INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of *Health Group Management, LLC 401(k) Plan* (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8 which was certified by John Hancock USA ("John Hancock"), the Custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Trustees have obtained a certification from the Custodian as of and for the year ended December 31, 2015, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Other Matters

The supplemental schedule of assets (held at end of year) as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

As part of our audit of the 2015 financial statements, the Plan chose to adopt Accounting Standards Update 2015-12 Part II, described in Note 2 that was applied to restate the 2014 financial statements. Early adoption was permitted. In our opinion, such adjustments are appropriate and have been properly applied.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock, the Custodian of the Plan. Their report, dated October 13, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2015

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 DESCRIPTION OF PLAN

The following description of *Health Group Management, LLC 401(k) Plan* (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that was adopted by Health Group Management, LLC (the "Plan Sponsor") on August 1, 2013 and covers all eligible employees of the Plan Sponsor who elect to participate after completing three months of service and who have attained age 21. The Plan was amended and restated on January 1, 2015, changing the name of the Plan from Haven Health Group, LLC 401(k) Plan to Health Group Management, LLC 401(k) Plan. An employee will become eligible for participation on the first day of the Plan year quarter coinciding with or next following the date after satisfying the eligibility requirements in the Plan Agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended and restated.

Contributions

Participants may defer salary up to an annual maximum of the lesser of 100% of eligible compensation or applicable IRS limits. The total of participant and employer contributions for a given year cannot exceed the lesser of $53,000 or 100% of the participant's annual compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Each year, the Plan Sponsor makes a matching contribution to each participant which is calculated based on a percentage of a participant's elected deferrals and eligible Plan compensation as defined in the Plan Agreement. For the year ended December 31, 2015, the Plan Sponsor's matching contribution was $117,363.

In addition, the Plan Sponsor may make a discretionary profit sharing contribution to be determined by the Plan Sponsor and allocated to participants who are employed on the last day of the Plan year. Each eligible participant will receive a portion of this discretionary profit sharing contribution based on their eligible compensation. The Plan Sponsor did not make a discretionary profit sharing contribution to the Plan for the year ended December 31, 2015.

Participant Accounts

Each participant's account is credited with the participant contributions and allocations of the Plan Sponsor's contribution and Plan earnings, and charged with an allocation of administrative expenses. The allocation of the Plan Sponsor's profit sharing contribution is based on the proportion of the participant's total compensation to the total compensation paid to all participants. Earnings on investments include interest income and realized and unrealized gains and losses and are allocated to the participant's account based on the participant's directed investment program earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts is based on years of continuous service. This vesting occurs ratably over a four-year period commencing on the participant's date of hire. Participants are considered fully vested upon attainment of retirement age, retirement due to disability or death, and upon termination of the Plan.

Notes Receivable from Participants

Participants may obtain loans from the Plan for the lesser of $50,000 or 50% of their vested interest in the Plan (with a minimum of $1,000). Participant loans will be treated as notes receivable. A participant may not have more than one loan outstanding at one time. The loans are secured by the balance in the participant's account and bear interest at a rate determined reasonable in consideration of interest rates charged for similar types of loans by other lenders. The interest rate for all outstanding loans at December 31, 2015 is 4.25%, which is equal to one percentage point above prime rate. Loans shall be repaid over their term in equal monthly installments of principal and interest through payroll deductions. Loan terms are up to five years unless the loan qualifies as a home loan for the participant's principal residence. Loans become due and payable in full in the event of the participant's termination of employment.

Forfeitures

Participants who terminated their employment and are less than 100% vested in their employer's contributions forfeit their non-vested portion. These accounts may be used to offset administrative expenses or to reduce employer matching contributions. The forfeited non-vested employer contributions totaled $8,452 and $18,294 for the years ended December 31, 2015 and 2014, respectively.

Payment of Benefits

The Plan provides for retirement benefits to begin at the age of 65, but not later than the sixtieth day of the calendar year following the date in which participants attain the age of 65. Upon termination of service due to death, disability, or retirement, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account.

If the total vested account balance is $1,000 or less, the participants vested account balance will be distributed automatically in a lump sum. If the total vested account balance exceeds $1,000, but is less than $5,000, the participants vested account balance will be transferred to a third party benefit payment distributor. If the total vested account balance exceeds $5,000, participants may elect to receive a lump sum amount or substantially equal installments equal to the value of their vested account balance as soon as administratively feasible.

All amounts allocated to withdrawing participants for benefit claims that have been processed and approved for payment prior to December 31, 2015 were paid to the participants on or before year-end.

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the available investment options available to plan participants.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Plan follows the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Administrative Expenses

Certain costs and expenses of the Plan are paid directly by participants of the Plan and are included in the Statements of Changes in Net Assets Available for Benefits. Other costs and expenses of the Plan are paid directly by the Plan Sponsor and are not included in the Statements of Changes in Net Assets Available for Benefits.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Accounting Pronouncements

In July 2015, the FASB issued Accounting Standards Update No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965) Parts I through III (ASU 2015-12), which is effective for fiscal years beginning after December 15, 2016 and applied retroactively. Part I is required for Plans that invest in fully benefit-responsive investment contracts and eliminate the adjustment from contract value to fair value. Other additional disclosures are eliminated and simplified. Part II eliminates the disclosure of investments that represent 5 percent or more of the Plan's net assets. Part III is required for Plans whose fiscal year end is not on the last day of the month. As permitted by ASU 2015-12, the Plan has early adopted Part II of this pronouncement for the year ended December 31, 2015. Parts I and III do not apply.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual funds (registered investment companies): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes the valuation of the Plan's investments held as of December 31, 2015 and 2014:

		Fair Value Measurements Using		
December 31, 2015	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level I)	Quoted Prices in Active Markets for Similar Assets (Level II)	Significant Unobservable Inputs (Level III)
Interest-bearing cash	$ 17,740	$ 17,740	$ -	$ -
Registered investment companies				
Blend funds	717,159	717,159	-	-
Growth funds	51,757	51,757	-	-
Value funds	26,008	26,008	-	-
Bond funds	21,649	21,649	-	-
Total	**$ 834,313**	**$ 834,313**	**$ -**	**$ -**
December 31, 2014				
Interest-bearing cash	$ 9,390	$ 9,390	$ -	$ -
Registered investment companies				
Blend funds	413,705	413,705	-	-
Growth funds	36,696	36,696	-	-
Value funds	16,287	16,287	-	-
Bond funds	17,133	17,133	-	-
Total	**$ 493,211**	**$ 493,211**	**$ -**	**$ -**

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level I inputs because they generally provide the most reliable evidence of fair value.

Level I Fair Value Measurements

The fair value of registered investment companies is based on quoted net asset value of the shares for identical assets held by the Plan at year-end.

NOTE 5 NON-DISCRIMINATION TESTS

For the Plan year ended December 31, 2015, National Benefit Services, LLC performed an Actual Deferral Percentage and an Actual Contribution Percentage Test. As a result of these tests, the Plan was required to return $15,853 in excess contributions and earnings to certain participants.

For the Plan year ended December 31, 2014, National Benefit Services, LLC performed an Actual Deferral Percentage and an Actual Contribution Percentage Test. As a result of these tests, the Plan was required to return $4,063 in excess contributions and earnings to certain participants.

NOTE 6 TAX STATUS

The Plan is designed to be a qualified trust under Section 401(a) of the Internal Revenue Code ("IRC"), which provides that a qualified trust is exempt from federal income taxes. The Plan is required to operate in accordance with the Plan Agreement and the applicable federal laws in order to maintain its qualification. The prototype plan received a favorable opinion letter dated March 31, 2014, stating that the Plan is a qualified plan under the applicable section of the IRC. Although the Plan has been amended and restated since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan Sponsor is not aware of any action or event that has occurred that might affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participant account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
