Notes to Financial Statements
December 31, 2015 and 2014

1. Description of Plan

The following description of the United Bancorp, Inc. of Martins Ferry, Ohio 401(k) Savings Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan sponsored by United Bancorp, Inc. and its wholly-owned bank subsidiaries (Company) for the benefit of its employees who have at least one year of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by an Employee Benefits Administration Committee comprising up to three persons appointed by the United Bancorp, Inc.'s Board of Directors. Hand Benefits & Trust Company is the trustee and custodian of the Plan. Hand Benefits & Trust Company is owned by Benefit Plans Administrative Services, LLC (BPAS), who is the Plan Administrator.

Contributions

The Plan permits eligible employees to contribute to the Plan through a salary deferral election. Employee rollover and employee Roth contributions are also permitted. The Company directs matching and profit-sharing contributions to the United Bancorp, Inc. of Martins Ferry, Ohio Employee Stock Ownership Plan (ESOP). Contributions are subject to limitations defined by the Internal Revenue Service.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

The Plan document also includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise. However, the Company did not elect to utilize this feature in 2015 or 2014.

Participant Accounts

Each participant's account is credited with the participant's contribution and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon.

Deferred Vested Balances

A number of the Plan's vested participants have terminated their employment with United Bancorp, Inc. Participants who are eligible to receive distribution benefits are provided the option of keeping a balance in the Plan. The total value of vested benefit payments deferred was \$522,767 as of December 31, 2015 and \$230,781 as of December 31, 2014.

1. Description of Plan (Continued)

Payment of Benefits

Upon termination of service, an employee may elect to receive a lump-sum amount equal to the value of his or her account. At December 31, 2015 and 2014, there were no plan assets allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan but have not yet been paid.

Notes Receivable from Participants

The Plan document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period to not exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on the prime rate of interest plus 2% as determined by the plan administrator.

Hardship Distributions

A withdrawal from a participant's account is permitted if the participant has a financial hardship as defined in the Plan document. There were no hardship distributions included in Benefits paid to participants in the Statements of Changes in Net Assets Available for Benefits for 2015 or 2014.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting. Contributions are recorded by the Plan in the period the wages are paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

2. Summary of Significant Accounting Policies (Continued)

Payment of Benefits

In accordance with ASC 965, benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

3. Investments

Accounting Standards Update

With respect to investment disclosures, in July 2015, the FASB issued ASU 2015-07 and 2015-12, which are intended to simplify employee benefit plan reporting. The Accounting Standards Updates have several aspects; only a portion of which apply to the Plan. The Plan has chosen to early implement the provisions of these updates.

Investment Composition

During the years ended December 31, 2015 and 2014, the Plan's investments consisted of:

	Level (Note 4)	Fair Value	
		2015	2014
Mutual funds	1	\$ 2,824,664	\$ 2,658,582
Common collective trust	*	300,634	279,049
United Bancorp, Inc. common stock	1	256,373	221,642
Total investments		<u>\$ 3,381,672</u>	<u>\$ 3,159,273</u>

**Hand Composite Employee Benefit Trust – Short Term Income Fund: ASU 2015-07 removes the requirement to categorize investments for which fair value is measured using Net Asset Value in the fair value hierarchy.*

4. Fair Value

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets in active markets • Quoted prices for identical or similar assets in inactive markets • Inputs other than quoted prices that are observable for the asset • Inputs that are derived principally from or corroborated by observable market data by correlation or other means If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
<i>See Note 3 for identification of the level of each class of investments.</i>

Notes to Financial Statements
December 31, 2015 and 2014

4. Fair Value (continued)

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

METHODOLOGIES

There have been no changes in the methodologies of the Plan's investments between December 31, 2015 and 2014.

Mutual funds: Valued at quoted market prices in active markets.

United Bancorp, Inc. common stock: Valued at quoted market prices in active markets.

Common collective trust: Valued at the net asset value (NAV) as reported by the funds daily.

5. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. Parties – in – Interest

Parties-in-interest is defined by both the IRS and ERISA to include, among others, any entity that provides services to the Plan. Therefore, all the plan expenses included in the accompanying financial statements are considered parties-in-interest transactions.

Additionally, the following parties –in –interest relationships have been identified:

- 1) Certain participant accounts have invested in shares of United Bancorp, Inc. common stock. The Plan held 26,733 shares and 27,465 shares, respectively, at December 31, 2015 and 2014.
- 2) As explained in Note 1, Hand Benefits & Trust Company is owned by the Plan's administrator, BPAS:
 - The participants may direct their investments to the Hand Composite Employee Benefit Trust Short Term Income Fund. The Plan's investment in this Fund was \$300,634 and \$279,049 at December 31, 2015 and 2014, respectively.
 - The Plan paid \$13,374 and \$13,187 of recordkeeping/investment fees to Hand Benefits & Trust Company during 2015 and 2014.
- 3) The Company provides certain administrative services at no cost to the Plan, including the audit fee and brokerage fees.

7. Plan Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype 401(k) profit-sharing plan and trust sponsored by BPAS. The Plan has not applied to the Internal Revenue Service (IRS) for an individual determination letter as the nonstandardized prototype document has received a favorable opinion letter from the IRS. The Plan has been amended since the prototype received the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

8. Risks and Uncertainties

Investments of the Plan are not insured by the FDIC; are not deposits or other obligations of, or guaranteed by any bank or affiliates; and are subject to investment risks, including possible loss of the principal amount invested.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and such changes could affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. Information Certified by the Plan's Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2015 and 2014.
- Investment income, as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2015 and 2014.
- The Schedule of Assets Held at End of Year, as shown in the Supplemental Information, as of December 31, 2015.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.

10. Timeliness of Participant Contributions

Department of Labor Regulation 2510.3-102 requires contributing employers to remit elective deferrals to an employee benefit plan as soon as they can be reasonably segregated from the employer's general assets. During 2015, the remittance of certain contributions to the plan were delinquent. These have been reported as contributions corrected outside the Voluntary Fiduciary Correction Program on the accompanying Schedule of Delinquent Participant Contributions.

The delinquent contributions pending correction at December 31, 2015 have been subsequently corrected.

11. Classification Differences

Form 5500 has certain assets and liabilities that differ from amounts shown on the accompanying financial statements. These differences relate to classifications only and have no effect upon net assets available for benefits for either the year ended December 31, 2015 or 2014.

12. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the financial statements to Form 5500 for the years ending December 31, 2015 and 2014.
