NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Kaplan, Inc. Tax Deferred Savings Plan for Salaried Employees (the Plan) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

General

The Plan is a defined contribution plan permitting eligible salaried employees of Kaplan, Inc. and its subsidiaries (collectively, the Company) to participate upon hire. The Company is a subsidiary of Graham Holdings Company. Eligible employees must affirmatively elect to participate in the Plan. Eligible employees who have completed 1,000 or more hours of service in a period of twelve consecutive months (Eligibility Year of Service) are eligible to receive a Company Matching Contribution.

The Plan is administered by a Savings Plan Committee (the Plan Administrator), whose members are appointed by Graham Holdings Company's Board of Directors. Vanguard Fiduciary Trust Company (VFTC) is the Plan's Trustee.

During 2015 and 2014, the Plan's Administrator adopted amendments to the Plan, which are not expected to affect the Plan's qualified status under ERISA. Substantially all of these amendments and the restatement of the basic Plan provisions became effective in either 2015 or 2014.

On July 1, 2015, Graham Holdings Company completed the spin-off of Cable ONE, Inc. (Cable ONE). On that date, one share of Cable ONE common stock was issued for every share of Class A and Class B common stock of Graham Holdings outstanding on the June 15, 2015, record date. As a result of this transaction, the Cable ONE Company Stock fund was created and added to the Plan's investment line up. The value of the Graham Holdings Company Stock Fund was divided between the Graham Holdings Company Stock Fund and the Cable ONE Company Stock Fund. Participants invested in the Graham Holdings Company Stock Fund in the Plan received a corresponding investment in the Cable ONE Company Stock Fund in the Plan. While the Cable ONE Company Stock Fund was added to the Plan's fund line up, it will not be available for future contributions.

On September 3, 2015, Kaplan completed the sale of substantially all of the assets of its Kaplan Higher Education Campuses (KHEC) business, consisting of 38 nationally accredited ground campuses and certain related assets, to Education Corporation of America (ECA) in exchange for a preferred equity interest in ECA.

All investments are participant directed. Employee contributions may be directed to any of the investment options except the Graham Holdings Company Stock Fund. Only employer

contributions may be invested in the Graham Holdings Company Stock Fund. The Cable ONE Company Stock Fund is excluded for both employee and employer contributions.

In addition, contributions to the Berkshire Hathaway Stock Fund may not exceed 25% of a participant's own contributions or 25% of the employer contributions to a participant's account. Exchanges into the Berkshire Hathaway Stock Fund from any other fund(s) may be made only if the resulting investment in the Berkshire Hathaway Stock Fund immediately following the exchange is no more than 25% of the participant's total account balance.

Contributions

Each year, participants may contribute a percentage of pre-tax annual eligible compensation to the Plan at rates specified in the Plan. The total pre-tax contribution, however, is subject to dollar limitations set forth by the Internal Revenue Code ($18,000 in 2015 and $17,500 in 2014). Participants may also contribute a percentage of after-tax annual eligible compensation to the Plan at rates established by the Plan Administrator. Eligible participants in the Plan receive Company Matching Contributions equal to 100% of their pre-tax and after-tax contributions up to 1% of their base salary, which does not apply to employees covered under a collectively bargained unit. Additionally, the Company may at its discretion contribute a supplemental contribution to the Plan. Contributions are remitted to a trust that is administered by VFTC.

Participant Accounts

Each participant's account is credited with his/her contributions, the Company contributions, if any, and an allocation of the investment earnings (losses). Allocations are based on participant earnings or account balances, as defined.

Notes Receivable from Participants

The Plan does not permit participants to borrow from their accounts; therefore, loans are not granted. On occasion as a result of a plan merger or rollovers received, participant loans are transferred to the Plan and are administered in accordance with their terms.

Vesting

Upon enrollment in the Plan, participants are fully vested at all times in all amounts held in their accounts.

Plan Expenses

The Company pays for some of the Plan's administrative expenses.

NOTES TO FINANCIAL STATEMENTS

Payment of Benefits

A participant may withdraw at any time employee contributions that do not qualify for tax deferred treatment. Employee tax deferred contributions and certain related earnings may be withdrawn if a participant is suffering a serious financial hardship and other sources of funds are not available to the participant. Upon attainment of age 59½, a participant may withdraw his/her full account. There is no limit to the number of non-hardship withdrawals permitted during the Plan Year.

Accounts of terminated participants may be retained in the Plan until the participant reaches age 65. At age 65, the full account balance must be distributed. The terminated participant may request at any time prior to age 65 to receive a distribution of the total amount in his/her account. If a terminated participant with a deferred account dies prior to receiving the full value of the account, the account balance will be paid to the participant's beneficiary. Account balances of $5,000 or less may not be deferred and are subject to automatic rollover/automatic cash out.

Upon termination of employment of a participant, the total value of a participant's account is payable in a lump sum.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time by action of the Board of Directors subject to the provisions of ERISA. In the event of plan termination, participants would receive the value of their accounts.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

The following accounting policies, which conform with accounting principles generally accepted in the United States of America, have been used consistently in the preparation of the Plan's financial statements:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. The Graham Holdings Company Stock Fund, Cable One Company Stock Fund and the Berkshire Hathaway Stock Fund are valued at their year-end unit closing price (comprised of common stock at the year-end market price, plus an uninvested cash portion).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

The Plan presents in the Statements of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of the investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

The Plan has performed an evaluation of subsequent events through October 7, 2016, which is the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and footnotes.

Recent Accounting Pronouncements

In July 2015, the Financial Accounting Standards Board (FASB) issued ASU No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient, which is part of the FASB's Simplification Initiative

for employee benefit plans. Part I of the ASU designates contract value as the only required measure for fully benefit-responsive investment contracts. Part II of the ASU removes the requirement to disclose individual investments that represent 5 percent or more of net assets available for benefits, removes the requirement to disclose the net appreciation or depreciation for investments by general type, and removes the requirement to disclose investments by class of investments in the fair value table prescribed by FASB ASC 820, Fair Value Measurement. Part III allows for certain amounts to be reported as of the month end date prior to the plan's year end for those year ends that do not fall on a month end. The ASU is effective for all entities for fiscal years beginning after December 15, 2015. Early adoption is permitted for all entities. In 2015, the Plan early adopted the provisions of this ASU, as such, (i) Part I was not applicable to the Plan, (ii) the disclosures in Part II for the individual investments that represents 5 percent or more of net assets available for benefits, the net appreciation or depreciation for investments by general type and investment by class of investments in the fair value table have been eliminated and (iii) Part III was not applicable to the Plan.

NOTE 3 – RELATED-PARTY TRANSACTIONS

The Plan's investments include shares of registered investment companies (mutual funds) managed by The Vanguard Group, Inc. Due to the relationship between VFTC as Plan Trustee and The Vanguard Group, Inc., investment transactions in registered investment companies managed by The Vanguard Group, Inc. qualify as party-in-interest transactions. Investments of the Plan in the Vanguard registered investment companies are exempt from the prohibited transaction rules of ERISA pursuant to a class exemption issued by the U.S. Department of Labor. In addition, the fees associated with the management of these registered investment companies by The Vanguard Group, Inc. are included in net appreciation in fair value of investments.

The Plan's investments include shares of the common stock of Graham Holdings Company and Berkshire Hathaway, Inc. (Berkshire). Prior to June 30, 2014, Berkshire owned approximately 23% of the common stock of Graham Holdings Company. Graham Holdings Company and Berkshire Hathaway, Inc. therefore qualify as parties-in-interest. Because of the manner in which such transactions are effected, the Plan Administrator believes that investment transactions by the Plan in the stock of Berkshire and in the stock of Graham Holdings Company are not prohibited transactions.

On June 30, 2014, Graham Holdings Company completed an exchange agreement with Berkshire Hathaway, Inc. that resulted in the exchange of approximately 1.6 million Class B shares of Graham Holdings Company held by Berkshire for (i) WPLG, a subsidiary of the Company, (ii) a number of Berkshire Class A and B shares held by Graham Holdings Company, and (iii) an amount of cash. Berkshire no longer qualifies as a party-in-interest.

NOTE 4 – TAX STATUS

On November 16, 2011, the Internal Revenue Service made a favorable determination that the Kaplan, Inc. Tax Deferred Savings Plan, as then designed, was qualified under IRC Section 401(a). Such determination letter did not involve a review of the effect on the Plan of certain amendments adopted in 2014 and 2015. On December 15, 2015, the Plan submitted an application for a new determination. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator has concluded that as of December 31, 2015, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits for tax returns by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, VFTC, the Plan Trustee, has certified the following information, which has not been subject to audit by independent auditors, to be accurate and complete:

- Investment balances included in the Statements of Net Assets Available for Benefits as of December 31, 2015 and 2014 and the accompanying notes.
- Interest and dividend income and net appreciation or depreciation in fair value of investments for the years ended December 31, 2015 and 2014.
- Investment balances included in the accompanying Schedule of Assets (Held at End of Year).

NOTE 6 – FAIR VALUE MEASUREMENTS

A fair value measurement is determined based on the assumptions that a market participant would use in pricing an asset or liability, based on a three-tiered hierarchy that draws a distinction between market participant assumptions based on (i) observable inputs, such as quoted prices in active markets (Level 1); (ii) inputs other than quoted prices in active markets that are observable either directly or indirectly (Level 2); and (iii) unobservable inputs that require the Plan to use present value and other valuation techniques in the determination of fair value (Level 3). Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measure. The Plan's assessment of the significance of a particular input to fair value measurements requires judgment and may affect the valuation of the assets and liabilities being measured and their placement within the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS

The Plan's financial assets measured at fair value on a recurring basis as of December 31, 2015 and 2014, were as follows:

	Fair Value Measurement			
	Fair Value at December 31, 2015	Quoted Prices in Active Markets for Identical Items (Level 1)	Fair Value at December 31, 2014	Quoted Prices in Active Markets for Identical Items (Level 1)

Total financial assets	$ 197,460,758	$ 197,460,758	$ 209,761,800	$ 209,761,800
