Report on the Financial Statements

We were engaged to audit the accompanying financial statements of J. Fletcher Creamer & Son, Inc. 401(k) Profit Sharing Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified and provided by Great-West Life & Annuity Insurance Company, the Custodian of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's assets and executes transactions. The Plan Administrator has obtained a certification from the Custodian as of December 31, 2015, and for the year then ended, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the December 31, 2015 financial statements. Accordingly, we do not express an opinion on the December 31, 2015 financial statements.

Emphasis of Matters

As discussed in Note 2g to the financial statements, the Plan adopted new accounting guidance related to the presentation of fair value of certain investments and disclosure of investments. Prior year disclosures have also been revised to reflect the retrospective application of adopting these changes in accounting. Our disclaimer of opinion is not modified with respect to these matters.

Other Matter

Prior Year Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2014 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed those auditors, not to perform, and they did not perform any auditing procedures with respect to the information certified by Great-West Life & Annuity Insurance Company. The report of the other auditors, dated September 9, 2015, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2014 financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Great-West Life & Annuity Insurance Company, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Supplementary Information

The supplementary schedule which consists of the schedule of assets held at end of year as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplementary schedule is the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplementary schedule.

Report on Form and Content in Compliance with Department of Labor Rules and Regulations

The form and content of the information included in the December 31, 2015 financial statements and supplementary schedule, other than that derived from the information certified or provided by the Custodian have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

J. Fletcher Creamer & Son, Inc. 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2015 and 2014

Note 1 - Description of Plan

The following brief description of the J. Fletcher Creamer & Son, Inc. 401(k) Profit Sharing Plan (the "Plan"), is provided for general information purposes only. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all eligible employees of J. Fletcher Creamer & Son, Inc. and Creamer Management Corporation (the "Company"). Employees not covered by a collective bargaining agreement which provides for retirement benefits are eligible to participate in the Plan upon attainment of age 21 provided they have completed the required service. Required service for elective deferrals is completion of three consecutive months of service having worked at least 250 hours in such period. Entry date for elective deferrals is the first payroll after satisfaction of eligibility. Employees are eligible to receive a profit sharing contribution upon completion of 1,000 hours of service during a plan year. Entry into the profit sharing component of the plan is the first day of the plan year when the eligibility requirement has been satisfied. Employees are eligible to receive a safe harbor non-elective contribution upon completion of 1 year of consecutive employment and 1,000 hours of service. The entry date for the safe harbor provision is the first pay period of the calendar quarter coincident with or next following satisfaction of the eligibility requirement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan assets are currently held by Great-West Life & Annuity Insurance Company, Custodian of the Plan, with the exception of the life insurance policies which are held at Aurora National Life Insurance Company, the Guardian Life Insurance Company, Hartford Life and Annuity Insurance Company, and MetLife. Company contributions, participant elective deferrals, and participant accounts are also held by the Custodian, who invests cash received and income from investments based on written instructions from the Company and participants, and makes distributions to participants. The Plan Trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance. The Plan Trustees are also responsible for oversight of the insurance policies and the payment of insurance premiums associated with these policies as well as handling the distributions of any cashed in policies.

The Plan was amended effective January 1, 2015 to allow participants to make Roth 401(k) contributions as well as exclude casual employees from the plan as defined in the employee handbook. In addition subsequent to January 1, 2015, the Plan provides for automatic enrollment on the participant's entry date. Unless the employee elects otherwise, 1% of their eligible compensation will be automatically deferred into the Plan for the benefit of the employee.

Note 1 - Description of Plan - Continued

b. Contributions

Pre-tax employee contributions are made pursuant to salary deferral agreements. Each year, participants may contribute a percentage of their pre-tax annual compensation, subject to certain limitations as defined by the Plan and the Internal Revenue Code (IRC). The maximum participant deferral for the years ended December 31, 2015 and 2014 was \$18,000 and \$17,500, respectively. Participants age 50 and over are also eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company provides for a safe harbor non-elective contribution based on 3% of eligible compensation. A safe harbor contribution is a minimum contribution made by the Company that allows the Plan to be exempt from 401(k) non-discrimination tests.

The Company, at its discretion, may also make non-elective profit sharing contributions. The Plan sponsor has elected to make discretionary profit sharing contributions in the amount of \$2,650,060 and \$2,099,112 for the years ended December 31, 2015 and 2014, respectively.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and Company's safe harbor non-elective contribution as well as allocations of (a) the Company's discretionary profit sharing and forfeiture contributions, (b) the Plan's investment earnings (losses), net of investment, and administrative expenses, paid by the Plan. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

d. Vesting

Participants are 100% vested immediately in their elective deferral amounts, rollover contributions, and the Company's safe harbor non-elective contribution, plus actual earnings thereon. Vesting in the Company's discretionary contribution is based on years of service. A participant is 100% vested upon: (1) disability; (2) death; (3) normal retirement at age 65 and fifth anniversary of becoming a participant; or (4) termination of the Plan. If a participant's employment with the Company is terminated before age 65 for any reason other than disability or death, the participant shall be entitled to an amount equal to the "vested percentage" of his or her account balance. A participant shall have a vested and nonforfeitable interest in the employer's discretionary contribution portion of his or her account balance determined by the number of years of credited service as follows:

2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

e. Participant Notes

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance, whichever is less. Participant notes are secured by the balance in the participant's accounts and bear interest at a rate commensurate with the local prevailing rates, which was 4.25% as determined by the Plan Administrator. Principal and interest are paid ratably through regular payroll deductions. In general, loans must be repaid within five years unless the loan is used to purchase a principal residence. The Plan only allows one outstanding loan.

f. Payment of Benefits

On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or elect to rollover funds into an IRA or other retirement account. Annuities are not allowed by the plan. If the participant does not elect a distribution upon termination and their vested account balance is between \$1,000 and \$5,000, the balance will be directed into an IRA. Prior to termination, a participant may withdraw their elective contributions and non-elective profit sharing contributions in the event of undue financial hardship. Non-elective safe harbor contributions are not available to be withdrawn in the event of undue financial hardship. The Plan also provides for in-service distributions for participants who have attained age 59½.

g. Forfeited Accounts

Forfeited non-vested accounts, which will be allocated to participants as well as used to pay administrative expenses of the Plan, totaled of \$234,075 and \$157,386 at December 31, 2015 and 2014, respectively. These non-vested accounts are invested in the Guaranteed Portfolio Fund. In 2015 and 2014 the Plan's trustees elected to reallocate forfeitures to participants in the amount of \$50,000 for both years.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) for defined contribution plans.

b. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Participant Notes

Notes receivable from participants are stated at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 or 2014. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Loans treated as distributions totaled \$36,679 and \$22,571 for the years ended December 31, 2015 and 2014, respectively.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

g. Recent Accounting Pronouncements

In July 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965) - (I) Fully Benefit-Responsive Investment Contracts, (II) Plan Investment Disclosures, and (III) Measurement Date Practical Expedient (a consensus of the FASB Emerging Issues Task Force). The purpose of this Update is to simplify plan accounting.

- The amendments in Part I of this Update designate contract value as the only required measure for direct investments in fully benefit-responsive investment contracts. Fully benefit-responsive investment contracts will be presented at contract value, accordingly there will no longer be an adjustment from fair value to contract value on the face of the financial statements.

401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2015 and 2014

Note 2 - Summary of Significant Accounting Policies - Continued

g. Recent Accounting Pronouncements - Continued

- The amendments in Part II of this Update will eliminate the requirements for plans to disclose (1) individual investments that represent 5 percent or more of net assets available for benefits and (2) the net appreciation or depreciation for investments by general type for both participant directed investments and nonparticipant-directed investments. The net appreciation or depreciation in investments for the period will still be required to be presented in the aggregate. In addition, if an investment is measured using the net asset value per share (or its equivalent) practical expedient in Topic 820 and that investment is in a fund that files a U.S. Department of Labor Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy will no longer be required.
- The amendments in Part III of this Update reduce complexity in employee benefit plan accounting by providing a practical expedient that permits plans to measure investments and investment-related accounts as of a month-end date that is closest to the Plan's fiscal year-end, when the fiscal period does not coincide with month-end.

The Update may be adopted in whole or by part (I, II, and III), as applicable. The amendments in this Update are effective for fiscal years beginning after December 15, 2015. Early adoption is permitted. Upon adoption, the amendments in Parts I and II shall be applied retrospectively to all periods presented; the amendments in Part III shall be applied prospectively. The Plan adopted this Update for the 2015 Plan year, and the amendments in Part I and Part II were retrospectively applied to the year ended December 31, 2014. Prior year disclosures in Note 4 have been revised to reflect the retrospective application. The impact of adopting these amendments is reflected in the financial statements.

h. Subsequent Events

The Plan has evaluated subsequent events for potential recognition or disclosure through September 20, 2016, the date the financial statements were available to be issued.

Note 3 - Information Certified and Provided by Plan Trustee (Unaudited)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company, the Custodian of the Plan, as complete and accurate, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedules:

	December 31,	
	2015	2014
Mutual funds	\$ 33,268,578	\$ 33,019,121
Fixed annuities	\$ 10,012,959	\$ 7,828,123
	Years Ended December 31,	
	2015	2014
Investment Income		
Interest and dividends	\$ 1,648,887	\$ 1,762,560
Net appreciation (depreciation) in fair value of investments	\$ (2,006,473)	\$ 201,192

Note 4 - Investments and Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2015 and 2014

Note 4 - Investments and Fair Value Measurement - Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2015.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities: The fair value of fixed annuities are recorded using the reported values for fixed annuity options based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Life Insurance Policies: The fair value of life insurance policies are recorded at the cash surrender value ("CSV") of the policy investment.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2015				
	Total	Level 1	Level 2	Level 3
Mutual Funds	\$ 33,268,578	\$ 33,268,578	\$ -	\$ -
Fixed annuities	10,012,959	-	10,012,959	-

Notes to Financial Statements

December 31, 2015 and 2014

Note 4 - Investments and Fair Value Measurement - Continued

The following sets forth a summary of changes in the fair value of the Plan's unobservable (Level 3) assets for the years ended December 31, 2015 and 2014:

January 1, 2014, balance, <i>beginning of year</i>	\$ 407,808
Increase in cash surrender value of participants' life insurance	<u>34,733</u>
December 31, 2014, balance, <i>end of year</i>	442,541
Increase in cash surrender value of participants' life insurance	<u>19,592</u>
December 31, 2015, balance, <i>end of year</i>	<u><u>\$ 462,133</u></u>

The Plan, up through July 31, 2011, allowed for a participant to elect having part of his or her account invested in life insurance. The life insurance insures the participant's life and/or the lives of others in whom the participant has an insurable interest and on whose life the participant elects to purchase such insurance. Any dividends or credits earned on insurance contracts are allocated to the participant's account. The premiums on the insurance contracts are charged to each participant's account. As of August 1, 2011 the Plan no longer provides for the purchase of life insurance.

Note 5 - Related Party and Party-In-Interest Transactions

The Company did not pay any expenses in connection with the administration of the Plan for the years ended December 31, 2015 or 2014.

Certain administrative functions are performed by employees of the Company who do not receive compensation for such functions.

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company, the Custodian of the Plan.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100 percent vested in their accounts.

401(k) Profit Sharing Plan**

Notes to Financial Statements

December 31, 2015 and 2014

Note 7 - Tax Status

On March 31, 2008, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more-likely-than-not that the tax position would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. The Plan is no longer subject to income tax examinations for years prior to 2012.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
