair value. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Part I and II are to be applied retrospectively. The Plan has elected to early adopt Part I and II. The adoption of the new guidance had no impact on the Plan's financial position or results of operations, but did change disclosures.

In May 2015, the FASB issued Accounting Standard Updates (ASU) 2015-07, Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent) (ASU 2015-07), which is effective for fiscal years beginning after December 15, 2016 for entities other than public business entities. ASU 2015-07 eliminates the requirement to categorize investments in the fair value hierarchy if the fair value is measured at net asset value (NAV) per share (or its equivalent) using the practical expedient in the FASB's fair value measurement guidance. As permitted by ASU 2015-07, the Plan has early adopted this pronouncement for the period ended December 15, 2015 and its investments in collective trust funds that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. Early adoption of ASU 2015-07 was applied retrospectively as well. The adoption of the new guidance had no impact on the Plan's financial position or results of operations, but did change disclosures.

Note 3: Information Certified by the Plan Trustee

The Plan Administrator has elected the method of compliance permitted by the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by Fidelity Personal Trust Company, FSB.

Fidelity Personal Trust Company, FSB, has certified its statement of accounts as of December 31, 2015 and for the period January 15, 2015 to December 31, 2015. The statement of accounts includes beginning and ending balances of investments held and detail of all transactions during the period, including investment earnings. The notes receivable from participants and related interest income were not included in the certification. The plan's investments were held at Wells Fargo Bank prior to January 15, 2015. Wells Fargo Bank did not provide a certification for the period January 1, 2015 to January 15, 2015.

Note 4: Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial Statements (Continued)

Note 4: Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Collective Trust Fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimated fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth the level, within the fair value hierarchy, the Trust's assets at fair value as of December 31, 2015 and 2014:

	Assets at Fair Value as of December 31, 2015			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$1,700,759	\$0	\$0	\$1,700,759

The common/collective investment trust consists of security backed investment contracts, guaranteed investment contracts, and global-wrap contracts which are reported in the financial statements at fair value. There are no reserves against the contract value for credit risk of contract issuers or otherwise.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table summarizes investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2015. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2015	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable Value Collective Trust Fund	\$160,573	N/A	*Daily	Daily

*Withdrawals from the fund for benefit payments and participant transfers to noncompeting options to be paid to plan participants shall be made within 30 days after written notification has been received and are considered as made immediately after the next valuation date subsequent to the trustee's approval. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a 12-month (one year) advance written notice. The trustee may choose to disburse withdrawals in less than the required one-year period if, in the trustee's discretion, it determines that such a disbursement is in the best interest of the fund as a whole.

The following is a reconciliation of the increase in net assets available for benefits per the financial statements for the period ended December 31, 2015 to Form 5500:

NET INCREASE IN NET ASSETS AVAILABLE FOR BENEFITS	
Per Financial Statements	\$73,638
Change in Fair Value from Contract Value	(2,304)
Per Form 5500	\$71,334

Note 6: Related Party and Party-in-Interest Transactions

As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are exempt party-in-interest transactions under ERISA.

Note 7: Tax Status

As of December 31, 2015, the Plan uses a volume submitter plan document sponsored by Alliance Benefit Group North Central States, Inc., which received an advisory letter from the Internal Revenue Service (IRS), dated September 30, 2014, stating that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. The Plan has been amended since receiving the advisory letter. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirement of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2012.

Notes to Financial Statements (Continued)

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9: Subsequent Events

The Plan has evaluated subsequent events through October 3, 2016 the date the financial statements were available to be issued. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Effective February 1, 2016, UBG 401(k) Plan – All Points Cooperative at Gothenburg merged with Country Partners Cooperative 401(k) Plan. Country Partners Cooperative shall assume sponsorship of the merged Plan and the Plan will be renamed the UBG 401(k) Plan – Country Partners Cooperative. This merger provides for a change in the Employer, EIN, Plan name, Plan number, predecessor service, full vesting for participants who were in the Country Partners Cooperative 401(k) Plan, and adds Qualified Reservist distributions.
