The Retirement Committee
United McGill Corporation Pay Deferral Plan and Trust
Groveport, Ohio

We have conducted a DOL limited-scope audit of the financial statements of United McGill Corporation Pay Deferral Plan and Trust (the Plan) for the year ended December 31, 2015 and have issued our report thereon dated October 11, 2016. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 12, 2016. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note B to the financial statements. New accounting policies that were adopted during the year were FASB ASU 2015-12; no other existing policies were changed during 2015. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 11, 2016.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Retirement Committee and management of the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Groveport, Ohio

Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of United McGill Corporation Pay Deferral Plan and Trust (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Ascensus Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2015, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Other Matter - Supplemental Schedule

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2015, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and is presented for the purpose of additional analysis, and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter- 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by Norman, Jones, Enlow & Co., who merged with Hill, Barth & King LLC as of September 30, 2015. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Ascensus Trust Company, the Trustee of the Plan. Their report, dated September 1, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2015

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

UNITED MCGILL CORPORATION PAY DEFERRAL PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

NOTE A - DESCRIPTION OF PLAN

The following brief description of the United McGill Corporation (the Company) Pay Deferral Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all salaried full-time employees and hourly-paid full-time employees of the Company who have satisfactorily completed their 90-day probationary period. Continued eligibility is subject to the participant's completion of at least 1,000 hours of service each Plan year. The Plan is administered by the Retirement Committee (the Plan Administrator) and the Plan's investments are held by Ascensus Trust Company, (the Trustee) as appointed by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions

Participants may contribute (pre-tax and after tax) up to the limitations imposed by the Internal Revenue Code (IRC). The Plan accepts rollover contributions on behalf of participants from other pension or profit sharing plans. There were no rollovers received by the Plan for the years ended December 31, 2015 and 2014.

Employer Contributions

The Company elected to match 50% of the participant's deferral (pre-tax and after-tax), not to exceed 2% of the participant's total annual compensation. The match is made on the first 4% of the employee's compensation deferred into the Plan.

Employer Profit Sharing Contributions

The Company may contribute discretionary profit-sharing contributions to the Plan for the benefit of all qualified salaried employees as authorized by the Company's Board of Directors. The Company did not authorize a discretionary contribution for the years ended December 31, 2015 and 2014.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions for eligible employees, and earnings, less an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Plan participants are immediately vested in their salary deferral and voluntary employee contributions plus earnings thereon. Participants are vested with respect to the employer matching contributions, discretionary profit-sharing contributions, and earnings thereon, in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0 %
2 but less than 3	20 %
3 but less than 4	40 %
4 but less than 5	60 %
5 but less than 6	80 %
6 or more	100 %

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their pretax accounts at a minimum of \$1,000 up to a maximum of \$50,000, or 50% of the vested portion of their account balance. The loans are secured by the balance in the participants' accounts and bear interest at the Prime interest rate plus 1% (4.25 % for the years ended December 31, 2015 and 2014).

Benefit Payments

The benefit payable to a participant or their designated beneficiary is determined by the value of the vested portion of the participant's rollover account, employee contribution account, and employer contribution account as of the valuation date. Benefits are distributed in a lump-sum payment in the amount of the participant's vested balance upon the participant's retirement, termination, disability, or death. During active employment, participants may withdraw their post-tax contributions and related earnings through a hardship withdrawal. Participants may also borrow from their vested portion of employer contributions and their pretax contributions with the approval of the Plan Administrator.

Upon enrollment in the Plan, participants may direct their contributions and the employer contributions to any of the following investment options:

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements. These policies conform to accounting principles generally accepted in the United States of America, and have been applied on a consistent basis.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value based on quoted market prices. The stable value fund and common trusts are stated at contract value. Purchases and sales of investments are recorded on a trade date basis.

Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in investment income.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan. An Administrative Fee Credit Account was established to pay fees to the record keeper from the various fund managers. The Plan pays the administrative expenses first and offsets Company contributions with the remaining funds in the account.

Forfeited Amounts

Forfeitures are used to pay administrative fees, with any remaining amounts used to reduce future employer contributions. The remaining forfeited nonvested accounts totaled \$0 and \$514 at December 31, 2015 and 2014, respectively. During the years ended December 31, 2015 and 2014, administrative fees paid from forfeited nonvested accounts were \$2,441 and \$1,180, respectively, and employer contributions were reduced by \$1,842 and \$3,905 from forfeited nonvested accounts, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of Accounting Pronouncement

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient.

Part I eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type.

Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset.

Part III is not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively. Management has elected to adopt Parts I and II early.

Subsequent Events

The Plan Administrator has evaluated all activity of the Plan through October 11, 2016, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - FAIR VALUE

FASB ASC 820 establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.

UNITED MCGILL CORPORATION PAY DEFERRAL PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2015 and 2014

NOTE C - FAIR VALUE (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

- *Mutual funds*: Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. (Level 1)
- *Common trust*: Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. (Level 1)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

2015	Total	(Level 1)	(Level 2)	(Level 3)
Mutual funds	\$ 19,679,456	\$ 19,679,456	\$ -	\$ -
Common trust	1,000,815	1,000,815	-	-

December 31, 2015 and 2014

NOTE D - SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has obtained certification from the Trustee that the information provided to the Plan Administrator by the Trustee is complete and accurate in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. A summary of information included in the financial statements, which has been certified, is as follows:

	December 31	
	2015	2014
Investments	\$ 20,680,271	\$ 22,256,808
Notes receivable from participants	234,988	240,350
Net (depreciation) appreciation in fair value of investments	(\$1,149,613)	\$ 97,668
Interest and dividends	1,112,409	1,210,459
Contributions	699,729	801,142
Benefit payments	2,175,113	722,404
Administrative expenses	69,130	69,915

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive investment contract with Met Life Stable Value Fund (Met Life). Contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2015 and 2014

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H - INCOME TAX STATUS

The IRS has determined and informed the Plan Administrator by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC that exempts the Plan from federal tax. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.
