1) Plan Description:

The following brief description of Haemonetics Puerto Rico LLC Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

- A) General – The Plan was established on August 1, 2012 as a cash or deferred profit sharing plan to provide benefits upon retirement, disability or death to participant employees or beneficiaries of Haemonetics Puerto Rico LLC (the Employer). Under the Plan, all employees, except for those employees in a unit of employees covered by a collective bargaining agreement in which retirement benefits were the subject of good faith bargaining, leased employees, and temporary employees hired for the duration of a particular project, become automatically eligible to participate in the Plan on the enrollment date. Automatic enrollment is permitted by the plan to all employees who become eligible to participate in the Plan but do not have an affirmative election. The uniform percentage rate for automatic enrollment is 3% of compensation.

The Plan is qualified under Section 1081.01 of the Puerto Rico Income Tax Act of 2011 and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

- B) Contributions – The Plan provides for contributions to be made by the Employer and by participants as follows:

- Employee pre-tax contributions – Pre-tax contributions may not be less than 1% nor exceed 75% of compensation. Pre-tax contributions are limited to \$15,000 for the year ended December 31, 2015.
- Employee after-tax contributions – Voluntary after-tax contributions are permitted under the Plan. After-Tax Contributions may not be less than 1%, nor exceed 10% of compensation paid to the employee.
- Employee catch-up contributions – A participant who has attained age 50 by the close of the Plan year, may elect to make catch-up contributions subject to the limit of \$1,500.
- Employee rollover contributions – Participants may also contribute amounts transferred from other Puerto Rico qualified retirement plans, subject to the limitations specified in the Plan Agreement.
- Employer's contributions – The Employer may match pre-tax contributions in amounts, if any, at the Employer's discretion. For the year ended December 31, 2015, total annual contributions made by the Employer and participants are limited to the lesser of \$53,000 or the total compensation paid by the Employer to participant during the plan year. The Plan does not permit Employer matching after-tax contributions.
- Employer's profit sharing contributions – The Employer may make profit sharing contributions to the Plan in one or more installments for each Plan year at the Employer's discretion. Employer matching and profit sharing contributions may not exceed the maximum amount deductible from the Employer's income for that plan year under section 1081.01 of the Puerto Rico Internal Revenue Code 2011, as amended.

NOTES TO FINANCIAL STATEMENTS December 31, 2015 and 2014

- C) Investment options – The Plan allows participants to direct their contributions into various investment options available under the Plan.
- D) Participant accounts – Individual accounts are maintained for each of the Plan's participants to reflect the participant's and Employer's contributions, as well as the participant's share of the Plan's income and any related expenses. Allocations are based on the proportion that each participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested accounts.
- E) Vesting – Contributions made by participants, rollover contributions, qualified non-elective contributions, and employer matching contribution, plus or minus any earnings or losses, are 100% vested at all times. Profit sharing contributions and their earnings will vest as follows:

<u>Year of Service</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

A Participant will become fully vested in his or her Profit sharing contributions and their earnings upon the earlier of (i) reaching normal retirement age while still employed by the Employer, (ii) retirement at normal or early retirement age, (iii) disability, (iv) death while employed by the Employer, (v) termination of the Plan, or (vi) complete discontinuance of contribution from the Employer.

- F) Notes receivable from participants – Loans are available to all participants whose employment has not terminated. All loans are evidenced by a promissory note signed by the participant. Loans are secured by the balance in the participant's account and bear a 4.25% rate of interest. No participant's loan shall exceed the amount of 50% of the participant's vested account balance. The maximum term of a loan is 5 years, except if it is for the acquisition of the participant's principal residence.
- G) Payments of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive, either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time. In addition, any participant whose employment has not terminated may, upon reasonable prior written notice to the Plan, make certain withdrawals such as: (i) financial hardship, (ii) when the participant reach the age of 59 ½ years and other reasons as established in the Plan document.
- H) Forfeitures – Forfeitures represents non-vested portions of contributions of the Employer on the day of the participant death or termination. Forfeitures could be used first to reduce the Plan's administrative expenses and then to reduce Employer profit sharing contributions and/or matching contributions as of the end of the Plan year. As of December 31, 2015 and 2014, there were no forfeited non vested accounts.

2) Summary of Significant Accounting Policies:

The most significant accounting policies followed by the Plan are summarized below:

- A) Basis of accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and in compliance with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employees Retirement Income Security Act of 1974.
- B) Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.
- C) Investment valuation and income recognition – Investments in mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. Investments in mutual funds are stated at net asset value (NAV) per share, calculated by each fund based on the market value of the underlying securities within each fund and is required to be published on a daily basis.

The net appreciation (depreciation) in fair value of investments, including realized gains or losses and net change in unrealized gains or losses, is reflected in the statement of changes in assets available for benefits. Realized gains or losses on the disposal of investments reported at NAV are determined by specific identification and recognized on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

- D) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.
- E) Contributions – Employer and participants' contributions are recorded in the Plan year in which the Employer makes the payroll deductions.
- F) Benefits – Benefits payments to participants are recorded when paid.
- G) Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of investments.

UBS also certified to the completeness and accuracy of \$146,676 of net depreciation on investments stated at net asset value and \$188,909 of interest and dividends related to the aforementioned assets for the year ended December 31, 2015.

4) Delinquent Participant Contributions Transmittals:

During the year ended December 31, 2015, the Employer erroneously failed to remit certain deferrals and loan repayments to the Plan aggregating approximately to \$127,300. Lost earnings pertaining to the year ended December 31, 2015, amounted to \$326. The Company will file a Voluntary Correction Program (VCP) submission with the IRS for the correction of these late remittances.

5) Tax Status:

The Plan is intended to be a tax qualified arrangement that complies with the provisions of the Employment Retirement Income Security Act of 1974, as amended, and with the Puerto Rico Internal Revenue Code (PRIRC) of 2011, as amended, for which no determination letter has been received. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the PRIRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan as of December 31, 2015 and 2014, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

NOTES TO FINANCIAL STATEMENTS December 31, 2015 and 2014

6) Risks and Uncertainties:

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7) Plan Termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time or to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8) Party-In-Interest Transactions:

Haemonetics Puerto Rico LLC is a party in interest as defined by ERISA. In addition, as described in Note 2, the Plan paid certain expenses related to the Plan operations and investment activity to various service providers. There were no prohibited transactions as of December 31, 2015 and 2014. Therefore, these transactions represent party-in-interest transactions as defined by ERISA.

9) Subsequent Events:

The Plan Administrator is not aware of any subsequent event, which would require recognition and/or disclosure in the financial statements. The Plan Administrator has evaluated subsequent events through July 26, 2016, the date the financial statements were available to be issued.
