Report on the Financial Statements

We were engaged to audit the accompanying financial statements of CPE HR Multiple Employer 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Transamerica Life Insurance Company (Transamerica), the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2015 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by other auditors who have ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Transamerica, the custodian of the Plan. Their report, dated October 9, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Adoption of the New Accounting Guidance

As discussed in Note 2 to the financial statements, in 2015, the Plan adopted new accounting guidance: Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, and FASB ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. The provisions of ASU 2015-07 and ASU 2015-12 are required to be applied retroactively. As part of our audit of the 2015 financial statements, we also audited the retroactive application of the new guidance to the 2014 financial statements. In our opinion, the provisions of the new authoritative guidance have been properly applied. We were not engaged to audit, review, or apply any procedures to the 2014 financial statements of the Plan other than with respect to the retroactive application of the new guidance and, accordingly, we do not express an opinion or any other form of assurance on the 2014 financial statements as a whole.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CPE HR MULTIPLE EMPLOYER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the CPE HR Multiple Employer 401(k) Plan (the Plan) provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (the Plan Agreement) and the individual employer adoption and acceptance agreements (the Adoption Agreements).

General

The Plan is a multiple employer defined contribution plan administered by CPE HR, Inc. for the benefit of the employees of the participating employers (the Participating Employers) that are covered by the agreements between the Participating Employers and CPE HR, Inc., as defined by the Plan Agreement. Each employer participating in the Plan signs an individual Adoption Agreement.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and the Internal Revenue Code (IRC).

The Plan was amended at various dates through December 31, 2015 to comply with applicable laws and regulations.

Contributions

Employees are eligible to participate in the Plan after meeting age and service requirements of the individual Adoption Agreements. Participants may elect to defer their compensation as employee savings contribution, subject to respective Adoption Agreements and the IRC limitations. Plan participants over age 50 may defer catch-up contributions, subject to the IRC limitations. Participants may also contribute rollovers representing distributions from other qualified plans into the Plan.

Participating Employers may make contributions to the Plan on behalf of eligible participants in accordance with the individual Adoption Agreements. Net Participating Employers' contributions to the Plan for the year ended December 31, 2015 amounted to $868,676.

Participants direct the investment of their contributions and their share of their employer's contribution into various investment options offered by the Plan. The Plan currently offers pooled separate accounts and a stable value fund as investment options for participants.

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Employer contributions allocated to participants' accounts vest based upon years of continuous service as defined by the Plan Agreement and the respective Adoption Agreements.

NOTE 1 - DESCRIPTION OF PLAN – CONTINUED

Plan Administration

The Plan's assets are held by Transamerica, the custodian of the Plan, which invests cash received, interest, and dividend income and makes distributions to participants. Transamerica also administers the payment of interest and principal on the notes receivable from participants, which are reimbursed to Transamerica through payroll deductions, as determined by the Plan Agreement and respective Adoption Agreements.

Participant Accounts

Separate accounts are maintained for each participant and are adjusted to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses.

Notes Receivable from Participants

Participants are permitted to borrow from their fund accounts as defined by the Adoption Agreements, subject to certain limitations. All notes receivable are adequately secured by the participant's account balance, bear interest as defined by the Adoption Agreements, and generally repaid on an installment basis through payroll deductions over a period not to exceed five years, except when borrowed funds are used to acquire a principal residence.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, the participant or participant's beneficiary will receive a lump-sum payment if the vested account balance is $5,000 or less. If the vested account balance exceeds $5,000, the participant may elect to receive equal installment payments. The Plan's normal retirement age is defined by the Plan Agreement and the Adoption Agreements.

Forfeitures

Forfeitures of the unvested balance of terminated participants' accounts are used to pay Plan expenses and/or reduce contributions by the Participating Employers. Forfeitures used to reduce Participating Employers' plan expenses and contributions amounted to $19,684 and $44,803, respectively, during the year ended December 31, 2015. As of December 31, 2015 and 2014, unallocated forfeitures amounted to $84,515 and $123,300, respectively.

Administrative Expenses

All reasonable expenses related to Plan administration are paid from the Plan assets, except to the extent the expenses are paid by CPE HR, Inc.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Recently Adopted Accounting Guidance

In May 2015, FASB issued ASU 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*, which exempts investments measured using the net asset value (NAV) practical expedient in Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, from categorization within the fair value hierarchy. The guidance is effective for the Plan for fiscal years beginning after December 15, 2016. Early adoption is permitted. The Plan elected to early adopt ASU 2015-07, as permitted, and has applied ASU 2015-07 retrospectively, as required. The adoption has been reflected in Note 6 to the financial statements. The adoption had no impact on the statements of net assets available for benefits as of December 31, 2015 and 2014 or the statement of changes in net assets available for benefits for the year ended December 31, 2015.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient.* Part I of ASU 2015-12 eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II of ASU 2015-12 eliminates the requirements to disclose individual investments that represent five percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. It also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III of ASU 2015-12 is not applicable to the Plan. ASU 2015-12 is effective for fiscal years beginning after December 15, 2015. Parts I and II are to be applied retrospectively. The Plan has elected to adopt Parts I and II early and, accordingly, the presentation of the financial statements and notes herein have been changed to reflect such adoption.

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America (GAAP).

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements, and the reported amounts of additions and deductions during the reporting periods. The most important of these estimates and assumptions relate to fair value measurements of the Plan's investments. These and other estimates and assumptions are based on the best available information but actual results could be materially different from those estimates.

Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Valuation of Investments

With the exception of stable value fund, investments held by the Plan are stated at fair value.

The Plan assets invested in pooled separate accounts are valued at the NAV of the shares held by the Plan at year end, which is determined based on the fair value of the underlying investments (cash and cash equivalents, stocks, bonds).

The Plan's investment in stable value fund, which is considered to be fully benefit-responsive, is required to be reported at contract value because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less plan withdrawals and administrative expenses.

Stable Value Fund

The Plan has entered into a traditional group annuity contract with Transamerica through the Stable Value Fund. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balances at contract value. Thus, the investment contract is considered fully benefit-responsive, as defined by GAAP.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Stable Value Fund – Continued

Transamerica maintains the contributions and invests them in Transamerica's general account. This investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and with no set maturity. The effective credited interest rate is set monthly and effective on the first day of the month. Contract charges may reduce this return. There are no reserves against contract value for credit risk of Transamerica or otherwise.

During the years ended December 31, 2015 and 2014, crediting interest rates for the Stable Value Fund were as follows:

	2015	2014
Minimum Rate	1.25%	1.35%
Average Rate	1.30%	1.35%
Closing Rate	1.25%	1.35%

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect Transamerica's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract requirements, (5) failure to provide information, (6) the sum of the contract account values at any time equals $20,000 or less, or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned.

Recognition of Income

Sales and purchases are accounted for on a trade date basis, and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Recognition of Income - Continued

Net change in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year. During 2015, the Plan's investments (including interest, dividends, and gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $543,009.

Payment of Benefits

Benefit payments to participants are recorded when paid. The amounts allocated to accounts of participants who have terminated from participation in the earnings and operations of the Plan as a component of net assets available for benefits as of December 31, 2015 amounted to $4,037. No amounts were allocated to accounts of participants who have terminated from participation in the earnings and operations of the Plan as a component of net assets available for benefits as of December 31, 2014.

Subsequent Events

In accordance with GAAP, events occurring between December 31, 2015 and September 21, 2016 (the date these financial statements were available to be issued) were evaluated, and no material subsequent events that required recognition in these financial statements were noted.

NOTE 3 - INCOME TAX STATUS

CPE HR, Inc. has adopted a volume submitter plan with cash or deferral arrangement that received a favorable opinion letter from the Internal Revenue Service (IRS), stating that the form of the underlying volume submitter document is qualified under Section 401 of the IRC, and that any employer adopting this form of the plan is considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The plan administrator believes that the Plan operates in accordance with applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

In accordance with GAAP, the Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2015, there were no uncertain positions taken or expected to be taken. As a result, the Plan has recognized no interest or penalties related to uncertain tax positions.

NOTE 3 - INCOME TAX STATUS – CONTINUED

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, CPE HR, Inc. has the right under the Plan to amend or terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested for any portion of their accounts not fully vested previously.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian of the Plan has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2015 and 2014, and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2015, and the related investment activity reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2015.

NOTE 6 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date (an exit price). The fair value hierarchy prioritized the inputs to valuation techniques used to measure fair value into three levels, with the highest priority given to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority given to unobservable inputs (Level 3). The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Since fair value of pooled separate accounts is measured using the NAV per share as practical expedient, in accordance with ASU 2015-07, these investments are not required to be categorized within the fair value hierarchy.

NOTE 7 - PARTY-IN-INTEREST

Plan investments are managed by Transamerica, the custodian, as defined by the Plan. Therefore, these transactions qualify as party-in-interest and are denoted as such on the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year). However, these party-in-interest transactions are exempt pursuant to ERISA regulations.

NOTE 8 - TRANSFER OF ASSETS

During the year ended December 31, 2015, as a result of changes in Participating Employers' base, net assets amounting to $4,928,587 were transferred from the Plan. The transferred net assets have been recognized at the balances as carried in the accounts of their respective previous plans.

NOTE 9 - CORRECTIVE DISTRIBUTIONS

The Plan failed to pass certain required nondiscrimination tests for the 2015 and 2014 Plan years. In order to correct these testing failures, federal law generally requires that corrective action be completed no later than the end of the following year to avoid Plan disqualification. The corrective distributions payable of $463,188 and $436,705 as of December 31, 2015 and 2014, respectively, were paid subsequent to the year ends.

Considering the remedial actions taken pursuant to the provisions of the Plan document, management believes that the failed nondiscrimination testing will not affect the tax-exempt status of the Plan.
