INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
MNX 401(K) PLAN
Irvine, California

Report on Financial Statements

We were engaged to audit the accompanying financial statements of MNX 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014 - modified cash basis, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015 - modified cash basis, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with the auditing standards generally accepted in the United States of America ("U.S. GAAS"). Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by State Street Bank and Trust ("State Street Bank"), the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that State Street Bank holds the Plan's investment and notes receivable from participants' assets and executes investment and notes receivable from participants transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015 and 2014 and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

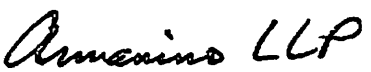

The supplemental schedule of assets held at end of year is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

MNX 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

- MODIFIED CASH BASIS -

DECEMBER 31, 2015 AND 2014

1. DESCRIPTION OF THE PLAN

The following description of the Midnite Air Corporation (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Plan Administration

The administrator of the Plan carries out the duties imposed by ERISA. The plan administrator has delegated certain responsibilities for the operation and administration of the Plan. The Plan's investments are held by the trustee of the Plan, State Street Bank and Trust ("State Street Bank"). Trustee and recordkeeping services are provided by State Street Bank, or one of its affiliates. Certain administrative expenses of the Plan were paid directly by the Company for the year ended December 31, 2015. Loan set-up and maintenance fees are paid by the individual participants receiving the loan. Investment fees, which may vary according to the individual funds selected, are deducted directly from participants' investment returns. Participants should refer to the prospectus of the individual investment funds for further details on individual investment fees.

Eligibility

Employees of the Company must be at least 21 years of age and must complete 90 days of service to be eligible for elective deferrals. Additionally, employees must complete up to one year of continuous service to participate in matching contributions and discretionary profit-sharing contributions. Excluded employees are employees covered by a collective bargaining agreement for which retirement benefits have been negotiated, employees hired through a contractual arrangement with an external agency, independent contractors, certain nonresident aliens who have earned no income from sources within the United States, leased employees, and employees not otherwise classified by the Company as a common law employee are not eligible to participate.

Entry dates for participation in the Plan are the first day of each month. Participants direct the investments of their contributions and any matching employer contributions into various investment options offered by the Plan.

1. DESCRIPTION OF THE PLAN (Continued)

Participant Contributions

Participants may elect to contribute through payroll deductions amounts up to 70% of their annual compensation, as defined in the Plan, up to a maximum amount allowed by the Internal Revenue Code ("IRC"). Maximum allowed deferral amounts were $18,000 and $17,500 for 2015 and 2014, respectively. Participants over the age of 50 may also contribute an additional $6,000 and $5,500 catch up contribution to the Plan for 2015 and 2014, respectively. Participants are also allowed to rollover contributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants.

Employer Contributions

The Company may make contributions to the Plan in the form of matching contributions as determined at its sole discretion. For the year ended December 31, 2015, the Company made matching contributions of 50% of each participant's elective deferrals. The Company did not match elective deferrals that exceeded 2% of each participant's eligible earnings.

Employees must complete one year of service and generally must be actively employed on the last day of the plan year to be eligible to participate in matching contributions; however, employees who are not employed on the last day of the plan year due to retirement, death or disability will be eligible for matching contributions.

Participant Accounts

Each participant's account is credited with the allocation of the Company's contribution, the participant's contribution, and the Plan's earnings (losses). The Company's matching contribution is based on the participant's elective contribution. The earnings (losses) are allocated to the participant's account on a daily basis.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are fully vested when their employment terminates by reason of normal retirement, death or disability. Other than the aforementioned reasons, a participant is 100% vested in the employer contributions after five (5) years of credited service.

1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate. The interest rate is the prime rate as published in *The Wall Street Journal* on the 14th day of each month, plus one percentage point. Loan terms are generally five years or less, but may exceed five years if the purpose of the loan is to purchase a principal residence. A participant may have two loans outstanding at any given time. Principal and interest is paid ratably through monthly payroll deductions. Loans outstanding during 2015 bear interest at rates that range from 1% to 4.25%.

Investment Options

Participants can direct the investment of their contribution and employer match.

Payment of Benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. If the participant's vested account balance ("VAB") does not exceed $5,000, then the VAB may only be distributed to the participant in a single lump-sum payment. If the VAB exceeds $1,000, the participant must consent to the distribution. If the VAB exceeds $5,000, the participant may elect to receive a distribution of the VAB in a single lump-sum payment, installments over a period of not more than the participant's assumed life expectancy or partial withdrawal.

Forfeited Accounts

As of December 31, 2015, forfeitures amounting to $24,568 were available to reduce fees or any future matching contributions.

Administrative Expenses

Investment advisory and management fees paid by the Plan amounted to $2,425 for the year ended December 31, 2015, and are included in other expenses on the statement of changes in net assets available for benefits. Audit expenses are absorbed by the plan sponsor.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan and supplemental information are prepared using the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America primarily because contributions are recognized when received rather than when earned, forfeitures are recognized when applied to reduce matching employer contributions rather than when forfeited and corrective distributions are recognized when paid instead of when the underlying obligation is incurred.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities and changes therein, and the disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

ASC Topic *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the U.S., and expands disclosures about fair value measurements. Under this topic, the Plan must report its investments at fair value among three categories of price inputs available. These categories of inputs are unadjusted quoted prices in active markets for identical assets (Level 1); significant other observable inputs (Level 2); and significant unobservable inputs (Level 3). At year-end, all investments were considered to be Level 1.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded as received. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Income Taxes

The Plan's federal income tax and informational returns remain subject to examination by the Internal Revenue Service ("IRS") for a period of three years from the due date of filing. The Plan's tax returns are not currently under examination by the IRS.

Recent Accounting Pronouncements

In May 2015, the FASB issued *Accounting Standards Update ("ASU") No. 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value ("NAV") per Share (or its Equivalent).* The amendments in this Update remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the NAV per share practical expedient. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the NAV per share practical expedient. The amendments in this Update are effective for fiscal years beginning after December 15, 2016. Early adoption is permitted. Upon adoption, the amendments shall be applied retrospectively to all periods presented. The Plan's management is currently evaluating the impact this Update will have on the Plan's financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncements (Continued)

In July 2015, the FASB issued *ASU No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient (consensuses of the FASB Emerging Issues Task Force).* The purpose of this Update is to simplify plan accounting. The amendments in Part I of this Update designate contract value as the only required measure for direct investments in fully benefit-responsive investment contracts. Fully benefit-responsive investment contracts will be presented at the contract value; accordingly, there will no longer be an adjustment from fair value to contract value on the face of the financial statements. The amendments in Part II of this Update will eliminate the requirements for plans to disclose (1) individual investments that represent 5 percent or more of net assets available for benefits and (2) the net appreciation or depreciation for investments by general type for both participant-directed investments and nonparticipant-directed investments. The net appreciation or depreciation in investments for the period will still be required to be presented in the aggregate. The amendments in Part III of this Update reduce complexity in employee benefit plan accounting by providing a practical expedient that permits plans to measure investments and investment-related accounts as of a month-end date that is closest to the plan's fiscal year-end, when the fiscal period does not coincide with month-end. The Update may be adopted in whole or by part (I, II and III), as applicable. The amendments in this Update are effective for fiscal years beginning after December 15, 2015. Early adoption is permitted. Upon adoption, the amendments in Parts I, II and III shall be applied retrospectively to all periods presented.

Subsequent Events

The Plan has evaluated events subsequent to December 31, 2015, to assess the need for potential recognition or disclosure in the financial statements. Such events were evaluated through October 11, 2016, the date the financial statements were available to be issued. Based upon this evaluation, it was determined no subsequent events occurred that require recognition or additional disclosure in the financial statements other than the event disclosed in Note 9.

3. INVESTMENTS

Information included in the statements of net assets available for benefits:

	All Level 1	
	2015	2014
Registered Investment Companies	$ 3,910,647	$ 3,478,363

4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The following information is a summary of the unaudited information included in the Plan's financial statements and supplemental information, which was prepared by State Street Bank, the trustee of the Plan and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that the information provided to the plan administrator is complete and accurate. The information certified by the trustee is summarized as follows:

a. Investments, as indicated on the Statements of Net Assets Available for Benefits,

b. Supplemental information of Assets Held at End of Year, and

c. All investment balances and investment information in Note 3.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS

The Plan obtained its latest determination letter on January 1, 2004, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter and the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. PARTY-IN-INTEREST

Notes receivable from participants and the related interest income are considered party-in-interest transactions.

Investment advisory and management fees amounting to $2,425 paid to State Street Bank and/or its affiliate are considered party-in-interest transactions since State Street Bank is the trustee of the Plan.

The records of the Plan indicate no party-in-interest transactions, which are prohibited by ERISA and for which no statutory or administrative exemption exists.

8. RECONCILING THE FINANCIAL STATEMENTS WITH FORM 5500

The information reflected in the accompanying statements of net assets available for benefits and the statement of changes in net assets available for benefits is consistent with the information reflected in Form 5500.

9. SUBSEQUENT EVENT

In September 2016, the Plan changed its trustee from State Street Bank to J.P. Morgan.
