Spectrum 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Spectrum 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles ("GAAP"); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with U.S. generally accepted auditing standards. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to information summarized in Note 5, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2015 and 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule, Schedule H, line 4i, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with U.S. generally accepted auditing standards and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Spectrum 401(k) Plan

Notes to Financial Statements

December 31, 2015

Note 1 - Description of Plan

The following description of the Spectrum 401(k) Plan (the "Plan") provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

General

The Plan, established on January 1, 2008, is a defined contribution plan covering generally all employees of Facility Concession Services, Inc. (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan trustees and recordkeeper

Reliance Trust Company ("Reliance" or "Trustee") is the trustee. ADP Retirement Services is the recordkeeper ("ADP" or "Recordkeeper").

Eligibility

Employees are eligible to participate in the Plan after reaching age 21 and after one year which they complete 1,000 hours of service.

Participant and employer contributions

The Plan provides for voluntary employee contributions expressed as a percentage of the participant's eligible compensation, as defined, up to 90% of a participant's compensation. The contributions are not to exceed the limits set by the Internal Revenue Code ("IRC"), which limits the annual amount of salary deferrals that may be made by a participant. Eligible participants may also make catch-up contributions upon attaining 50 years of age, as defined by the IRC.

The Company adopted the Safe Harbor Provisions of the IRC. The employer will make a matching contribution on behalf of each participant in the amount equal to 100% of the employee's elective deferrals that do not exceed 3% percent of the employee's eligible compensation for the Plan year, plus 50% of the employee's elective deferrals on the next 2% of the employee's eligible compensation.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, Company contributions and actual earnings thereon.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's safe harbor contribution, and Plan earnings/losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 - Description of Plan (Continued)

Participant accounts (continued)

Participants direct the investment of their account balances in any of several investment funds. Participants can change their investment options among the various investment funds either through direct transfers from one fund to another or by changing the percentage allocation of future contributions.

Plan expenses

All expenses of the Plan are paid by the Company except for certain transaction-related fees and commissions.

Participant withdrawals

Participants are eligible for distributions of their vested account balances upon the event of death, disability, retirement, termination of employment or the attainment of age 70 ½.

Distributions may be made in lump-sum payments or installments. If the vested balance of the participant's account is less than $5,000, the payment will be made in cash in a single lump-sum. If the participant's account balance is between $1,000 and $5,000 and the participant does not affirmatively consent to receive a distribution, the balance will be rolled into an individual retirement account established on behalf of the participant. Hardship withdrawals are limited to the participant's account balance. Any taxable distribution paid by the Recordkeeper directly to the participant will be subject to mandatory federal income tax withholding of 20% of the requested distribution.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets would be allocated among participants of the Plan in accordance with the provisions of the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("GAAP").

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 regarding fair value measurements.

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Unrealized appreciation or depreciation in the fair value of investments held at year-end is determined using the fair value at the beginning of the year or the purchase price if the investment is acquired during the year. The realized gain or loss on the sale of investments is determined using historical cost. Unrealized appreciation or depreciation and realized gains and losses are reported as net appreciation or depreciation in fair value of investments in the statement of changes in net assets available for benefits.

Financial instruments and credit risk

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits. Plan participants bear the risk of any investment losses.

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make use of estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

Participant withdrawals

Participant withdrawals are recorded when paid.

Recent accounting pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent).* ASU No. 2015-07 removes the requirement to include all investments in the fair value hierarchy for which the fair value is measured at net asset value ("NAV") per share using the practical expedient, under fair value measurements. The ASU is effective after December 31, 2016 with early adoption permitted. The ASU applies retrospectively to all years presented. Management has elected to early adopt the ASU.

In July 2015, FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient.* Part I eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value.

Note 2 - Summary of Significant Accounting Policies (Continued)

Recent accounting pronouncements (continued)

Part III provides a practical expedient to permit Plans to measure investments and investment-related accounts as of the month-end date that is closest to the Plan's fiscal year-end when the fiscal period does not coincide with month-end. The ASU is effective for fiscal years beginning after December 31, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively and Part III is applied prospectively. Management has elected to early adopt Part II. Parts I and Part III are not applicable to the Plan.

Note 3 - Fair Value Measurements

The Plan uses a three-level hierarchy, in accordance with the fair value standard, that establishes a hierarchy for grouping assets and liabilities, based on the significance of inputs. The hierarchy of fair value measurements is described below:

- Level 1 - quoted prices in active markets for identical assets or liabilities;
- Level 2 - inputs other than level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of these assets or liabilities; or
- Level 3 - unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual funds - these investments are valued daily at the net asset value of shares or units held by the Plan based on the quoted market value of the underlying assets.
- Common/collective trust - this investment holds guaranteed investment contracts, separate account guaranteed investment contracts and synthetic guaranteed investment contracts and is measured at contract value. The investment attempts to maintain a stable price per unit of $10.00. However, there can be no assurance that the value of the units in the investment will not fluctuate. The principal value per unit is determined at the end of each day by dividing net assets by the number of units outstanding. There are no redemption restrictions for shares held.

Note 3 - Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the valuation methods are considered appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets measured at fair value as of December 31, 2015 are as follows:

	Level 1	Total
Mutual funds	$2,728,565	$ 2,728,565
Investments at net asset value (a)		10,965
Total investments		$ 2,739,530

The Plan's assets measured at fair value as of December 31, 2014 are as follows:

	Level 1	Total
Mutual funds	$2,407,008	$ 2,407,008
Investments at net asset value (a)		9,629
Total investments		$ 2,416,637

(a) In accordance with Subtopic 820-10, the common/collective trust is measured at NAV per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 4 - Tax Status

The Plan has adopted a prototype plan document, which obtained its latest opinion letter dated March 27, 2012, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan trustees believe that the Plan is currently designed and being operated within the applicable requirements of the IRC and was tax-exempt as of December 31, 2015. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Information Certified by the Trustee (Unaudited)

For the Plan year 2015 and 2014, the financial information included in the Plan's financial statements and Schedules H, line 4i, except for contributions receivable, contributions, participant withdrawals and administrative expenses, has been derived from information certified as complete and accurate by the Trustee of the Plan in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 6 - Reconciliation of Financial Statements to Form 5500
