This representation letter is provided in connection with your limited scope audits of the financial statements of SafeNet, Inc. 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits of the Plan for the years then ended, and the related notes to the financial statements. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Bank of America, N.A., the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of October 11, 2016, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 28, 2016, for the preparation and fair presentation of the financial statements and related notes in accordance with U.S. GAAP and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The notes to the financial statements include all disclosures required by laws and regulations to which the Plan is subject.
2. We acknowledge and have fulfilled our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions used in making those estimates, and we believe the estimates (including those measured at fair value) and the significant assumptions used in making those accounting estimates are reasonable.
5. Significant estimates have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP. Significant estimates are estimates at the financial statement date that could change materially within the next year.
6. Related party relationships and transactions, including transactions with parties-in-interest, as defined by ERISA section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
7. All significant plan amendments, adopted during the period or subsequent to the date of the financial statements, and their effects on benefits and net assets have been disclosed in the financial statements.
8. All events occurring subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
9. We have not identified or been notified of any uncorrected financial statement misstatements. In addition, you have proposed adjusting journal entries that have been posted to the Plan's accounts, including adjusting journal entries to convert our cash basis records to the accrual basis. We have reviewed and approved those adjusting journal entries and understand the nature of the changes and their impact on the financial statements. We are in agreement with those adjustments and accept responsibility for them.
10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
11. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status of the Plan) that legal counsel have advised us that must be disclosed.
12. There are no—

- a. Non-exempt party-in-interest transactions [as defined in ERISA section 3(14) and regulations under the section] that were not disclosed in the supplemental schedules or financial statements.
 - b. Investments or loans in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - c. Reportable transactions [as defined in ERISA section 103(b)(3)(H) and regulations under that section] that were not disclosed in the supplemental schedules.
13. Material concentrations have been properly disclosed in accordance with U.S. GAAP.
14. The methods and significant assumptions used to estimate fair values of financial instruments are disclosed in Note 5 to the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
15. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
16. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the financial statement date and have been reduced to their estimated net realizable value.
17. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
18. The Plan was terminated and merged into the Gemalto Retirement Savings Plan effective December 31, 2015 with assets transferring in 2016.
19. We have applied the expanded definition of readily determinable fair value per Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2015-10, *Technical Corrections and Improvements*, to the Plan's investments in the stable value fund because the investment transacts on a daily basis at published prices.

 - d. Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
 - e. Complete minutes of the meetings of the plan administrative committee, board of trustees, and committees of trustees, or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 2. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
 - 3. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
 - 4. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
 - 5. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others when the fraud could have a material effect on the financial statements.

 - 7. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
 - 8. We are not aware of any pending or threatened litigation, claims, or assessments, or unasserted claims or assessments, that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

9. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed in accordance with U.S. GAAP.
10. We have disclosed to you the identity of the Plan's related parties and all the related party relationships and transactions, including transactions with parties-in-interest, as defined by ERISA section 3(14) and regulations thereunder, of which we are aware.
11. The Plan has satisfactory title to all owned assets, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
12. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
13. All required filings of plan and trust documents with the appropriate agencies have been made.
14. The Plan obtained its latest determination letter on August 24, 2012, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
15. The Plan and the trust established under the Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
16. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
17. The Plan has complied with the fidelity bonding requirements of ERISA.
18. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable, and we are in compliance with DOL regulations regarding ERISA section 408(b)(2).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014**

NOTE 1 DESCRIPTION OF PLAN

The following description of the SafeNet, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan covering substantially all full-time employees of SafeNet, Inc. (the Company) who have at least three months of service. Participants are also eligible for the Company matching and profit sharing component if they are employed on the last day of the Plan year. The Company has designated the first day of each month as the entry dates for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Effective January 8, 2015, SafeNet, Inc., was sold to Gemalto, Inc.

Plan Termination

Plan management terminated the Plan effective December 31, 2015 and merged the assets into the Gemalto Retirement Savings Plan on January 1, 2016. Upon termination of the Plan, all participants of the Plan became eligible to participate in the Gemalto Retirement Savings Plan. The discretionary contribution for December 31, 2015 of \$1,540,664 was remitted to the Gemalto Retirement Savings Plan in 2016 and is included as a receivable and corresponding payable at December 31, 2015.

Contributions

Participants may contribute up to 100% of pretax annual eligible compensation, as defined in the Plan, not to exceed annual Internal Revenue Code (IRC) limits. Participants who have attained aged 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary matching contribution to the Plan equal to a percentage of the participant's contribution which the Company will determine each year. During 2015 and 2014 the Company chose to match 100% of participant deferrals, up to 3% of the participants' eligible compensation.

The Company may also elect to make discretionary profit sharing contributions as determined annually by the Board of Directors. No profit sharing contributions were made in 2015 and 2014.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's discretionary contributions, as well as allocations of (a) Plan earnings (losses) and (b) administrative expenses. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The portion of their account representing the Company's discretionary matching and profit sharing contributions and earnings thereon vest as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

If a participant terminates due to death, disability or retirement, they will automatically become 100% vested in all employer contributions and earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loans must be repaid in five years unless the proceeds are used to acquire a primary residence, which then must be re-paid in ten years. The loans are collateralized by the balance in the participants' account and bear interest at a reasonable rate as determined by the Plan administrator. Loans are repaid through payroll deductions based upon an established amortization schedule.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant with a vested balance of less than \$5,000 will receive a lump sum distribution. Participants or their beneficiaries who have balances greater than \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a term to be determined based on life expectancy. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may withdraw voluntary contributions from their accounts by reason of financial hardship under specific guidelines set forth in the Plan. In-service withdrawals are also allowed for participants who are at least 59 ½ years old.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

The amounts of forfeitures available were \$0 and \$82,953 at December 31, 2015 and 2014, respectively. The outstanding forfeiture balance of \$154,685 was transferred to the Gemalto Retirement Savings Plan. These accounts may be used to pay administrative expenses and used towards discretionary Company contributions. The Company used \$44,839 and \$72,775 to reduce Company discretionary matching contributions during the years ended December 31, 2015 and 2014, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Plan Committee and Management determine the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 and 2014. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits paid to participants are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments and are used to pay investment advisors through a revenue sharing arrangement.

The Plan received \$71,095 and \$25,962 of shared revenue, for which none was used to reduce administrative expenses during the years ended December 31, 2015 and 2014, respectively. The outstanding revenue sharing balance of \$115,774 was transferred to the Gemalto Retirement Savings Plan. As of December 31, 2015 and 2014, the shared revenue account totaled \$0 and \$43,751, respectively.

Subsequent Events

The Plan has evaluated subsequent events through October 11, 2016, the date the financial statements were available to be issued.

The discretionary contribution for December 31, 2015 of \$1,540,664 was remitted to the Gemalto Retirement Savings Plan in 2016 and is included as a receivable and corresponding payable at December 31, 2015.

NOTE 3 CERTIFIED INVESTMENTS

Certain information disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2015 and 2014, and net depreciation in fair value of investments, interest income from notes receivable from participants, and interest and dividends for the years ended December 31, 2015 and 2014, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Bank of America N.A., the trustee of the Plan.

NOTE 4 INVESTMENTS

During the years ended December 31, 2015 and 2014, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

	2015	2014
Mutual Funds	\$ (4,803,072)	\$ (471,480)
Stable Value Fund	<u>61,234</u>	<u>54,572</u>
Net Depreciation	<u>\$ (4,741,838)</u>	<u>\$ (416,908)</u>

NOTE 5 FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, as such:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the assets or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5 FAIR VALUE MEASUREMENT (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2014.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end as quoted in active markets.

Stable value fund: The stable value fund (SVF) is valued at the NAV of the shares held by the Plan. NAV is a readily determinable fair value and is the basis for current transactions.

The following table sets forth by the level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2014:

	Level 1	Level 2	Level 3	Total
Mutual funds, by type:				
Growth	\$ 21,718,372	\$ -	\$ -	\$ 21,718,372
Value	9,674,587	-	-	9,674,587
Fixed Income	4,320,903	-	-	4,320,903
Mid-Cap	8,063,308	-	-	8,063,308
Global	7,401,522	-	-	7,401,522
Small Cap	1,291,087	-	-	1,291,087
Lifestyle	9,133,445	-	-	9,133,445
Total Mutual Funds	61,603,224	-	-	61,603,224
Stable Value Fund	-	4,582,145	-	4,582,145
Total Investments at Fair Value	\$ 61,603,224	\$ 4,582,145	\$ -	\$ 66,185,369

NOTE 6 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds, money market account and a stable value fund managed by Merrill Lynch, recordkeeper of the Plan as of December 31, 2014. These investments qualify as party-in-interest investments/transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 7 TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated August 24, 2012, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015 AND 2014**

NOTE 7 TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
