INDEPENDENT AUDITORS' REPORT

To the Retirement Committee
ABM Government Services 401(k) Plan
Hopkinsville, Kentucky

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ABM Government Services 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by Mass Mutual Financial Group, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

The Internal Revenue Service requires that Plans operate in accordance with the plan document in order to maintain a favorable tax status. During our audit as of and for the year ended December 31, 2015, we identified operational failures as described in Note 13. The effects on the financial statements and supplemental schedules and the Plan's tax status as a result of the identified operational errors has not been determined. Our disclaimer of opinion is not modified with respect to this matter.

Other Matters

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2015, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter, as described in the Basis of Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator ("you") in completing the Form 5500 Schedule C[1] by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2015 - 12/31/2015 and indirect compensation is presented on a calendar year basis ending 12/31/2015.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because, among other potential considerations, plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

****

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

---

[1]Please refer to the Schedule C of the Form 5500 and its instructions (available at: http://www.dol.gov/ebsa/5500main.html), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Total Direct Compensation Paid **$24,196.98**

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction for the plan year. Service providers which have received portions of these direct fees are listed below, along with the amount of fees they received. Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: Massachusetts Mutual Life Insurance Company EIN: 04-1590850

Service Codes: 15, 23, 37, 38, 54, 55, 59, 60, 62, 63, 64, 65, 66, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **$24,196.98**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2015 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Massachusetts Mutual Life Insurance Company ("MMLIC") are the net result of aggregating direct compensation after the effects of adjustments processed in 2015, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Float compensation **$860.63**

Bank accounts and investments associated with short-term investment pool

This is an estimate based on the annual average rate of float (0.573% for 2015) earned on the bank accounts and investments associated with the short-term investment pool for the 2015 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor, subject to applicable regulation. The Plan Sponsor should consult with the Plan's/Plan Sponsor's tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. MassMutual's Code of Conduct generally restricts MassMutual employees from giving to or receiving gifts from customers and/or business partners having a value of over $100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the calendar year, including MassMutual, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual.

Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are

invested in Massachusetts Mutual Life Insurance Company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The above list includes any investment option held by the plan on at least one month end during the 2015 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

In addition, please note that some of the funds available through your service contract or arrangement are funds from the Oppenheimer family of mutual funds, which are affiliated with MassMutual (The Oppenheimer Funds). These affiliated mutual funds have contracts for services with companies that are affiliated with MassMutual. The MassMutual-affiliated companies that provide these services, and are compensated in connection with those services, are listed below. An employee who is at least eighteen years of age is eligible to participate immediately following the date of hire.

Contributions:

The Plan has four sources of contributions made by either the participant or employer.

The first is an employee elective deferral contribution. Participants may contribute 1% to 75% of pretax salary up to a maximum of $18,000 in the current year. All participants who have attained age fifty before the close of the taxable year shall be eligible to make "statutory catch-up contributions" in accordance with the IRS code. The allowable catch up contribution for 2015 was $6,000.

The second is an employer contribution called a federal service contract act contribution. Under terms of federal service contracts, the Company is required to make contributions to the Plan for unexpended health and welfare benefits (life insurance, health insurance, etc.) Employees receive an hourly health and welfare allowance that is to be used to cover health related expenses. Any unused amount at the end of the year is allocated to the related participant's account.

The third are discretionary and nondiscretionary employer matching contributions. All participants are eligible to receive the discretionary matching contributions. The Plan also provides for nondiscretionary matching contributions on behalf of individuals employed in locations acquired from CTS Services, LLC (CTS) and Facility Support Services, LLC (FSS). CTS and FSS were acquired by the Plan's sponsor during 2015 and therefore individuals are not employees of CTS and FSS. Nondiscretionary matching contributions are calculated equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation.

The fourth is a participant rollover contribution. Participants may also contribute rollover or transfer amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts:

Each participant’s account is credited with the participant’s contribution and allocation of (a) Company’s contribution, (b) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant’s vested account.

Vesting:

Participants are fully vested in their accounts at all times for all contribution types.

NOTE 1 – DESCRIPTION OF PLAN, CONTINUED

Participant Loans Receivable:

Participants may borrow from their fund accounts a minimum of $1,000 and up to a maximum of 50% of their vested account balance up to $50,000. Loan transactions are treated as a "direct investment" of the participant and shall be accounted for separately. Loan terms range from one to five years; however, a term of up to ten years is permitted for participants seeking to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate approximating the rate of interest then prevailing for similar loans. Principal and interest are paid on a direct salary reduction basis, or on a direct payment basis no less frequently than quarterly. Loans can be repaid in full at any time without penalty. In the event of termination, retirement, or disability, the outstanding balance will be due 90 days from the date of termination, retirement, or disability. If not repaid, the loan will be treated as a taxable distribution.

Payment of Benefits:

Benefits are payable upon the occurrence of any of the following events:

(1) In-service distributions can be paid when a participant reaches age 59 1/2;

(2) Attainment of normal retirement age (age 65);

(3) Death while employed by the employer;

(4) Disability, when it is determined that an employee is totally and permanently disabled;

(5) Termination of employment; and

(6) Termination of the Plan;

(7) Hardship withdrawals from participant deferral accounts are allowed only if one of the following criteria are met: payment for medical expenses, purchase of primary residence, payment of tuition and educational fees for post secondary education, and payments to prevent eviction and/or foreclosure on the mortgage of your primary residence.

On termination of service due to death, disability, retirement, or voluntary separation, a participant or beneficiary will receive a single lump sum cash payment equal to the vested value of the participant's account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Investment contracts are reported at contract value, which the Plan believes is equivalent to fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at market value, net unrealized appreciation or depreciation for the year is reflected in the Statement of Changes in Net Assets Available for Benefits. Sales and purchases of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains or losses are recognized on the date the investment is sold.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2015 and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits:

Benefits are recorded when paid.

Plan Expenses:

All expenses of maintaining the Plan are paid by the Plan.

NOTE 3 - INVESTMENTS

During 2015, the Plan's investments, including investments bought, sold, and held during the year appreciated in value by $56,863, respectively.

At December 31, 2015, investments exceeding 5% of the Plan assets included: American Funds New Perspective Investment Option, Hartford Dividend & Growth HLS Investment Option, Hartford Fixed Account Investment Option, T. Rowe Price Retirement 2030, Alger Capital Appreciation Institutional Investment Option, Lord Abbett Total Return A and JPMorgan US Equity Large Cap.

At December 31, 2014, investments exceeding 5% of the Plan assets included: American Funds New Perspective Investment Option, Hartford Dividend & Growth HLS Investment Option, Hartford Fixed Account Investment Option, Pimco Total Return Investment Option, Alger Capital Appreciation Institutional Investment Option and JPMorgan US Equity Large Cap.

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Two investment offerings have been deemed fully benefit-responsive investment contracts by management.

Hartford Fixed Account Investment Option

The objective of this fund is to maintain a competitive fixed interest rate and a minimum guaranteed rate of return. The Fixed Account is invested in the general account of Hartford Life Insurance Company and is guaranteed by the Hartford's claims paying ability. Hartford's general account is primarily invested in investment grade income securities. The Fixed Account is not a mutual fund. It is an investment choice available through a group annuity contract or group funding agreement. Hartford credits the Fixed Account value with interest at a rate they declare for each calendar quarter. Hartford will determine the Declared Interest Rate for any quarter at their discretion. The Fixed Account interest rate is never less than the minimum interest rate specified in the contract. Hartford may, from time to time, credit interest rates in excess of the minimum interest rate. The declared rate for 2015 and 2014 was 3%.

The Hartford Lifetime Income Investment Option

Hartford Lifetime Income (HLI) is a group annuity contract designed as an in-plan investment option that provides guaranteed lifetime income similar to a defined benefit plan. Plan contributions to purchase income shares are under the Hartford Lifetime Income group annuity contract. Each income share provides $10 of monthly guaranteed income beginning at age 65. Participants can cash out their income shares in lieu of receiving the guaranteed lifetime income stream. The cash-out value fluctuates based on interest rates and may be less than your contributions when interest rates rise.

NOTE 5 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board Accounting Standards Codification Topic 820, Fair Value Measurements, establishes a framework for measuring fair values. That framework provides a fair value hierarchy that prioritizes inputs to fair value techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 Measurement) and the lowest priority to unobservable inputs (Level 3 Measurement). The three levels of fair value hierarchy are as follows under the standard:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted market prices;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted market prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 5 - FAIR VALUE MEASUREMENT, CONTINUED

The following is a description of the valuation of methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2015 and 2014:

Pooled separate accounts:	Unit value calculated based on the observable NAV of the underlying investment.
Investment contracts:	Valued at contract value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

	December 31, 2015			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 16,616,857	$ -	$ 16,616,857
Investment contracts	-	4,184,694	-	4,184,694
Total assets at fair value	$ -	$ 20,801,551	$ -	$ 20,801,551

	December 31, 2014			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 12,355,050	$ -	$ 12,355,050
Investment contracts	-	4,452,370	-	4,452,370
Total assets at fair value	$ -	$ 16,807,420	$ -	$ 16,807,420

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2015 are reported in net appreciation in fair value of investments. Unrealized gains/(losses) from the investment contracts are not reported in the statement of changes in net assets available for benefits as the contracts are recorded at contract value for presentation in the net assets available for benefits.

NOTE 6 - TAX STATUS

The Plan obtained its latest determination letter on November 7, 2011, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America, provides guidance for reporting uncertainty in income taxes. The Plan has performed an evaluation of uncertain tax positions for the years ended December 31, 2015 and 2014, and determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements. Income tax and information returns for the years ended December 31, 2013 or later remain subject to examination by various taxing authorities.

NOTE 7 - CERTIFIED INFORMATION BY CUSTODIAN

Mass Mutual Financial Group was the custodian of the Plan at December 31, 2015 and 2014 and held substantially all of the Plan's investment assets effective as of and executed transactions therein. Financial information relating to those assets is included in the accompanying financial statements (investments, at fair value, net appreciation in the fair value of investments and dividends) and schedule based upon information provided by Mass Mutual Financial Group as of December 31, 2015 and 2014.

NOTE 8 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right, under the Plan, to discontinue or terminate the Plan at any time, subject to the provisions of Employee Retirement Income Security Act (ERISA). In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 9 - ADMINISTRATIVE EXPENSES

The Plan allows for the administrative expenses to be paid out of the Plan. Administrative expenses absorbed by the plan for the year ended December 31, 2015 were $24,197.

NOTE 10 - AMOUNTS ALLOCATED TO TERMINATED PARTICIPANTS

Amounts allocated to individuals who have been terminated from the plan sponsor but still have an account balance in the Plan as of December 31, 2015 and 2014 were $6,769,496, and $5,364,325, respectively.

NOTE 11 - RISKS AND UNCERTAINTIES

The Plan invests in pooled separate accounts and group annuity contracts offered by Mass Mutual Financial Group. These securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of certain investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 12 - PARTY OF INTEREST TRANSACTION

Certain Plan investments are shares of pooled separate accounts and investment contracts managed by Mass Mutual Financial Group. Mass Mutual Financial Group is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for services amounted to $24,197 for the year ended December 31, 2015. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 13 - CONTINGENCY - OPERATIONAL FAILURES

During the 2015 plan year, certain operational failures occurred that resulted in the improper inclusion of ineligible compensation for determining contributions, and the misclassification of Company contributions. The Company intends to correct these operational failures pursuant to the Internal Revenue Service's Employee Plans Compliance Resolution System, as set forth in Revenue Procedure 2016-51. The Company does not believe the outcome of the correction will be material to the Plan's financial statements.

NOTE 14 - SUBSEQUENT EVENTS

In accordance with ASC Topic 855, the Plan evaluated subsequent events through September 23, 2016, the date these financial statements were available to be issued.

Restatement of Plan Document

As of January 1, 2016, the Plan was restated to take into account numerous administrative changes and to incorporate the requirements of recent legislation and to incorporate amendments to the Plan since its last restatement. Plan management sent a request to the Internal Revenue Service as of January 25, 2016 to request a determination that the Plan satisfies the tax-qualification requirements of the Internal Revenue Code.

Record-keeper Change

As of the date of this report, the Plan was in the process of potentially changing record-keepers, however no formal agreement or change has been signed or made.
