## **NORTHEAST GREAT DANE EMPLOYEES' 401(K) PLAN AND TRUST PLAN**

Notes to Financial Statements  
December 31, 2015 and 2014

### **1. Plan Description**

The following description of the Northeast Great Dane Employees' 401(K) Plan and Trust Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a participant directed defined contribution plan which covers all nonunion employees of Leuner, Inc. (d.b.a. Northeast Great Dane or the "Company"). The Plan is administered by a third party and qualifies under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

#### **Eligibility**

An employee of the Company becomes an eligible participant in the Plan as of the first entry date following the date of employment, and the attainment of 21 years of age. There is no minimum service requirement to participate under the Plan. Once the participant satisfies the eligibility conditions, they will be eligible to participate under the Plan on the participant's entry date.

#### **Contributions**

An employee participating in the Plan may annually contribute through payroll deductions, amounts as determined by the Internal Revenue Service and may contribute amounts representing distributions from other qualified plans. Additionally, participants age 50 or over may make an additional "catch-up" contribution as determined by the Internal Revenue Service. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time, or may increase or decrease their level of participation on the first day of each quarter of the Plan year.

The Company may make discretionary contributions as a uniform percentage of compensation or as a uniform dollar amount. The employer may also make discretionary profit-sharing contributions to the Plan to be allocated to all eligible participants. The allocation is based upon the ratio of the participant's compensation for the Plan year to the total compensation for the Plan year of all participants entitled to share in the contribution.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings and (c) is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The participant's account is reduced by withdrawals, losses on investments, and any forfeiture. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### 1. Plan Description (*continued*)

#### **Vesting**

A participant is 100% vested in their contributions plus allocated earnings thereon. Vesting is based on years of continuous service. The participants' vesting in the Company's matching contribution will be determined in accordance to the following schedule:

| <u>Years of Service</u> | <u>Vested Interest</u> |
|-------------------------|------------------------|
| 1                       | 20%                    |
| 2                       | 40%                    |
| 3                       | 60%                    |
| 4                       | 80%                    |
| 5                       | 100%                   |

A participant's vested interest in the Company's matching contribution will be 100% under the following conditions:

- a) Death or disability of participant while employed by the Company
- b) Attainment by participant of his/her normal retirement age
- c) Plan termination

#### **Investment Options**

Upon enrollment in the Plan, participants may direct their elective contribution and Company contribution into various investment options offered by the Plan. Participants may change their investment options at any time.

#### **Notes Receivable from Participants**

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are secured by the balance in the participant's account and bears an interest rate at commensurate with market rates for similar loans, as determined by the Plan administrator. Loans have various repayment terms generally limited to 5 years, unless that loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time. Principal and interest are paid ratably through biweekly payroll deductions.

Notes to Financial Statements  
December 31, 2015 and 2014

### 1. Plan Description (*continued*)

#### **Payment of Benefits**

On termination of service for any reason, a participant shall receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or the vested amount will be automatically rolled over to an individual retirement account provider selected by the Plan Administrator if the vested balance is \$5,000 or less. If the participant's vested interest is over \$5,000, the participant may receive payment in a lump-sum amount or the balance will remain in the plan if the participant does not consent to a distribution.

#### **Forfeitures**

The forfeited, non-vested portion of a participant's account is lost upon termination of employment. Forfeited amounts are retained by the Plan and will first be used to pay any administrative expenses and any remaining forfeitures will be used to reduce future Company contributions. As of December 31, 2015 and 2014, forfeited non-vested accounts totaled \$1,864 and \$9,931. In 2015 and 2014, administrative expenses and employer contributions were reduced by \$9,409 and \$4,977 from forfeited non-vested accounts.

### 2. Summary of Significant Accounting Policies

#### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Fair Value Measurements**

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based on the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

## **NORTHEAST GREAT DANE EMPLOYEES' 401(K) PLAN AND TRUST PLAN**

Notes to Financial Statements  
December 31, 2015 and 2014

### **2. Summary of Significant Accounting Policies (*continued*)**

#### **Investment Valuation and Income Recognition**

The Plan's investments are valued at fair market value, as estimated by the Plan's custodian, Great-West Trust Company, LLC, based on quoted market values of the underlying assets at the Plan's year end.

Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

#### **Recently Issued Accounting Pronouncements**

During 2015, the Plan adopted new U.S. GAAP guidance (ASU 2015-12) which provided that: (a) eliminates the disclosure to report individual investments that represents 5 percent or more of a plan's net assets available for benefits; and (b) eliminates the disclosure for net depreciation for investments by general type and classes of assets on the basis of nature, characteristics and risks.

Adoption of this guidance was applied retrospectively and did not have an effect on the carrying value of investments of the Plan's net assets available for benefits.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2015 and 2014.

#### **Payment of Benefits**

Benefits are recorded when paid.

Notes to Financial Statements  
December 31, 2015 and 2014

### **2. Summary of Significant Accounting Policies (*continued*)**

#### **Administrative Expenses**

Certain expenses of the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

#### **Accounting for Uncertainty in Income Taxes**

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Plan administrator believes that the Plan is no longer subject to examinations by the applicable taxing jurisdictions for years prior to December 31, 2012.

#### **Subsequent Events**

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through October 6, 2016, the date which the financial statements were available for issue. There were no material subsequent events that required recognition or additional disclosures in these financial statements.

#### **Reclassifications**

Certain reclassifications have been made to the 2014 financial statements to conform to the 2015 presentation. These reclassifications had no effect on previously reported statements of net assets available for benefits or statements of changes in net assets available for benefits.

### **3. Information Certified (Unaudited)**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC ("Great-West"), the custodian of the Plan, has certified the completeness and accuracy of all the investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2015 and 2014, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years then ended, the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2015 and the supplemental Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2015.

### 4. Investments

The Plan's investments including gains and losses on investments sold, as well as held during the year depreciated in fair value by \$333,498 and \$23,517 for the years ended December 31, 2015 and 2014.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31:

#### **Key Guaranteed Portfolio Fund**

The key guaranteed portfolio fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract since the contract was determined to be fully benefit-responsive. The contract is included in the financial statements at fair value which approximates contract value.

An event that limits the ability of the plan to transact at contract value with the issuer (for example, premature termination of the contracts by the plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives) and that also limits the ability of the plan to transact at contract value with the participants in the plan must be probable of not occurring.

### **5. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **6. Tax Status**

The Company has adopted a volume submitter prototype plan document which received an opinion letter from the Internal Revenue Service dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

### **7. Party-In-Interest Transactions**

Certain investments of the Plan are managed by Great-West Trust Company, LLC. Great-West Trust Company, LLC is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees of the Plan may borrow from their accounts and such loans qualify as party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

### **8. Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported herein the statements of net assets available for benefits.
