Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2015 and 2014, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held for Investment Purposes, referred to as "supplemental information", is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

NOTE A – PLAN DESCRIPTION

The following description of the Ginsberg's Institutional Foods, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Ginsberg's Institutional Foods, Inc. (the Company or the Sponsor) who are age 18 or older. Employees are not required to perform a minimum amount of service to become eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may make pre-tax savings contributions to the Plan through payroll deductions up to the maximum allowable under the Internal Revenue Code (IRC). Participants may also contribute distributions from other qualified defined benefit or contribution plans. Matching contributions made by the Sponsor were calculated at 15% of the first 6% of the participant's pretax contribution at inception of the Plan, but have increased in subsequent years. Effective July 2014, the Sponsor matches 50% of the first 6% of the participant's pretax contributions. The Plan also contains a provision for a discretionary profit-sharing contribution. No discretionary profit-sharing contributions were made in 2015 or 2014.

Participant Accounts and Investment Options

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contributions, and (b) Plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Participants may direct the investment of their account balance into various investment options offered by the Plan. Currently, the Plan offers one fixed fund and several mutual funds as investment options for participants. Participants may change their investment options to prospectively increase or decrease the amount of their elective deferrals at times established by the Plan administrator in a uniform and nondiscriminatory manner.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of participant accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Payment of Benefits

On termination of service due to death, disability, retirement or for other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The lump-sum amount may be paid in the form of a direct rollover to an IRA or another employer plan, or paid directly to the participant.

NOTE A – PLAN DESCRIPTION (CONTINUED)

Administrative Expenses
The Company pays administrative costs of the Plan associated with any professional services provided to the Plan and the cost of communications to the participants.

Forfeited Accounts
At December 31, 2015 and 2014, forfeited non-vested accounts totaled $5,328 and $1,714, respectively. Forfeitures of non-vested accounts are transferred to cash where the funds are held until used to reduce Company contributions for the subsequent plan year.

Income Tax Status
The Plan is based on the Prototype Non-standardized Profit Sharing Plan with CODA of The ANGELL Pension Group, Inc., the Plan's administrator, and Trust Plan Document of Reliance Trust Company, the custodian of the Plan. The Plan administrator received a determination letter from the IRS stating that the Prototype Non-standardized Plan was designed in accordance with the provisions of the Internal Revenue Code. The Plan has not yet filed for its own determination letter from the Internal Revenue Service. However, the plan administrators believe that the Plan is designed and currently operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan's federal income tax returns for 2015, 2014 and 2013 are subject to examination by the IRS, generally for three years after having been filed.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review
Management has evaluated subsequent events through October 5, 2016, the date on which the financial statements were available to be issued. Based on management's review, at the time of issuance, there were no subsequent events to be disclosed.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting
The financial statements of the Plan are prepared in accordance with the accrual method of accounting.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value (see Note C). Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Statement of Changes in Net Assets Available for Benefits presents the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits
Benefit payments to participants are recorded upon distribution.

NOTE C – INVESTMENTS

The Plan adopted the fair value provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). These provisions require companies to determine fair value based on the price that would be received to sell the asset or paid to transfer the liability to a market participant. Additionally, they also established a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include the following categories:

- Level 1: Quoted market prices in active markets for identical assets or liabilities. An active market for the asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.

- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data, such as quoted prices for similar assets or liabilities or model-derived valuations.

- Level 3: Unobservable inputs that are not corroborated by market data. These inputs reflect a company's owns assumptions about the assumptions a market would use in pricing the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

	Assets at Fair Values as of December 31, 2015			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,258,946	$ -	$ -	$ 6,258,946
Common collective trust	-	684,572	-	684,572
TOTAL INVESTMENTS	$ 6,258,946	$ 684,572	$ -	$ 6,943,518

	Assets at Fair Values as of December 31, 2014			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,168,597	$ -	$ -	$ 6,168,597

TOTAL INVESTMENTS	$ 6,168,597	$ 697,543	$ -	$ 6,866,140

NOTE C – INVESTMENTS (CONTINUED)

During the years ended December 31, 2015 and 2014, the Plan's investment in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by ($429,865) and $34,926, respectively.

During the years ended December 31, 2015 and 2014, the Plan's investment in the common collective trust (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $2 and $6, respectively.

Dividend income earned during the years ended December 31, 2015 and 2014 totaled $286,558 and $130,524, respectively.

The following investments represented 5% percent or more of the Plan's net assets at the beginning of the plan year:

	December 31, 2015	December 31, 2014
Mutual funds:		
MFS Growth Allocation Fund R2	$ 2,338,854	$ 2,189,585

Franklin High Income Fund R	$ 392,368	$ 420,869
Common collective trust:		
Invesco Stable Value Trust V	$ 684,572	$ 697,543

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

NOTE E – RISKS AND UNCERTAINTIES

The Plan invests in several mutual funds that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of mutual funds will occur in the near term and that such changes could materially affect participant account balances and amounts reported in the statement of net assets available for benefits.

NOTE F – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500, SCHEDULE H
