Independent Auditor's Report

To the Trustees
Orlando's Enterprises, Inc.
401(k) Retirement Plan

Report on Financial Statements

We have audited the accompanying financial statements of Orlando's Enterprises, Inc. 401(k) Retirement Plan (the Plan), which comprise the Statements of Net Assets Available for Benefits as of December 31, 2015 and 2014, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2015 Financial Statements

Our responsibility is to express an opinion on the 2015 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2015 financial statements.

BOLINGER, SEGARS, GILBERT & MOSS, L.L.P.
CERTIFIED PUBLIC ACCOUNTANTS

Auditor's Responsibility for the 2014 Financial Statements

Our responsibility is to express an opinion on the 2014 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the 2014 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2014 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the investment assets held by T. Rowe Price Retirement Plan Services, Inc., the trustee of the Plan, and transactions in those assets were excluded from the scope of our audit of the Plan's 2014 financial statements, except for comparing the information provided by the trustee, which is summarized in Note 6, with the related information included in the financial statements.

Disclaimer of Opinion on the 2014 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2014 Financial Statements paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2014 financial statements.

Opinion on the 2015 Financial Statements

In our opinion, the financial statements referred to in the first paragraph of Orlando's Enterprises, Inc. 401(k) Retirement Plan as of December 31, 2015, and for the year then ended, present fairly, in all material respects, the net assets available for benefits of Orlando's Enterprises, Inc. 401(k) Retirement Plan as of December 31, 2015, and related changes in net assets available for benefits for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matter

Our audit of the Plan's financial statements as of and for the year ended December 31, 2015, was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held for Investment Purposes and Schedule of Reportable Transactions, together referred to as "supplemental information," as of and for the year ended December 31, 2015, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2015 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2014 financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Orlando's Enterprises, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General – The Plan, effective January 1, 1995, is a defined contribution plan covering substantially all of the employees of Orlando's Enterprises, Inc. and Caprock Restaurants, Inc. referred to collectively as the "Employer" and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility – Employees are eligible for participation in the Plan after completing one year of service and attainment of age 21 years. The Plan entry date is on the first day of the plan year or the first day of the seventh month of the plan year coinciding with or following the attainment of the eligibility requirements.

Contributions – Under the Plan, the participant and the Employer are both allowed to make contributions. The participants are allowed to contribute a portion of their salary to the Plan subject to those limitations provided for in Section 401(k) of the Internal Revenue Code.

The Employer makes safe harbor matching contributions equal to 100% of salary deferrals that do not exceed three percent of compensation plus 50% of deferrals between three and five percent.

Participant Accounts – Each participant has one account that will consist of sub-accounts designated for participant contributions and Employer match contributions. Participant contribution accounts are credited with the participant's contributions and the earnings of the specific investment vehicles selected. Participants may self-direct their contributions to interest bearing deposits and mutual funds.

The Employer match contribution accounts are credited with the Employer's matching contribution. Participants may also self-direct the Employer account to interest bearing deposits and mutual funds.

Forfeitures – There are no forfeitures. All contributions are fully vested.

Vesting – Participants are 100% vested in the Employer matching contributions upon entering the Plan.

Payment of Benefits – Upon normal retirement age or death, a participant may elect to receive a lump-sum amount equal to the vested balance of the participant's account, or substantially equal installments over a period not to exceed the participant's lifetime or the assumed lifetime of the participant and beneficiary. If the vested balance does not exceed $5,000, then the vested account balance may only be distributed in a single lump-sum payment. A participant may receive distributions prior to separation of service after normal retirement age is reached. Distributions to terminated participants will be made as soon as administratively feasible and an automatic distribution will be made to those participants with a vested balance below $1,000. If the participant dies prior to receiving all benefits under the Plan, the balance of the participant's account is paid to the beneficiary.

NOTES TO FINANCIAL STATEMENTS

The Plan also allows hardship and in-service distributions. Hardship distributions are only permitted by participants that are employed with the Employer at the time of the hardship distribution. In-service distributions may be made by participants who have attained age 59 ½. The minimum amount a participant may receive as an in-service distribution is $1,000. These distributions may only be made from accounts which are fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Benefits are recorded when paid.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

Concentrations of credit risk exist if a number of investments are engaged in similar activities and have similar economic characteristics that could cause their ability to meet contractual obligations to be similarly affected by changes in economic or other conditions. The Plan has invested in a variety of financial instruments and investments involving diverse industries and geographic areas to mitigate exposure to credit risk.

3. ADMINISTRATION OF PLAN ASSETS

The Plan assets are held by the trustee of the Plan. Employer and participant contributions are invested by the trustee as directed by the participants. The administrative expenses associated with the third-party administrator for the Plan are paid directly by the participants. Other expenses associated with the trustee of the Plan are paid by the Employer.

NOTES TO FINANCIAL STATEMENTS

4. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts an amount no less than $1,000 up to a maximum equal to the lesser of $50,000, reduced by the excess of the highest outstanding balance of loans during the one-year period ending on the day before the date of the new loan over the current outstanding balance of loans as of the date of the new loan; or 50% of their vested account balance. Loan terms range from one to five years, or more if used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates range from 4.25% - 5.00%. All loans must have a definite repayment period which provides for payment to be made not less frequently than quarterly. Participants may not have more than two outstanding loans at one time.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 and 2014. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Loans to Participants	$ 151,095	$ 171,180

7. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual Funds: Valued at the Net Asset Value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

8. TAX STATUS

The Plan is operating under a prototype plan filed by Boston Financial Data Services. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted the "uncertain tax positions" provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Plan is its filing status as a tax exempt entity. The Plan determined that it is more likely than not that its tax positions would be sustained upon examination by the Internal Revenue Service (IRS), or other State taxing authority. There were no penalties or interest recognized during the years ended December 31, 2015 and 2014. The Plan is no longer subject to U.S. federal income tax examinations by federal taxing authorities for years before 2012.

NOTES TO FINANCIAL STATEMENTS

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 23, 2016, the date which the financial statements were available for issue.
