AKSM SERVICE CORPORATION, LLC 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 - DESCRIPTION OF PLAN

The following description of the AKSM Service Corporation, LLC 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of AKSM Service Corporation, LLC (the "Company") who have six months of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: Each year, participants may contribute any percentage of their pre-tax annual compensation, as defined by the Plan, so long as a participant's total deferrals in any taxable year do not exceed the dollar limits that are set by current laws and regulations (\$17,500 for 2015 and 2014). The Plan also allows participants who have attained the age of 50 by the end of the Plan year to make catch-up contributions in accordance with the provisions of Code Section 414(v). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The following are contributions that the Company will or may make to the Plan:

- **Matching Contribution** – For the years ended December 31, 2015 and 2014 the matching contribution is a discretionary amount up to the participant's salary deferrals that do not exceed 50% of the first 6% of a participant's eligible pre-tax annual compensation. Effective July 1, 2016, the matching contribution is a discretionary amount up to the participant's salary deferrals that do not exceed 100% of the first 5% of a participant's eligible pre-tax annual compensation.
- **Profit Sharing Contributions and Qualified Non-Elective Contributions** – These contributions are discretionary with the amount of the contributions being determined by the Company each year.

Participants direct the investment of all contributions into the various investment fund options offered under the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings, contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions from salary deferrals and rollover contributions plus actual earnings thereon. Additionally, participants are immediately vested in qualified non-elective contributions paid by the Company plus actual earnings thereon. Vesting in the Company matching contributions and profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Retirement, Death and Disability: A participant is entitled to 100% of his or her vested account balance upon retirement, death or disability.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 8.25% as of December 31, 2015 and 2014. Principal and interest is paid ratably, through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits: Upon termination of service, death, disability or retirement, a participant may receive a distribution from the Plan for the participant's entire vested account balance in the form of a:

- Lump-sum distribution payment;
- Single sum distribution of a portion of the participant's vested account balance;
- Other form as selected under the Plan.

Forfeited Accounts: Forfeitures represent non-vested Company contributions from separated employees and ineligible contributions. Forfeitures are used to reduce employer contributions to the Plan. During the years ended December 31, 2015 and 2014, respectively, forfeitures of \$11,696 and \$33,130 were used to reduce employer contributions.

Administrative and Investment Management Expenses: Loan origination fees associated with notes receivable from participants and the Plan's record keeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the net appreciation (depreciation) in fair value of investments reported by the Plan. All other expenses of the Plan are paid by the Company.

Investment Options: Participants may direct the investment of their account into a range of investment options offered under the terms of the Plan. Participants can change the investment of their funds on a daily basis.

Reclassifications: Certain prior year amounts have been reclassified to conform with the current year presentation. These reclassifications have no effect on net assets available for benefits or the net decrease in net assets available for benefits, as previously reported.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Adoption of New Accounting Standards: In May and July 2015 the Financial Accounting Standards Board amended various disclosure requirements applicable to investments held by defined contribution pension plans. The new guidance clarifies that a plan's investments in stable value funds are not fully benefit-responsive investments contracts and should be measured and presented only at fair value. The new guidance also eliminates or simplifies various disclosure requirements applicable to plan investments. Adoption of the new guidance resulted in removal of investments for which fair value is measured at net asset value (or its equivalent) from the fair value hierarchy, the reporting of investments within the fair value hierarchy by general type rather than by classes of investments, and other changes in investment disclosure requirements. The Plan elected to early adopt these standards, each of which requires retrospective application to all periods presented. The adoption of these standards had no effect on the Plan's net assets available for benefits or changes therein. However, *Investments, at fair value* was reduced by \$6,583 from the amount previously reported as of December 31, 2014, and the *Adjustment from fair value to contract value for fully benefit-responsive investment contracts* of \$6,583 as of December 31, 2014 was eliminated.

Payment of Benefits: Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Plan provides for various investment options. The investments are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, statements of changes in net assets available for benefits and participants' individual account balances.

Investment Valuation and Income Recognition: The investments of the Plan are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through September 26, 2016, which is the date these financial statements were available to be issued.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 – UNAUDITED INFORMATION – CERTIFIED INVESTMENTS

Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income (loss), was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by PNC Bank, N.A. as of December 31, 2015 and 2014 and for the year ended December 31, 2015 and for the period May 1, 2014 to December 31, 2014 and by The Standard Insurance Company for the period January 1, 2014 to April 30, 2014. This information has not been audited by independent accountants.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements).

NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of its investments.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

Collective trust: The fair values of participation units in collective trusts are based upon the net asset values of such fund as reported in the audited financial statements of the fund. The fund provides for daily redemptions by the Plan at reported net asset value per share, with a thirty day advance written notice required.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

	<u>Fair Value Measurements at December 31, 2015 Using</u>		<u>Fair Value Measurements at December 31, 2014 Using</u>	
	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>		<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	
		<u>Total</u>		<u>Total</u>
Mutual Funds	\$ 12,773,499	\$ 12,773,499	\$ 12,069,456	\$ 12,069,456
Collective Trust*	-	<u>1,969,217</u>	-	<u>2,031,488</u>
	<u>\$ 12,773,499</u>	<u>\$ 14,742,716</u>	<u>\$ 12,069,456</u>	<u>\$ 14,100,944</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Investment management, loan origination, recordkeeping and trustee fees were paid by the Plan and qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses amount to \$63,996 and \$3,860 for the years ended December 31, 2015 and 2014, respectively.

Additionally, the Plan holds party-in-interest transactions in the form of notes receivable from participants at December 31, 2015 and 2014 of \$398,568 and \$385,455, respectively.

NOTE 7 - TAX STATUS

Effective May 1, 2014, the Plan was amended and restated onto a volume submitter plan document. The volume submitter plan received an opinion letter from the Internal Revenue Service dated March 31, 2014 stating that the written form of the underlying document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the Department of Labor or Internal Revenue Service, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

Dear Valued Client,

The U.S. Department of Labor (DOL) requires annual reporting of information concerning employee benefit plans subject to ERISA. This information must be reported on Internal Revenue Service Form 5500 and must include all required schedules and attachments.

The following information is being provided to assist you in completing the required 2015 Form 5500 and schedules:

- Capital Preservation Fund (CPF) is a collective trust.
- Federated Investors Trust Company is the sponsor of CPF.
- CPF's Employer Identification Number (EIN) is 22-2712853.
- The CPF Plan Number is 001.

For the calendar year 2015, CPF will file directly with the DOL certain financial statements on its own Form 5500 as a Direct Filing Entity (DFE).

Retirement plans that have provided CPF with sufficient plan information will be included on the CPF DFE Form 5500 as a participating plan. These retirement plans may not have to include detailed information about the underlying assets and transactions of CPF on their own Form 5500. For those retirement plans that did not provide Capital Preservation Fund with sufficient plan information, the plan may be required to include on its own Form 5500 more detailed information about the Capital Preservation Fund's underlying assets.
