**Note 1 - DESCRIPTION OF PLAN**

The following description of the Paxton Hardwoods 401(k) Plan ("the plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

**GENERAL**

The plan is a defined contribution plan covering all qualified employees, as defined in the plan agreement, of Paxton Hardwoods, LLC, the company, who are age 21 or older and have completed three months of service. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**CONTRIBUTIONS**

Participants may contribute a percentage up to 20% of eligible annual compensation not to exceed the annual dollar limitation defined by the Internal Revenue Code, as defined in the plan. Participants may also contribute amounts representing rollover distributions from other qualified plans. All employee contributions are invested with PNC Bank, NA. Participants are eligible for employee contributions after three months of employment at the company.

The company may make discretionary matching contributions. These matching contributions are equal to 100% of the participant's contributions up to 2% of the participant's eligible annual compensation. Participants are eligible for matching contributions after three months of employment at the company. The company made matching contributions of \$99,391 and \$88,463 for the years ended December 31, 2015 and 2014, respectively.

**PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contribution, any discretionary company contribution, the allocation of plan earnings and losses and any related investment and administrative expenses. Allocations of plan income, forfeitures and expenses are based on the proportion of each participant's account to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**VESTING**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant becomes 20% vested in company contributions after two years of service and vests ratably thereafter until 100% vested after six years of credited service. A minimum of 1,000 hours of service during the plan year is required for one year of service.

**INVESTMENT OPTIONS**

Upon enrollment in the plan, participants are able to direct their contributions, including company contributions, among any or all of the multiple investment account options. Investment options are shares of registered investment companies and a common collective trust held by PNC Bank, NA. Participants may change their investment options daily. There are no nonparticipant directed investments.

Contributions may be temporarily held as cash balances prior to the execution of the investment according to the participant's direction.

The plan provides for various investment fund options, which in turn invest in a combination of stocks, bonds, and other investment securities. Investment securities in general are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

#### **PAYMENT OF BENEFITS**

On termination of service due to death, disability or retirement, a participant may elect to receive either a single lump-sum distribution equal to the value of the participant's vested interest in his or her account, or an annuity to be paid in equal installments over a period of not more than the participant's or designated beneficiary's assumed life expectancy determined at the time of distribution. For termination of service with vested benefits of at least \$1,000, but less than or equal to \$5,000, the account balance will be automatically distributed to an individual retirement account unless the participant or beneficiary makes a timely election to receive the distribution directly or to have the distribution paid directly to another eligible retirement plan. If the participant's balance is less than \$1,000 upon termination, the balance will be paid in a lump-sum distribution. For termination of service due to reasons other than death, disability or retirement, a participant will receive an automatic distribution for the value of the vested interest in his or her account as a lump sum for balances under \$5,000. Benefits are recorded when paid.

#### **NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow from their fund accounts. The amount the plan may loan to a participant is limited by rules under the Internal Revenue Code. The maximum amount a participant may borrow is equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms generally range from one to five years. The loans are secured by the loan balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator and is fixed over the life of the loan.

#### **EXCESS CONTRIBUTIONS PAYABLE**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Code are recorded as a liability with a corresponding increase to corrective distributions. The plan distributed the excess contributions to the applicable participants prior to March 15 of the following year.

#### **FORFEITURES**

Forfeitures of nonvested company contributions can be used to first pay any plan administrative expenses or offset future employer contributions. There were no forfeitures available at December 31, 2015 and 2014. No forfeitures were used during the year ended December 31, 2015.

**ADMINISTRATION OF PLAN ASSETS**

Administrative expenses for the plan are paid by the plan and totaled \$28,030 and \$25,936 for the years ended December 31, 2015 and 2014, respectively. Certain other administrative expenses of the plan are paid by the company and are not included in the accompanying financial statements.

**Note 2 - SUMMARY OF ACCOUNTING POLICIES****BASIS OF ACCOUNTING**

The financial statements of the plan are prepared using the accrual method of accounting.

**ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

**INVESTMENT VALUATION AND INCOME RECOGNITION**

The plan has early adopted the provisions of FASB ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960); Defined Contribution Pension Plans (Topic 962); Health and Welfare Benefit Plans (Topic 965)*. The provisions of ASU 2015-12 eliminated the requirement that fully-benefit responsive investment contracts be measured and disclosed at fair value. In addition, the provisions require investments and the related appreciation and depreciation be disclosed or presented by general type and eliminated the requirement that individual investments that representing more than 5% of net assets available for benefits be disclosed separately. The adoption did not affect the plan's reported net assets available for benefits or changes in net assets available for benefits.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance. Accrued but unpaid interest, if any, would not have a material impact on the plan's financial statements.

**Note 3 - FAIR VALUE MEASUREMENTS**

The plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

FASB ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. Level 2 inputs consists of inputs other than quoted market prices included within Level 1 that are observable for valuing the asset. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There were no Level 3 inputs used by the plan.

#### *Level 1 Fair Value Measurements*

The fair value of registered investment company funds is based on quoted market prices of the shares held by the plan at year-end.

#### *Level 2 Fair Value Measurements*

The fair value of the common collective trust is based on the net asset value provided by the fund manager and is calculated as the value of the underlying assets owned by the fund, minus its liabilities divided by the number of units outstanding.

**Note 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

PNC Bank, NA, plan trustee, certified that the following information included in the financial statements and supplemental schedule is complete and accurate:

- Fair value of investments
- Investment interest and dividend income
- Notes receivable from participants
- Interest income on notes receivable from participants
- Net depreciation in fair value of investments
- Investments, as reflected in Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) at December 31, 2015

**Note 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of termination, participants remain fully vested in their own accounts.

**Note 6 - TAX STATUS**

As of December 31, 2015, the plan's latest determination letter was dated March 31, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that as of December 31, 2015, the plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

The plan adopted the provisions of FASB ASC 740-10, Income Taxes, relating to accounting for uncertain tax positions. ASC 740-10 defines a recognition threshold and measurement process for accounting for uncertain tax positions and also provides guidance on various related matters such as interest, penalties, derecognition and disclosures. The plan does not have any plan level uncertain tax positions. The plan files income tax returns in the U.S. federal jurisdiction. The plan administrator believes the plan is no longer subject to U.S. federal examinations by tax authorities for years before 2012.

**Note 7 - PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are shares of mutual funds and a common collective trust managed by PNC Bank, NA. Fees paid by the plan for investment management services are included in the net depreciation of investments. These transactions qualify as party-in-interest transactions. Additionally, certain 401(k) advisory committee members participate in the plan and transactions with these individuals may qualify as party-in-interest transactions.
