Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. NOTE 1 - Description of Plan:

The following description of the Adjuster's International, Inc. ("the Company") 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. General - The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Eligibility - Employees become eligible for participation after attaining age twenty one (21) and completing six months of service.

C. Contributions - Participants may contribute up to 95% of their compensation not to exceed $18,000 for 2015. Participants age 50 or older may contribute additional "catch-up" contributions of up to $6,000. The Company may make a matching contribution and/or a profit sharing contribution. Those contributions are determined annually. In 2015 and 2014, the Company match was 50% of the first 6% of an employee's deferral (maximum 3% match) and a profit sharing contribution of 2% of eligible compensation. The matching contributions were approximately $115,000 and $135,000 and the profit sharing contributions were approximately $135,000 and $155,000 in 2015 and 2014, respectively.

Forfeitures of non-vested amounts are used to reduce future Company contributions. Forfeitures in 2015 and 2014 were approximately $15,000 and $10,000, respectively.

D. Participant Accounts - Individual accounts are maintained for each participant. Each participant's account is credited with their contributions, their share of Company contributions and the earnings thereon. Participants direct investment of their account into various mutual funds selected by the Plan's administrator.

E. Vesting - Participants are immediately 100% vested in their contributions and earnings thereon. Company matching and profit-sharing contributions and earnings thereon are vested 20% per year starting after the employee completes two years of service and become 100% vested after six years of service (six year graded schedule). A participant's account balance also becomes 100% vested upon reaching normal retirement age, or in the event of death or disability while employed by the Company.

NOTE 1 - Description of Plan (Continued):

E. Vesting (Continued)

Years of Service	Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

F. Payment of Benefits - On termination of service due to death, disability or retirement, a participant (or their beneficiary) will receive an amount equal to the total vested account value in a lump-sum payment.

G. Withdrawals

The Plan allows for hardship withdrawals for uninsured medical expenses, tuition payments, purchase of a primary residence, prevention of eviction or foreclosure on a primary residence, expenses to repair damage to a principal residence that would qualify as a casualty loss, and payment for funeral or burial expenses of a parent, spouse, child or dependent. The Plan also allows for in-service withdrawals to participants who have attained age 59 1/2.

H. Participant Loans

Participants may borrow a minimum of $1,000 up to a maximum of 50% of their vested accounts (not to exceed $50,000) for certain expenses. Repayments are over a period not to exceed 60 months, unless the loan is to be used to acquire a principal residence, in which case the loan is to be repaid within 15 years. Interest is fixed at the prime rate as of the preceding calendar quarter plus 1%. The maximum number of loans outstanding per participant is two.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make certain estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

C. Loans Receivable from Participants

Loans to participants are reported at the unpaid principal balance plus any accrued interest.

D. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. (See Note 3)

Changes in value (unrealized gains and losses) are included in the Statement of Change in Net Assets. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

E. Payments of Benefits

Benefits are recorded upon payment.

F. Subsequent Events

The Plan did not have any subsequent events through October 4, 2016 (the date the financial statements were available to be issued) requiring recording or disclosure in the financial statements for the year ended December 31, 2015.

NOTE 3 - Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

- Level 2 inputs consist of observable inputs other than quoted prices for the identical assets.

- Level 3 inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan uses valuation techniques based on the available inputs to measure Fair Value of its investments. When available, the Plan measures Fair Value using Level 1 inputs because they generally provide the most reliable evidence of Fair Value. No Level 2 or Level 3 inputs were used by the Plan.

NOTE 3 - Fair Value Measurement (Continued):

Level 1 - Fair Value Measurement

The Fair Value of Mutual Funds are based on quoted net asset values of the shares held by the Plan at year-end.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit and are summarized below.

December 31, 2015	
Mutual Funds	$5,669,957
