Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

### ***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note 4, which was certified by Capital Bank and Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the trustee as of and for the years ended December 31, 2015 and 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Other Matter***

The Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2015 are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

**Garden View Care Center Employee Savings Plan  
Notes to Financial Statements  
December 31, 2015 and 2014**

**1. Plan Description**

The following description of the Plan is provided for financial reporting purposes only. Participants of the Plan should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

**General**

The Plan was established January 1, 1994, and is a prototype defined contribution retirement plan as defined by Section 401 of the Internal Revenue Code ("IRC") covering all eligible employees of Garden View Care Center, Inc., Garden View Care Center of Chesterfield, Inc., and Garden View Care Center of St. Louis, Inc., (the "Employers") with Garden View Care Center of Chesterfield as the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Eligibility**

Employees are eligible to enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year after completing one year of service, which consists of twelve consecutive months of employment with at least 1,000 hours of service. Employees must be age 21 before entering the Plan.

**Contributions**

Participants may contribute up to 100 percent of pretax annual compensation, as defined in the plan document, not to exceed certain dollar limits established by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Employers may also make an annual discretionary profit sharing contribution to the Plan. Contributions are allocated to eligible participants' accounts based upon percentage of eligible compensation. Participants must be actively employed at the end of the Plan year to receive the profit sharing contribution. There were no employer profit sharing contributions for the years ended December 31, 2015 and 2014.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the Employers' contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Garden View Care Center Employee Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2015 and 2014**

**Vesting and Forfeitures**

Participants are vested immediately in their contributions plus actual earnings thereon. Eligible participants do not become vested in the Employer's discretionary contribution plus earnings until they complete three years of service at which time they become 100 percent vested.

The nonvested balance is forfeited upon termination of service. Participants become fully vested upon death, termination of the Plan, normal retirement age, or total disability.

At December 31, 2015 and 2014, forfeited nonvested accounts totaled \$2,507. These accounts may be used to reduce future profit sharing contributions or for payment of administrative costs of the plan.

**Notes Receivable from Participants**

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Participants may borrow from their accounts a minimum of \$1,000 up to the maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The maximum number of loans available to any participant is one. The loan is secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 5.25 percent, which is determined by the plan administrator based on the prime rate plus 1.00 percent and is fixed over the life of the note. Loan terms are limited to five years. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

Prior to separation from service with the Employers, a participant may request a distribution of rollover contributions. In the event of a financial hardship, certain participant funds, as defined in the plan document, may be requested for distribution. In-service distributions may also be requested by participants who are at least age 59 1/2.

Upon attainment of normal retirement age, total disability, or death, the amount credited to a participant's account is payable in a lump sum or installments. Upon termination of employment for reasons other than retirement, total disability, or death, the participant's account balance will be distributed in a manner based on the value of the account. If a separated participant's account does not exceed \$5,000, the benefit will be distributed in a lump sum within a reasonable time after termination of employment. If the participant's account balance exceeds \$5,000, the participant may elect to receive the benefit in a lump sum or installments in accordance with the plan document.

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of the Plan have been prepared in accordance with the provisions of Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Fair Value Measurements**

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within that framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2015 and 2014. Delinquent loans are treated as distributions based upon the terms of the plan document.

**Garden View Care Center Employee Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2015 and 2014**

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts established by the IRC are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2014 excess contributions to the applicable participants prior to March 15, 2015.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Employers and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments.

**Subsequent Events**

The Plan has evaluated subsequent events through October 10, 2015, the date the financial statements were available to be issued.

**3. Change in Accounting Principle**

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. Part I eliminates the requirements to measure fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirements to disclose individual investments that represent five percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics, and risks. Further, the disclosure information about fair value measurements shall be provided by general type of Plan asset. Parts I and III are not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively. Management has elected to early adopt Part II.

**4. Information Certified by Trustee**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2015 and 2014, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2015 and 2014, was obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by Capital Bank and Trust Company ("Capital Bank"), trustee of the Plan.

**5. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2 and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                 |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets.                                                                                                                                                                                                                                                                   |
| Level 2 | Inputs to the valuation methodologies to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instruments, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                             |

The instruments' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Carrying amounts of certain financial instruments such as participant contributions receivable, notes receivable from participants, and excess contributions payable approximate fair value due to their short maturities or because the terms are similar to market terms. There have been no changes in the methodologies used at December 31, 2015 and 2014.

**Garden View Care Center Employee Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2015 and 2014**

Following is a description of the valuation methodologies used for investments measured at fair value.

Level 1 investments consist of publicly traded mutual funds. These securities are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Level 2 investments consist of a money market fund. The fund is directly invested in various U.S. government securities. The fund is valued at the calculated unit value based on the observable underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value of investments is measured as of December 31, as follows:

| 2015                                 |                         |                   |                  |             |

## 6. Related Party and Party-in-Interest Transactions

At December 31, 2015 and 2014, certain Plan investments are shares of mutual funds of American Funds Distributors, Inc. American Funds Recordkeeper Direct is the record keeper at December 31, 2015 and 2014. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments.

During 2015 and 2014, the Employers paid certain administrative and other operating expenses of the Plan.

**Garden View Care Center Employee Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2015 and 2014**

**7. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Employers contribution portion of their account.

**8. Tax Status of Plan**

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated May 28, 2002, that the Plan is designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. The Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

In accordance with GAAP, the Plan's management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2015 and 2014, there were no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan Sponsor believes the plan is no longer subject to income tax examinations for the years prior to 2012. The Plan is subject to routine audits by federal agencies generally for three to six years after the statutory due date of annual information returns, however, there are currently no audits in progress for any tax periods.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**10. Change in Record Keeper and Third Party Administrator**

Effective August 1, 2014, the Plan changed its record keeper to be American Funds Recordkeeper Direct. Also, at that time the Plan changed its third party administrator to Dyatech, LLC.

**Notes to Financial Statements**  
**December 31, 2015 and 2014**

**11. Delinquent Participant Contributions**

In 2015, the Employers failed to remit certain participant contributions totaling \$12,470 to the Plan on the earliest date these amounts could reasonably have been segregated from the Employer's general assets. Late remittances of participant contributions constitute a prohibited transaction under ERISA. In October 2016, the Plan Sponsor submitted a request to the U.S. Department of Labor, Employee Benefits Security Administration, under the Voluntary Fiduciary Correction Program for a compliance statement related to these delinquent contributions. Related lost earnings and excise taxes were paid by the Plan Sponsor in October 2016.
