Clarkson Eyecare, Inc. 401(k) Plan
St. Louis, Missouri

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Clarkson Eyecare, Inc. 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Ascensus Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the 2015 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2015 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter - 2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Ascensus Trust Company. Their report, dated October 14, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

December 31, 2015

(See Independent Auditor's Report)

Note A - Description of Plan

The following description of the Clarkson Eyecare, Inc. 401(k) Plan (the "Plan") provided only general information. Participants should refer to the Plan document for a more complete description of the provisions of the Plan.

General

The Plan is a defined contribution plan established for the benefit of the eligible employees of Clarkson Eyecare, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who have completed one month of service and have attained the age of 21 are eligible to participate in the Plan.

Contributions

Participant contributions are subject to an annual limit of the lesser of 80% of eligible compensation, as defined in the Plan, or limits established by the Internal Revenue Code. Participants who will be at least age 50 by the end of the Plan year may make a maximum "catch-up" contribution of \$6,000 and \$5,500 for the years ended December 31, 2015 and 2014, respectively.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants may direct their contributions among any one or more of the investment options offered by the Plan.

The Company may match a portion of employee deferrals. The percentage of the matching contribution is determined annually by the Company's board of directors. The Company did not make a matching contribution for the years ended December 31, 2015 and 2014.

Employer profit sharing contributions are discretionary and are determined annually by the Company's board of directors. A participant in the Plan is entitled to share in the employer profit sharing contributions for any Plan year if the eligibility requirements are met and the participant is an employee of the Company on the last day of the Plan year. The Company made no discretionary profit sharing contributions to the Plan for the years ended December 31, 2015 and 2014.

Note A - Description of Plan (Continued)

Participant Accounts

A separate account is established for each participant. Each participant's account is credited with the participant's contribution, the Company's contribution (if applicable), and the Plan's earnings. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting for employer contributions and earnings thereon is based on years of service as follows: less than one year – 0%, one year – 20%; two years – 40%, three years – 60%, four years – 80%, five years – 100%.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Note terms range from 12 to 60 months, unless it is for the purchase of a principal residence in which case the loan period may be up to 120 months. The loans are secured by the balance in the participant's account and bear interest at 4.25%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death or retirement, a participant may elect to receive either a lump-sum distribution of the vested account or monthly installment payments. For termination of service due to other reasons, a participant may receive the value of the vested account as a lump-sum distribution. The Plan also allows participants to withdraw their contributions in the case of financial hardship as defined by the Plan. Hardship withdrawals result in a six-month suspension of participant contributions.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Change in Accounting Policy

In July 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-12 "Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient," which simplifies the required disclosures related to employee benefit plans. Part I eliminates the requirement to measure and disclose the fair value of fully-benefit responsive investment contracts. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirement to disclose individual investments which comprise 5% of or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by investment type. Part II also requires plans to continue to disaggregate investments that are measured using fair value by general type, however plans are no longer required to also disaggregate investments by nature, characteristics and risks. Furthermore, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III is not applicable to the Plan. This ASU is effective for fiscal years beginning after December 15, 2015 (i.e. the 2016 Plan year). In accordance with the ASU, the Plan early adopted the standard as of December 31, 2015, and applied the provisions retrospectively.

In May 2015, the FASB issued ASU No. 2015-07 "Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share." The updated standard removes the requirement to present investments, for which a practical expedient is used to measure fair value at net asset value, within the fair value hierarchy table. An entity would be required to include such investments as a reconciling item so that the total fair value amount of investments in the disclosure is consistent with the fair value of investments shown on the statement of net assets available for benefits. The ASU is effective for fiscal years beginning after December 15, 2015 (i.e. the 2016 Plan year). In accordance with the ASU, the Plan early adopted the standard as of December 31, 2015, and applied the provisions retrospectively.

Note B - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefit Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note D for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Loan balances are secured by the participant's account. No allowance for credit losses has been recorded at December 31, 2015 or 2014.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain Plan expenses are deducted from the participants' accounts or from investment income. Any remaining Plan expenses are paid by the Company.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2016, the date the financial statements are available to be issued.

Note C - Investment Information Certified by the Trustee and the Custodian

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments and participant notes receivable held at December 31, 2015 and 2014, and net realized and unrealized appreciation (depreciation) in fair value of investments, interest and dividends, administrative fees, and interest income on participant notes receivable for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee and the custodian.

Note D - Investments – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Note D - Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund – Valued using the net asset value as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2015 and 2014:

2015				
	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	\$ 11,336,841	\$ -	\$ -	\$ 11,336,841
Collective trust fund (a)	-	-	-	631,770
Total investments, at fair value	\$ 11,336,841	\$ -	\$ -	\$ 11,968,611
2014				
	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	\$ 10,035,492	\$ -	\$ -	\$ 10,035,492
Collective trust fund (a)	-	-	-	440,331
Total investments, at fair value	\$ 10,035,492	\$ -	\$ -	\$ 10,475,823

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note D - Fair Value Measurements (Continued)

There were no significant transfers between Level 1, Level 2, or Level 3 investments during the years ended December 31, 2015 and 2014.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2015 and 2014:

Investment Name	2015			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Morley Stable Value Collective Trust Fund	\$ 631,770	N/A	Daily	12 months

Investment Name	2014			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Morley Stable Value Collective Trust Fund	\$ 440,331	N/A	Daily	12 months

Note E - Excess Contributions Liability

Contributions received from participants for the years ended December 31, 2015 and 2014 are reported net of payments of \$54,387 and \$62,804 made in 2015 and 2014, respectively, to certain active participants to return excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. Those amounts are also included in the Plan's statements of net assets available for benefits as an excess contribution liability at December 31, 2015 and 2014.

Note F - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note G - Income Tax Status

The Company has obtained an opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the Ascensus, Inc. prototype plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2015, there are no uncertain tax positions taken or expected to be taken that would require recognition with a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to a variety of risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values on investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Note I - Party-in-Interest Transactions

The Company provides certain accounting and administrative services to the Plan for which no fees are charged.

Certain Plan investments and notes receivable from participants are managed by Ascensus Trust Company, the trustee of the Plan's assets. Therefore, these transactions qualify as party-in-interest.

Note J - Plan Transfer

The Company acquired Thoma & Sutton Eye-Care Professionals, LLC in 2014. The Company elected to merge the plan of Thoma & Sutton Eye-Care Professionals, LLC effective January 1, 2015. In January 2015, assets totaling \$1,482,916 were merged into the Plan from The Thoma & Sutton Eye-Care Professionals, LLC 401(k) Profit Sharing Plan.
