SWAGGART BROTHERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Plan Description

The following description of Swaggart Brothers 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan, as amended, or summary Plan description for a more complete description of the Plan's provisions.

General – The Plan is a 401(k) salary deferral and profit sharing plan covering all eligible employees of Swaggart Brothers, Inc. (Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan's trustee and record keeper responsibilities are performed by John Hancock and third party administrative duties are performed by Randall & Hurley. The Company's human resources and payroll departments manage day-to-day operations of the Plan.

Eligibility – Employees of the Company are eligible to participate in the Plan upon reaching the age of 21 and after completing three months of service. Excluded employees not eligible for participation in the Plan include union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, certain nonresident aliens who have no earned income from sources within the United States, and leased employees.

Contributions

Participant contributions – Participants may elect to contribute up to 100% of eligible pre-tax compensation to the Plan each year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer safe harbor – The Plan is a safe harbor 401(k) plan. To maintain safe harbor status the Company makes a safe harbor matching contribution equal to 100% of employee contributions, up to 4% of eligible compensation deferred to the Plan.

Employer match and profit sharing contributions – The Company may elect to make discretionary matching and profit sharing contributions. A participant must work 1,000 hours and be employed on the last day of the Plan year to be eligible to receive a profit sharing contribution. There were no discretionary matching or profit sharing contributions made during 2015. In addition, employees who work on certain federal or state funded projects are eligible to receive an additional contribution, which is regulated under the terms of the Davis Bacon Act of 1935 (Davis Bacon).

Contributions are subject to regulatory limitations.

SWAGGART BROTHERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Plan Description (continued)

Participants' accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with any fees directly incurred by the participant. Participants may direct the investment of their account balances into various investment options offered by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their salary deferrals, safe harbor match, and prevailing wage (Davis Bacon) contributions plus actual earnings thereon. Vesting in discretionary Company contributions is based on years of service starting with 20% vesting at 2 years of service and increases in increments of 20% per year until fully vested after six years. Participants are fully vested in Company contributions on or after normal retirement age or upon death or disability.

Payment of benefits – Upon death, disability, or retirement, a participant or the participant's beneficiary is entitled to receive 100% of the participant's account balance. Normal retirement age is 65; however, participants are allowed in-service withdrawal at age 59½. If a participant is terminated for a reason other than retirement, death, or total and permanent disability prior to 100% vesting, the participant retains only the vested portion of their account balance. Benefits are paid as lump-sum or installment payments, either in cash or as a direct rollover to a qualified plan or individual retirement account.

Forfeitures – Forfeitures are the nonvested portion of a participant's account lost upon termination of employment. Forfeitures are retained in the Plan and are used to pay Plan expenses and reduce future Company contributions. As of December 31, 2015, there was no balance in the unused forfeited nonvested accounts and no forfeitures were used to pay Plan expenses in 2015.

Note 2 – Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Administrative expenses – Administrative expenses related to operating and maintaining the Plan are paid by the Company. Certain investment and transaction fees are paid by participants in the Plan.

SWAGGART BROTHERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 – Significant Accounting Policies (continued)

Recent accounting pronouncements – In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*.

The amendment removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient (NAV practical expedient). The Plan has adopted ASU 2015-07 for the December 31, 2015, Plan year end; however, the retrospective approach requires that an investment for which fair value is measured using a NAV practical expedient be removed from the fair value hierarchy in all periods presented in the financial statements. Accordingly, the fair value hierarchy disclosures previously included in the footnotes are no longer required.

In July 2015, FASB issued ASU 2015-12, *Plan Accounting: Defined Contribution Pension Plans (Topic 962) II. Plan Investment Disclosures, and III. Measurement Date Practical Expedient*. The amendment removes the requirement to disclose:

- Individual investments held that exceed 5% of net assets available for benefits.
- Net depreciation in fair value of investments by type of investment held.
- Investment strategy for investments for which fair value is measured using the NAV practical expedient, if they are Form 5500 Direct Filing Entities.

ASU 2015-12 has been adopted for the December 31, 2015, Plan year end; however, the retrospective approach requires the above items, applicable to the prior year, be presented in accordance with ASU 2015-12 as well.

Investment valuation – The investments are reported at fair value. The Plan's trustee, John Hancock Life Insurance Company, certifies the fair market value of all investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (exit price) in an orderly transaction between market participants at the measurement date.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net depreciation in fair value of investments consists of both the realized gains or losses and unrealized depreciation of those investments.

Payment of benefits – Benefits are recorded when paid.

SWAGGART BROTHERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 – Significant Accounting Policies (continued)

Subsequent events – Subsequent events are events or transactions that occur after the statements of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of net assets available for benefits but arose after the statements of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through September 23, 2016, which is the date the financial statements were available to be issued. See Note 9 for discussion of subsequent events.

Note 3 – Investments

Pooled separate accounts – Units held in pooled separate accounts (PSAs) are valued using the NAV practical expedient of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding.

The Plan invests in the various target retirement date funds. These funds invest substantially all of their assets in underlying funds using an asset allocation strategy designed for investors expected to retire in the target year of each respective fund.

Total investments held in pooled separate accounts were \$1,832,030 and \$1,772,881 as of December 31, 2015 and 2014, respectively.

SWAGGART BROTHERS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4 – Information Certified by the Plan’s Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the trustee of the Plan, has certified to the completeness and accuracy of:

- Pooled separate accounts reflected on the accompanying statement of net assets available for benefits as of December 31, 2015 and 2014.
- Net depreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2015.
- Investments reflected on the supplementary schedule of assets (held at end of year).

Note 5 – Party in Interest Transactions

Plan investments include units of pooled separate accounts managed by John Hancock. John Hancock Life Insurance Company, an affiliate of John Hancock, is the trustee of the Plan and, and therefore, transactions with these entities qualify as exempt party in interest transactions.

Note 6 – Tax Status

The Plan document is a volume submitter defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on March 31, 2014, which stated the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, management has evaluated the Plan’s tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant’s account balance and the amounts reported in the financial statements.

NOTES TO FINANCIAL STATEMENTS

Note 8 – Plan Termination

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

Note 9 – Subsequent Event

The Plan was frozen so that contributions were permanently ceased and no employees would become eligible to participate in the Plan after December 31, 2015. Employees became eligible to participate in the Wood Group 401(k) Plan (New Plan) effective January 1, 2016. On June 8, 2016, the Directors of Swaggart Brothers, Inc., and Wood Group U.S. Holdings, Inc., signed an agreement to merge the Plan into the New Plan. The final transfer of assets into the New Plan was made on July 15, 2016.
