Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Eliza Jennings Senior Care Network Retirement Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Bases for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Bases for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Voya Retirement Insurance and Annuity Company ("Voya"), the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the Custodian as of December 31, 2015 and 2014, and for the years then ended, that the information provided to the plan administrator by the Custodian is complete and accurate.

In addition, because of inadequacies in the Plan's records for the periods prior to January 1, 2009, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2015 and 2014, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the years then ended.

Disclaimer of Opinion

Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2015 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of The Eliza Jennings Senior Care Network Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of The Eliza Jennings Senior Care Network (the "Organization") except for the following: independent contractors, employees whose employment is governed by the terms of a collective bargaining agreement unless such agreement expressly provides for coverage in this Plan, or employees who participated in The Eliza Jennings Home Defined Benefit Plan. Effective July 1, 2016, the Plan was amended to allow employees who participate in The Eliza Jennings Home Defined Benefit Plan to immediately enter into the Plan. Employees are eligible to make elective deferrals on their first day of employment. Employees are eligible to receive non-elective contributions from the Organization after one year of service has been completed and they have attained age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions:

Each year, participants may make contributions in 1% increments up to a maximum of 50% of eligible compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for a discretionary match and the Organization may also make an additional discretionary non-elective contribution. The Organization made no contributions for the years ended December 31, 2015 and 2014.

Participant Accounts:

Each participant's account is credited with the participant's contribution and Organization contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants have a 100% non-forfeitable vested interest in their contributions and earnings thereon. Vesting in the Organization's contributions is based on years of continuous full-time service as follows:

<u>Time of Service</u>	<u>Vesting</u>
0 - 2 years	0%
3+ years	100%

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Notes Receivable From Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loans bear interest at rates that range from 3.84% to 4.49%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid at least quarterly under a level amortization schedule.

Payment of Benefits:

Upon termination, death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the vested interest in his or her account, or annual installments over a specified term.

Withdrawals:

Active participants who have attained the age of 59½ may withdraw all or part of their account. Participants under the age of 59½ may withdraw all or part of their tax-deferred contributions only for reasons that qualify as a financial hardship, as defined under federal law.

Forfeitures:

At December 31, 2015 and 2014, forfeited nonvested accounts totaled \$16,357 and \$6,907, respectively. These accounts will be used to reduce future employer contributions or administrative expenses. In 2015 and 2014, employer contributions and administrative expenses were reduced by \$195 and \$53,458, respectively, from forfeited nonvested accounts.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Accounting – The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Organization has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

A. Basis of Accounting (Continued)

In July 2015, the FASB issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965)*. The Plan elected early adoption of this pronouncement, which changed certain investment disclosure requirements. As such, the Plan is no longer required to (1) disclose individual investments that represent 5% or more of net assets available for benefits; (2) disclose the net appreciation or depreciation for investments by general type; (3) disclose the fair value and average yields of investments in fully benefit-responsive investment contracts which are only required to be reported at contract value; or (4) disaggregate investments by anything other than general type within the fair value hierarchy. These changes have been applied retrospectively to the financial statements.

- B. Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

- C. Investment Valuation and Income Recognition** – Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisor and Voya Retirement Insurance and Annuity Company (the "Custodian"). See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- D. Notes Receivable From Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 or 2014. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

- E. Payment of Benefits** – Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

- F. Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid directly to participants are charged directly to the affected participant's account and are included in administrative expenses. Investment related expenses are included in net (depreciation) appreciation in fair value of pooled separate accounts.
- G. Reclassification – Certain prior year amounts have been reclassified to conform with current year presentation.
- H. Subsequent Events – The Plan has evaluated subsequent events through September 29, 2016, which is the date the financial statements were available to be issued.

Note 3. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2015 and 2014, the supplemental schedule of assets (held at end of year) at December 31, 2015, the related investment activity and loan interest activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2015 and 2014, and investment information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities.
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3 – Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- The fair value of investments held in the pooled separate accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs, the market value of the underlying investments, and is classified as Level 2.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodologies used from 2014 to 2015. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets at fair value at December 31, 2015 and 2014:

	Assets at Fair Value as of December 31, 2015			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$2,551,034	\$ -	\$2,551,034

	Assets at Fair Value as of December 31, 2014			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$3,005,236	\$ -	\$3,005,236

Note 5. Guaranteed Insurance Contracts

The Plan entered into fully benefit-responsive guaranteed insurance contracts with Voya. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed insurance contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed at least annually for resetting. The guaranteed insurance contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

THE ELIZA JENNINGS SENIOR CARE NETWORK RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 6. Party-in-Interest Transactions

Certain plan investments are managed by Voya. The Plan also pays Voya for administrative services. Voya is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Voya amount to \$1,750 and \$1,865 for the years ended December 31, 2015 and 2014, respectively.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8. Income Tax Status

Although the Internal Revenue Service has yet to establish a process through which the plan administrator could apply and request a determination as to the tax qualified status of the Plan, the plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements. As of December 31, 2015, the Plan's tax years from 2012 and thereafter remain subject to examination by the Internal Revenue Service, as well as other applicable taxing authorities.

Note 9. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
