COMPLETE DISCOVERY SOURCE
401(k) PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Complete Discovery Source 401(k) Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 2004. The Plan is a defined contribution plan with salary reduction features covering employees of Complete Discovery Source, Inc. and its affiliates, Metropolitan Office & Computer Supplies, Inc. and Metropolitan Duplicating & Imaging Inc. (collectively the "Sponsor") who have satisfied eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

As a result of the IRS plan restatement cycle requirements, the Sponsor adopted a volume-submitter plan document effective August 1, 2015. This change does not have a significant impact on the Plan and its participants.

Contributions

Participants may contribute a portion of their annual compensation, in accordance with the provisions defined by the Plan on a tax deferred basis, and limited to the maximum allowable in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, participants may make rollover and transfer contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2016, participants may stop an election to contribute at any time.

Effective January 1, 2014, the Plan Sponsor adopted safe harbor provisions, whereby the Plan Sponsor will make a matching contribution to eligible non-highly compensated participants, determined by their rate of elective deferrals (including catch-up contributions) up to 3% of eligible compensation and an additional 50% of the elective deferrals that exceed 3% of eligible compensation not to exceed 5%.

The Plan provides for discretionary employer profit sharing contributions. There were no discretionary profit sharing contributions in 2015.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Separate accounts are established and maintained under the Plan for each participant.

Each participant's account is credited with the participant's contribution, the Sponsor's safe harbor contribution, the Sponsor's discretionary profit sharing contribution, if any, and an allocation of the Plan earnings and charged with an allocation of Plan losses and administrative expenses.

Eligibility and Vesting

An employee is eligible to participate in the plan upon attainment of the age of 21 years and after completing 3 consecutive months of eligibility service (at least 250 hours in a 3 month period). Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Participants who have completed one year of eligibility service (at least 1000 hours) are eligible for employer safe harbor matching contributions, which vest immediately and for employer profit sharing contributions, which vest on a 2-6 year grading schedule.

Notes Receivable from Participants

Participants are permitted to borrow from their accounts up to a maximum equal to the lesser of $50,000 or one half of their account balance. The term of each loan may generally not exceed five years, unless the proceeds of the loan are to be used to acquire a principal dwelling unit which has a maximum loan term of 15 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan application. Outstanding loans at December 31, 2015 and 2014 bear interest at 4.25% per annum. Loan payments are generally made through payroll deductions, and any expenses related to loan set-up and maintenance are charged directly against the appropriate participant's account.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Upon termination of service or disability, a participant may receive a lump sum distribution or rollover into a qualified plan, or combination thereof, in the amount of the participant's account greater than $5,000. If the participant's account is less than $5,000, the participant's distribution automatically shall be made in the form of a lump sum payment as soon as practical. In-service withdrawals are permitted once a participant has attained age 59 1/2. No installment payments are allowed.

Administrative Expenses

The Plan permits the payment of administrative expenses to be made from the Plan's assets. However, substantially all of the administrative expenses of the Plan are paid by the Sponsor without charge to the Plan.

Certain administrative functions are performed by employees of the Sponsor. No such employee receives compensation from the Plan.

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 or 2014. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Accounting Pronouncement

In July 2015, the FASB issued ASU No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965); Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient. Part I eliminates the requirement to measure and disclose the fair value of fully benefit-responsive contracts. Under the ASU, contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirement to disclose individual investments which comprise 5% or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by investment type. Part II requires plans to continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. In addition, self-directed brokerage accounts will be presented as one investment type. Part III allows plans to measure investments as of the end of the calendar month closest to the Plans' fiscal year end, when the fiscal period does not coincide with the month-end. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early application permitted. The Plan elected to early adopt ASU No. 2015-12 Part II as of December 31, 2015. The adoption of Part II eliminated certain investment related disclosures and was applied retrospectively. Part I and III are not applicable to the Plan.

NOTE 3 - CASH

Cash consisted of funds held by John Hancock at December 31, 2014, and included $10,440 in excess employer contributions made by the Sponsor, which the Plan applied to employer matching contributions in 2015.

NOTE 4 - UNAUDITED INFORMATION

John Hancock Life Insurance Company, the custodian of the Plan, holds the Plan's investment assets and notes receivable from participants and executes transactions thereon. Financial information relating to the assets is included in the accompanying financial statements and supplemental schedule is based on information prepared by the custodian and furnished to the Plan administrator. The Plan administrator has obtained a certification from the custodian that such information is complete and accurate. That information, which is unaudited, consists of substantially all of the Plan's assets as of December 31, 2015 and 2014, and investment loss for the year ended December 31, 2015.

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Plan also utilizes the authoritative guidance under GAAP for estimating the fair value of investments in the investment funds that have calculated net asset value ("NAV") per share in accordance with the specialized accounting guidance for investment companies. Accordingly, the Plan estimates the fair value of an investment in an investment fund using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at net asset value at the year-end and the existence of absence of certain restrictions at year-end.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Pooled separate accounts: Valued at the net asset value (NAV) of the shares held by the Plan. The pooled separate accounts are not available in an exchange or active market, however the fair value is determined based on the pro-rata share of the underlying investments in the pooled separate account.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2015:

Assets at Fair Value at December 31, 2015:

Description	Total	Level 1	Level 2	Level 3
Pooled separate accounts	$ 4,572,666	$ -	$ 4,572,666	$ -
Investments at Fair Value	$ 4,572,666	$ -	$ 4,572,666	$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2014:

Assets at Fair Value at December 31, 2014:

Description	Total	Level 1	Level 2	Level 3
Pooled separate accounts	$ 3,803,047	$ -	$ 3,803,047	$ -
Investments at Fair Value	$ 3,803,047	$ -	$ 3,803,047	$ -

NOTE 6 - PARTY IN INTEREST TRANSACTIONS

Plan investments in pooled separate accounts are managed by John Hancock. John Hancock is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are primarily included in net appreciation in fair value of investments.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA and the terms of the Plan. In the event of termination of the Plan, participants' accounts remain fully vested and non-forfeitable. The Sponsor determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

NOTE 8 - TAX STATUS

Effective December 26, 2013, the Plan adopted an approved plan under the volume submitter program with John Hancock. The Internal Revenue Service has determined and informed the plan administrator, by a letter dated May 1, 2012, that the form of the volume submitter plan adopted by the Plan Sponsor is acceptable under the applicable sections of the IRC. Effective August 1, 2015, the Plan adopted an approved plan under the volume submitter program with John Hancock. The Internal Revenue Service has determined and informed the plan administrator, by a letter dated March 31, 2014, that the form of the volume submitter plan adopted by the Plan Sponsor is acceptable under the applicable sections of the IRC. The Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Complete Discovery Source 401(k) Plan & Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the basis for disclaimer of opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in 2015, the Plan adopted new accounting guidance: Financial Accounting Standards Board Accounting Standards Update ("ASU") No. 2015-12, Plan Accounting: Defined benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit plans (Topic 965): Part (II) Plan Investment Disclosures. If we had issued an opinion it would not be modified with respect to this matter.

Other Matter – Report on Supplementary Information

The supplemental schedule of assets (held at end of year) as of or for the year ended December 31, 2015 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(k) PLAN & TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Complete Discovery Source 401(k) Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 2004. The Plan is a defined contribution plan with salary reduction features covering employees of Complete Discovery Source, Inc. and its affiliates, Metropolitan Office & Computer Supplies, Inc. and Metropolitan Duplicating & Imaging Inc. (collectively the "Sponsor") who have satisfied eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

As a result of the IRS plan restatement cycle requirements, the Sponsor adopted a volume-submitter plan document effective August 1, 2015. This change does not have a significant impact on the Plan and its participants.

Contributions

Participants may contribute a portion of their annual compensation, in accordance with the provisions defined by the Plan on a tax deferred basis, and limited to the maximum allowable in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition, participants may make rollover and transfer contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective January 1, 2016, participants may stop an election to contribute at any time.

Effective January 1, 2014, the Plan Sponsor adopted safe harbor provisions, whereby the Plan Sponsor will make a matching contribution to eligible non-highly compensated participants, determined by their rate of elective deferrals (including catch-up contributions) up to 3% of eligible compensation and an additional 50% of the elective deferrals that exceed 3% of eligible compensation not to exceed 5%.

The Plan provides for discretionary employer profit sharing contributions. There were no discretionary profit sharing contributions in 2015.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Separate accounts are established and maintained under the Plan for each participant.

Each participant's account is credited with the participant's contribution, the Sponsor's safe harbor contribution, the Sponsor's discretionary profit sharing contribution, if any, and an allocation of the Plan earnings and charged with an allocation of Plan losses and administrative expenses.

Eligibility and Vesting

An employee is eligible to participate in the plan upon attainment of the age of 21 years and after completing 3 consecutive months of eligibility service (at least 250 hours in a 3 month period). Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Participants who have completed one year of eligibility service (at least 1000 hours) are eligible for employer safe harbor matching contributions, which vest immediately and for employer profit sharing contributions, which vest on a 2-6 year grading schedule.

Notes Receivable from Participants

Participants are permitted to borrow from their accounts up to a maximum equal to the lesser of $50,000 or one half of their account balance. The term of each loan may generally not exceed five years, unless the proceeds of the loan are to be used to acquire a principal dwelling unit which has a maximum loan term of 15 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined at the time of the loan application. Outstanding loans at December 31, 2015 and 2014 bear interest at 4.25% per annum. Loan payments are generally made through payroll deductions, and any expenses related to loan set-up and maintenance are charged directly against the appropriate participant's account.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Upon termination of service or disability, a participant may receive a lump sum distribution or rollover into a qualified plan, or combination thereof, in the amount of the participant's account greater than $5,000. If the participant's account is less than $5,000, the participant's distribution automatically shall be made in the form of a lump sum payment as soon as practical. In-service withdrawals are permitted once a participant has attained age 59 1/2. No installment payments are allowed.

Administrative Expenses

The Plan permits the payment of administrative expenses to be made from the Plan's assets. However, substantially all of the administrative expenses of the Plan are paid by the Sponsor without charge to the Plan.

Certain administrative functions are performed by employees of the Sponsor. No such employee receives compensation from the Plan.

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 or 2014. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Accounting Pronouncement

In July 2015, the FASB issued ASU No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965); Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient. Part I eliminates the requirement to measure and disclose the fair value of fully benefit-responsive contracts. Under the ASU, contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirement to disclose individual investments which comprise 5% or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by investment type. Part II requires plans to continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. In addition, self-directed brokerage accounts will be presented as one investment type. Part III allows plans to measure investments as of the end of the calendar month closest to the Plans' fiscal year end, when the fiscal period does not coincide with the month-end. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early application permitted. The Plan elected to early adopt ASU No. 2015-12 Part II as of December 31, 2015. The adoption of Part II eliminated certain investment related disclosures and was applied retrospectively. Part I and III are not applicable to the Plan.

NOTE 3 - CASH

Cash consisted of funds held by John Hancock at December 31, 2014, and included $10,440 in excess employer contributions made by the Sponsor, which the Plan applied to employer matching contributions in 2015.

NOTE 4 - UNAUDITED INFORMATION

John Hancock Life Insurance Company, the custodian of the Plan, holds the Plan's investment assets and notes receivable from participants and executes transactions thereon. Financial information relating to the assets is included in the accompanying financial statements and supplemental schedule is based on information prepared by the custodian and furnished to the Plan administrator. The Plan administrator has obtained a certification from the custodian that such information is complete and accurate. That information, which is unaudited, consists of substantially all of the Plan's assets as of December 31, 2015 and 2014, and investment loss for the year ended December 31, 2015.

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Plan also utilizes the authoritative guidance under GAAP for estimating the fair value of investments in the investment funds that have calculated net asset value ("NAV") per share in accordance with the specialized accounting guidance for investment companies. Accordingly, the Plan estimates the fair value of an investment in an investment fund using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at net asset value at the year-end and the existence of absence of certain restrictions at year-end.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Pooled separate accounts: Valued at the net asset value (NAV) of the shares held by the Plan. The pooled separate accounts are not available in an exchange or active market, however the fair value is determined based on the pro-rata share of the underlying investments in the pooled separate account.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2015:

Assets at Fair Value at December 31, 2015:

Description	Total	Level 1	Level 2	Level 3
Pooled separate accounts	$ 4,572,666	$ -	$ 4,572,666	$ -
Investments at Fair Value	$ 4,572,666	$ -	$ 4,572,666	$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2014:

Assets at Fair Value at December 31, 2014:

Description	Total	Level 1	Level 2	Level 3
Pooled separate accounts	$ 3,803,047	$ -	$ 3,803,047	$ -
Investments at Fair Value	$ 3,803,047	$ -	$ 3,803,047	$ -

NOTE 6 - PARTY IN INTEREST TRANSACTIONS

Plan investments in pooled separate accounts are managed by John Hancock. John Hancock is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are primarily included in net appreciation in fair value of investments.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA and the terms of the Plan. In the event of termination of the Plan, participants' accounts remain fully vested and non-forfeitable. The Sponsor determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

NOTE 8 - TAX STATUS

Effective December 26, 2013, the Plan adopted an approved plan under the volume submitter program with John Hancock. The Internal Revenue Service has determined and informed the plan administrator, by a letter dated May 1, 2012, that the form of the volume submitter plan adopted by the Plan Sponsor is acceptable under the applicable sections of the IRC. Effective August 1, 2015, the Plan adopted an approved plan under the volume submitter program with John Hancock. The Internal Revenue Service has determined and informed the plan administrator, by a letter dated March 31, 2014, that the form of the volume submitter plan adopted by the Plan Sponsor is acceptable under the applicable sections of the IRC. The Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to amounts reportable on the Form 5500:

The following is a reconciliation of the changes in net assets available for Plan benefits per the financial statements to amounts reportable on the Form 5500 for the year ended December 31, 2015:
