Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Massachusetts Mutual Life Insurance Company, the recordkeeper of the Plan as agent for Hartford Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the agent on behalf of the trustee, as of and for the period January 1, 2015 through December 21, 2015 and the year ended December 31, 2014 that the information provided to the Plan Administrator by the agent for the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

As described in Note 6 to the financial statements, the governing body of Manpower, Inc. of Toledo 401(k) Plan, approved to terminate the Plan effective October 30, 2015. As a result, the Plan has changed its basis of accounting from the ongoing basis used in presenting the 2014 financial statements to the liquidation basis used in presenting the 2015 financial statements. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets held for investment purposes at year end as of December 21, 2015 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Massachusetts Mutual Life Insurance Company, the recordkeeper of the Plan as agent for Hartford Life Insurance Company, the trustee of the Plan, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MANPOWER, INC. OF TOLEDO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Period January 1, 2015 through December 21, 2015 (In Liquidation) and
Year Ended December 31, 2014 (Ongoing)

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Manpower, Inc. of Toledo 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering all employees of Manpower, Inc. of Toledo (the Company) who completed one year of eligibility service and were age 18 or older. Employees entered the Plan on the first day of January, April, July, or October after they have met all eligibility criteria. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The original Plan was implemented on January 1, 1998. The Plan was terminated effective October 30, 2015 (Note 6).

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation as defined in the Plan, up to the maximum amount allowed by the Internal Revenue Code regulations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may, at its discretion, make matching contributions. No matching contributions were made in 2015 or 2014. All contributions are subject to compliance with Internal Revenue Code regulations.

Forfeitures, if any, of matching contributions shall be used to reduce the Company's matching contribution. There were no forfeitures in 2015 or 2014.

Participant Accounts

Each participant's account is credited with the participant's contribution, and allocations of the Company's contribution, if any, and Plan earnings, and is charged with an allocation of plan administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants were immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion was based on years of service. A participant was 100% vested after five years of credited service. All participants in the plan became 100 percent vested in the Plan upon Plan termination.

NOTE 1 - DESCRIPTION OF PLAN, Continued

Participants may borrow from their fund accounts the lesser of one half of their vested account balance or \$50,000. The minimum loan amount permitted is \$1,000. The outstanding loan balance at December 21, 2015 and December 31, 2014 was \$-0- and \$12,776, respectively. The loans are secured by the balance in the participant's account. Loans bear interest at market rates as determined by the Plan Administrator. Current loans interest rates are 3.25% per annum. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, a participant could elect to remain in the Plan, receive a lump sum distribution equal to the participant's vested interest in his or her account, or roll their account into another plan.

Plan Administrative Fees

Trustee fees are paid by the Plan's participants, and other administrative fees are paid by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

On October 21, 2015, Manpower, Inc. of Toledo, the Plan Sponsor, approved to terminate the Plan effective October 30, 2015. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting to the liquidation basis of accounting for the period January 1, 2015 through December 21, 2015. All Plan assets were liquidated as of this date. This basis of accounting does not substantially differ from the ongoing basis of accounting (accrual basis). The financial statements of the Plan for the year ended December 31, 2014 are prepared using the accrual basis of accounting (ongoing basis).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as determined by the investment trustee of the Plan, Hartford Life Insurance Company.

Purchases and sales of securities are recorded as of the trade date. Interest and dividends are recorded on the accrual basis.

Plan participants may choose investments at their discretion from those offered by the Plan.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance, plus accrued interest. No allowance for credit losses has been recorded as of December 21, 2015 and December 31, 2014. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Information Certified by Trustee

The Plan administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under this election, the Plan administrator has obtained a certification from Massachusetts Mutual Life Insurance Company, the recordkeeper of the Plan as agent for Hartford Life Insurance Company, the trustee of the Plan, that the information provided to the Plan administrator by the agent for the trustee is complete and accurate. Accordingly, no audit procedures have been performed with respect to such information certified by the agent acting on behalf of the trustee.

Amounts included in the accompanying financial statements for 2015 and 2014 which are certified by the agent acting on behalf of the trustee: Investments and Investment Income, Notes Receivable from Participants and Interest Income, and the information included in the supplemental Schedule of Assets Held for Investment Purposes at Year End.

Subsequent Events

Management has evaluated events and transactions from December 21, 2015 through October 6, 2016 for possible recognition or disclosure in these financial statements. This date is the date these financials were available to be issued. Management concluded there were no subsequent events requiring recognition or disclosure.

NOTE 3 - FAIR VALUE MEASUREMENTS

The financial statements follow the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, which defines and establishes a single authoritative definition of fair value, sets a framework for measuring fair value, and requires additional disclosures about fair value measurement.

In accordance with ASC 820-10, the Plan classifies its investments into Level 1, which refers to securities traded in an active market, Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or Level 1 securities where there is a contractual restriction, and Level 3, which refers to securities not traded in an active market for which no significant observable market inputs are available. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of such shares held by the Plan at year-end. The fixed account is fully-benefit responsive and is reported at liquidation value, based on actuarial formula, as defined under the terms of the contract. Transfers of levels 1, 2 and 3 of the fair value hierarchy are recognized at the date the transfer is made. There were no transfers between levels in 2015 and 2014. At December 31, 2014, the Plan's investments were classified as follows, based on fair values:

Investments of the Plan are held by Hartford Life Insurance Company. Following is a summary of the Plan's investments at December 31, 2014. Investments that represent 5% or more of the net assets of the Plan are separately identified.

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Hartford Life Insurance Company. Hartford Life Insurance Company maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals. The contract is included in the financial statements at fair value and then adjusted to contract value as reported to the Plan by Massachusetts Mutual Life Insurance Company agent for Hartford Life Insurance Company. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Hartford Life Insurance Company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the contract will track current market yields on a trailing basis.

NOTE 6 - PLAN TERMINATION

On October 21, 2015, the Plan Sponsor approved to terminate the Plan effective October 30, 2015. All participants in the Plan became 100 percent vested in the Plan upon termination and were provided the option to have their account balance rolled into an individual retirement arrangement or receive a lump sum distribution. Plan assets totaling \$752,737 were distributed by the Plan as of December 21, 2015.

NOTE 7 - TAX STATUS

This Plan was a prototype standardized profit-sharing plan of PDS Advantage (formerly known as DATAIR). PDS Advantage has been informed by the Internal Revenue Service that this Plan is acceptable under Section 401 of the Internal Revenue Code and that a company that adopts this plan is considered to have a plan qualified under Code Section 401(a) provided all terms of the Plan are followed.

The Company believes that the Plan was being operated in compliance with the applicable sections of the Internal Revenue Code and that the Plan and related trust were qualified and tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 21, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator (“you”) in completing the Form 5500 Schedule C¹ by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2015 - 12/31/2015 and indirect compensation is presented on a calendar year basis ending 12/31/2015.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because, among other potential considerations, plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan’s service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

¹Please refer to the Schedule C of the Form 5500 and its instructions (available at: <http://www.dol.gov/ebsa/5500main.html>), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction for the plan year. Service providers which have received portions of these direct fees are listed below, along with the amount of fees they received. Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: Massachusetts Mutual Life Insurance Company EIN: 04-1590850

Service Codes: 15, 23, 37, 38, 54, 55, 59, 60, 62, 63, 64, 65, 66, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **\$937.50**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2015 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Massachusetts Mutual Life Insurance Company ("MMLIC") are the net result of aggregating direct compensation after the effects of adjustments processed in 2015, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Float compensation **\$173.56**

Bank accounts and investments associated with short-term investment pool

This is an estimate based on the annual average rate of float (0.573% for 2015) earned on the bank accounts and investments associated with the short-term investment pool for the 2015 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor, subject to applicable regulation. The Plan Sponsor should consult with the Plan's/Plan Sponsor's tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. MassMutual's Code of Conduct generally restricts MassMutual employees from giving to or receiving gifts from customers and/or business partners having a value of over \$100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the calendar year, including MassMutual, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual.

Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in Massachusetts Mutual Life Insurance Company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The above list includes any investment option held by the plan on at least one month end during the 2015 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

**Separate Account Charge

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. MassMutual's Code of Ethics and Business Conduct generally restricts MassMutual employees from giving to or receiving gifts from customers and/or business partners having a value of over \$100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the 2015 calendar year, including MassMutual, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual.

Please consult with your legal or tax advisors if you have any questions.
