INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
CAL-AM Properties 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Cal-Am Properties 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by State Street Bank and Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule, Schedule H, Line 4i, Schedule of Assets (Held at end of Year), as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by State Street Bank and Trust Company, the trustee of the Plan. Their report, dated October 12, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under Employee Income Security Act of 1974.

Report on Form and Content in Compliance With DOL Rules and Regulations 2015

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN

CAL-AM Properties 401(k) Plan (the Plan) is a defined contribution plan to which CAL-AM Properties, Inc. (the Company) contributes such amounts annually as determined by the Board of Directors. The Plan also provides for voluntary contributions by employees. The Plan was amended effective November 1, 2014. Participants should refer to the Plan agreement for more complete information.

Major provisions of the Plan are as follows:

Eligibility and Participation

All employees age 21 and over are eligible to participate in the Plan after one full year of employment and 1,000 hours of service through October 31, 2014. Effective November 1, 2014, the year of service and hour requirements were removed and eligible participants entry date will be the first day of the month following the date eligibility requirements are satisfied.

Contributions

The Plan allows for pre-tax elective deferrals and 401(k) Roth elective deferrals. Employee salary deferrals cannot exceed a maximum dollar amount determined by the federal government each year. The Company will make employer contributions to the Plan at its discretion.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings or losses. Earnings or losses are allocated on the basis of the ratio each account balance bears to the total account balances of all participants in the same investment. The benefit, to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account is determined as follows:

Years of Service	Vested Percentage
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

1. DESCRIPTION OF PLAN (Continued)

Vesting (Continued)

Effective November 1, 2014, the Company's contribution portion received after November 1, 2014 is immediately 100% vested.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions to any of the investment options through Mid Atlantic Trust Company (through October 31, 2014) and State Street Bank and Trust Company (effective November 1, 2014), the trustees of the Plan.

If participants choose not to select an investment option, the administrator will select investment options through the trustee of the Plan.

Participant Loans

Loans are permitted from a percentage of the participants' vested benefits in accordance with loan provisions defined in the Plan.

Effective November 1, 2014, new loans are not permitted by the Plan.

Payment of Benefits

Participants may withdraw all or a portion of the vested interest in their account upon retirement, termination of employment, or financial hardship.

Administrative Costs

Administrative costs of the Plan are generally paid from participant accounts, unless the employer elects to pay.

Forfeitures

Forfeitures will be used to reduce future employer contributions.

Effective November 1, 2014, forfeitures which were directly attributable to employer contributions will be used to first pay administrative expenses and then to reduce future employer contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act (ERISA).

1. DESCRIPTION OF PLAN (Continued)

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are valued at quoted market prices which represent the fair value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Company has evaluated subsequent events through October 3, 2016, which was the date the financial statements were available to be issued. Management determined that no material subsequent events have occurred that would require disclosure or recognition in the accompanying financial statements for the year ended December 31, 2015.

3. TAX STATUS

The Plan is currently being operated under a volume submitted letter issued by the Internal Revenue Service (IRS) dated July 16, 2014 and has received an acceptable determination letter.

4. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, which was prepared by the trustee of the Plan and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate:

The following summary of the Plan's investments that exceeded 5% of net assets available for benefits, as of December 31, 2015 and 2014, was derived from information certified by the trustee and furnished to the plan administrator (see Note 4). The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

6. FAIR VALUE ACCOUNTING

With respect to its financial and non-financial assets and liabilities, the Plan adopted a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 quoted prices in markets that are not active, or inputs that are observable, either directly or indirectly for substantially the full term of the asset or liability;

Level 3 prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (supported by little or no market activity).

6. FAIR VALUE ACCOUNTING (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund.

Common/Collective Trusts: Valued at the Net Asset Value (NAV) of units held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust, less its liabilities.

The following table sets forth the Plan's assets measured at fair value by level within the fair value hierarchy. As required, assets are classified in their entirety based on the lowest level of output that is significant to the fair value measurement.

	Fair Value at December 31, 2015

7. CORRECTIVE DISTRIBUTIONS

The Plan failed the non-discrimination test for 2014 and 2013 thereby requiring certain highly compensated employees to get a portion of their 401(k) deferrals returned and liabilities of $7,596 and $34,312 were recorded as of December 31, 2015 and 2014, respectively. All corrective distributions were paid by the respective March 15, 2016 and 2015 deadlines.
