This representation letter is provided in connection with your audits of the financial statements of the Leonard Bus Sales, Inc. Profit Sharing and 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements, for the purpose of expressing an opinion on whether the financial statements present fairly, in all material respects, the net assets available for benefits and changes in net assets available for benefits of Leonard Bus Sales, Inc. Profit Sharing and 401(k) Plan in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and whether supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole.

We understand that, at our instruction, you did not perform any audit procedures with respect to information prepared and certified to by Principal Life Insurance Company, the custodian, in accordance with the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, other than comparing such information with the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedules taken as a whole. We understand the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified or provided by the custodian, was audited by you in accordance with U.S. GAAS, and was subjected to tests of our accounting records and other procedures as you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of September 30, 2016, the following representations made to you during your audit:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 18, 2016, for the fair presentation of the financial statements (and disclosures) in accordance with U.S. GAAP, and the notes include all the disclosures required by laws and regulations in which the plan is subject, including the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

4. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.

5. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: pooled separate accounts are valued based on the underlining mutual fund or determined by a pricing service. Fair value of the investment contract is calculated based on the amount plan participants or plan sponsors would receive currently if they were to withdrawal or transfer funds to prior to maturity. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement.* In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

7. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately disclosed in accordance with the requirement of U.S. GAAP.

8. The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.

9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

10. We have no intentions to terminate the plan.

11. We have properly reported and disclosed amendments to the plan instrument, if any.

12. Guarantees, whether written or oral, under which the plan is contingently liable, have been properly recorded or disclosed in the financial statements.

13. Employer contributions receivable recorded in the financial statements represent valid claims against the Plan sponsor for employer contributions due for period on or before the statement of net assets available for benefits date and have been appropriately reduced to their estimated net realizable value.

14. We acknowledge our responsibility for presenting the schedules of schedule of assets (held at end year) and the schedule of delinquent participant contributions, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the schedule of assets (held at year end) and the schedule of delinquent participant contributions, including their form and content are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.

15. In May 2015, the FASB issued ASU 2015-07, Fair Value Measurement (Topic 820): Disclosures For Investments In Certain Entities That Calculate Net Asset Value Per Share (or Its Equivalent), which exempts investments measured using the net asset value (NAV) practical expedient in ASC 820, Fair Value Measurement, from categorization within the fair value hierarchy. The Plan adopted ACU 2015-07 of this Update for the plan year, and the changes were retrospectively applied as of and for the year ended December 31, 2015. Prior year disclosures in Note 3 have been revised to reflect the retrospective application. The impact of adopting these amendments is reflected in the financial statements and the accompanying notes.

16. In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Contribution Pension Plans (Topic 962) – (I) Fully Benefit-Responsive Investment Contracts, (II) Plan Investment Disclosures, and (III) Measurement Date Practical Expedient (A Consensus of the FASB Emerging Issues Task Force) (the "Update"). The Plan adopted amendments in Part I, and II of this Update for the plan year, and the amendments in Part I and II were retrospectively applied as of and for the year ended December 31, 2015. Prior year disclosures in Note 3 have been revised to reflect the retrospective application. The impact of adopting these amendments is reflected in the financial statements and the accompanying notes.

We have designated a competent management-level individual to oversee your services and have made all management decisions and performed all management functions. We reviewed, approved and accepted responsibility for those financial statements, related notes and supplemental schedules and believe they are adequately supported by the books of the Plan.
