PASTORAL COUNSELING SERVICE OF SUMMIT COUNTY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2015 AND 2014

1. Description of Plan:

General:

The following brief description of Pastoral Counseling Service of Summit County, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan sponsor adopted the 401(k) effective January 1, 2014. The Plan is a defined contribution plan covering all full-time employees of Pastoral Counseling Service of Summit County, Inc. (the "Company") who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Prior to January 1, 2014, the Plan sponsor had a 403(b) plan in effect for eligible employees. The Plan sponsor elected to terminate the 403(b) plan effective December 31, 2013. The participants had the ability to rollover their 403(b) plan balances into the 401(k) plan or into another qualified plan or IRA, or take a taxable distribution.

Contributions:

The Plan provides for pre-tax or post-tax employee salary deferral contributions (effective February 17, 2014) up to a maximum of 100% of the annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The post-tax contributions by participants are Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan provides for discretionary employer matching contributions as well as discretionary profit sharing contributions. Discretionary contributions are determined by the Company's finance committee and approved by the Board of Trustees. The company matching discretionary contribution rate authorized by the Company's Board of Trustees was 2% of compensation deferred and totaled \$81,534 (\$83,800 less \$2,266 of forfeitures) for 2015 and \$77,286 for 2014. The Company did not make a discretionary contribution in 2015. The Company made a discretionary contribution of \$114,615 in 2014.

Other contributions of \$24,957 made during 2014 are surrender charges paid by the 403(b) participants who made rollover contributions from the 403(b) plan into the 401(k) Plan during 2015. These expenses were agreed to be reimbursed to the participants by Mutual of Omaha.

Vesting:

Participants are 100% vested immediately with respect to their compensation deferrals, employer matching contributions and employer discretionary profit sharing contributions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2015 AND 2014

1. Description of Plan (continued):

Other:

Income is allocated to participant accounts based on earnings in the respective investment accounts.

Payment of benefits:

Participants may elect to withdraw all or a specified portion of their vested balances prior to their termination of employment subject to certain restrictions under the Plan. If participants suffer serious financial hardship, as defined by the Plan, they may withdraw any portion of their vested account in order to meet their financial needs. Participants may withdraw from their account when reaching the normal retirement age of 65. All accounts are subject to distribution upon the participant's termination, retirement, total disability or death.

On termination of service, participants may elect to receive a lump sum amount equal to the vested value of their account.

Investment options:

Upon enrollment in the Plan, a participant may direct employee contributions, including the employer's portion into a number of investment options. Participants may change their investment elections daily.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared on the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Investment valuation and income recognition:

At December 31, 2015 and 2014, the Plan maintained investments with Mutual of Omaha in pooled separate accounts. The pooled separate accounts are an insurance company's separate account maintained by the insurance company that invests in the underlying mutual funds.

Investment valuation and income recognition (continued):

The Plan's investments are recorded at fair value, which is based on the net asset value of the fund, as provided by Mutual of Omaha at December 31, 2015 and 2014.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were provided by Mutual of Omaha for the years ended December 31, 2015 and 2014.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements (Note 6). Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net increase (decrease) in fair value of investments.

Adoption of new accounting standard:

During 2015, the Plan adopted a new accounting standard related to the investment disclosures that are part of the amendments of Accounting Standards Update (ASU) No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans* (Topic 960), *Defined Contribution Pension Plan* (Topic 962), *Health and Welfare Benefit Plans* (Topic 965).

The investment disclosures were previously required to include 1) the disaggregation of the fair value of investments by type and class, 2) investment appreciation (depreciation) in fair value by general type, and 3) individual investments with a value equal to or greater than 5% of net assets available for benefits. Due to this change in accounting standard being required to be implemented retrospectively, effective January 1, 2014, the footnotes no longer include the above investment disclosures.

3. Investments:

The following table represents the fair value of investments at December 31, 2015 and 2014. All investments are participant directed at December 31, 2015 and 2014.

	<u>2015</u>	<u>2014</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at fair value on a recurring basis at December 31, 2015 and 2014 were as follows:

	<u>2015</u>	<u>2014</u>
	<u>Level 1</u>	<u>Level 1</u>
Pooled separate accounts	<u>\$ 836,630</u>	<u>\$ 787,386</u>

Fair value for pooled separate accounts are estimated based upon the quoted market prices of the securities included in the underlying funds, which includes a mix of mutual funds. These assets are valued at the net asset of units held by the Plan at year end.

6. Administrative expenses:

A majority of the administrative expenses of the Plan are paid by the Plan's sponsor. Certain administrative functions are performed by employees of the Company. Neither any such employee, nor the Company, receives compensation from the Plan for these functions.

7. Party-in-interest transactions:

The Plan's investments are managed by affiliates of Mutual of Omaha. Mutual of Omaha is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

8. Information certified by trustee:

Management of the Plan has engaged Mutual of Omaha as the custodian for the Plan. The financial information included in the Plan's financial statements, except for the contributions receivable, have been derived from information certified as complete and accurate by the custodian, in accordance with Section 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

9. Income tax status:

The Internal Revenue Service has determined that the prototype plan under which Pastoral Counseling Services of Summit County, Inc. 401(k) Plan is organized is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. Plan termination:

The Company expects to continue the Plan but reserves the right at any time and within its sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
