HR-10 Plan And Trust

Notes to Financial Statements on a Modified Cash Basis

1. Description of the plan

The following description of the Hahn Loeser & Parks LLP HR-10 Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan was established on January 1, 1968. Effective January 1, 2001, the Plan document was amended and restated to incorporate all amendments made to the Plan since its inception.

Hahn Loeser & Parks LLP (the Partnership) is a participant in the American Bar Association Retirement Funds (the Fund or Program) which is organized to administer retirement plans for member lawyers and law firms.

Effective September 8, 2015, American Bar Association Retirements Funds changed its trustee of the Plan investments to Mercer Trust Company (the Trustee). Plan assets transferred to the new trustee were transferred into participant directed accounts with the same investment options offered by the previous trustee (Northern Trust Corporation).

General

The Plan is a defined contribution (money purchase) plan covering all eligible employees (as defined) of the Partnership. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The assets of the Plan are used to pay expenses for services necessary for administration of the Plan. Additionally, the Partnership provides certain administrative support for the Plan at no cost.

Participation and contributions

Employees are eligible to participate after one year of service. The Plan's entry dates are January 1 and July 1 (whichever date is first after completing the service requirement). The Partnership's contributions for 2015 and 2014 met the minimum funding standards of ERISA.

The Partnership's contribution for staff ranges from 5% to 11%. The Partnership's contribution for associate's ranges from 3% to 10% and the contribution rate applicable to any associate who is not a highly compensated employee is no less than 5%. The contribution is based on the number of years of service with the Partnership.

The contribution percentage for participants who are partners range from 3% to 12.5% of self-employment income reduced by 1/2 of self-employment tax and the current year contributions for the Plan year as defined and limited by law provided; however, certain participants will be subject to a minimum required contribution amount. The contribution percentage is based on the greater of a percentage determined by the level of self-employment income of the Partner for the Plan year, or a percentage determined by the age of the partner at the end of the Plan year; however, it could be less than the scheduled amount if the participant has been a partner for less than five years and has been admitted to practice law for a period of less than thirteen years. The contribution is limited to an amount set by the Internal Revenue Service. The contribution rate applicable to any Partner who is not a highly compensated employee is no less than 5%.

Notes to Financial Statements on a Modified Cash Basis

Participant accounts

The Mercer Trust Company (the Trustee) maintains a separate account for each participant in the Plan, reflecting the Partnership's annual contribution and allocation of the Plan's earnings, losses and expenses. The net value of each participant's account is established at the close of each business day through the evaluation of each fund's assets at market value. The Trustee allocates the Partnership's annual aggregate contribution to each active participant's separate account as of each anniversary date (December 31). A participant may elect to invest all of their accounts into various investment options available under the Plan. Separate accounting for each of the participants' funds is maintained pursuant to the participant's designated election.

Vesting

The vesting schedule for participants' ranges from 20% after two years of service; increasing for each additional year of service in 20% increments, until obtaining 100% after six years.

Payments of benefits

Participants are eligible to receive benefits of their vested portion upon the attainment of age 65 or as a result of death, disability or termination of employment. Distributions are to be made in the form of annuities unless an election is made to waive the annuity form of benefit for direct rollover or cash distribution. Automatic cash out of participant vested account balances of \$1,000 or less are required under the Plan.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures may be used to reduce future Partnership contributions to the Plan or may be used, as directed by the Plan Administrator, to pay reasonable expenses incurred in the administration of the Plan. There were \$62,656 and \$123,627 forfeitures used in 2015 and 2014, respectively, to reduce the employer contribution. Forfeited non-vested accounts were minimal at December 31, 2015 and 2014, respectively.

Notes receivable from participants

The Plan allows participants to borrow against their vested account balance in the Plan. Participants may borrow up to the lesser of \$50,000 in the aggregate for all plans sponsored by the Partnership, reduced by the highest outstanding balance of Plan loans during the prior one-year period or one-half of their vested account balance. No more than five loans per participant may be outstanding at any time. No loan of less than \$1,000 will be made. The loans are repayable over no longer than five years, unless the loan is used to acquire a principal residence. The loans are secured by the balance in the participants account and bear a fixed interest rate of prime plus 1% as of the loan date. Interest rates on outstanding notes receivable range from 4.25% to 6.25%. Principal and interest is paid ratably through payroll deductions.

Notes to Financial Statements on a Modified Cash Basis

2. Summary of significant accounting policies

Basis of presentation

The accompanying financial statements have been prepared on the modified cash basis. This basis, which is permitted by Department of Labor regulations, recognizes contributions when the Plan actually receives the money, recognizes expenses when the Plan actually disburses the money and values investments at aggregate fair value and includes recognition of net unrealized appreciation and depreciation of investments, which are included as a component of net appreciation in fair value of investments. The accounting records are maintained by a third party administrator engaged by the Plan sponsor in conjunction with The Mercer Trust Company, who maintains the assets and distributes benefits.

Valuation of investments and Income Recognition

The Plan's investments are reported at fair value. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The fair values of participation units held in common / collective trusts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The investment objectives and underlying investments of the common / collective trusts vary, with some holding diversified portfolios of domestic or international stocks and open-ended mutual funds, some holding securities of U.S. Companies in a particular industry sector, some holding short-term and/or medium-term corporate, government agency bonds, and others holding a blend of various domestic stocks, bonds and mutual funds. Each collective trust provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

The Plan presents in the Statements of Changes in Net Assets Available for Benefits on a Modified Cash Basis the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits on a Modified Cash Basis.

HR-10 Plan And Trust

Notes to Financial Statements on a Modified Cash Basis

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Use of estimates

The preparation of the financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent). The amendments in this update remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value practical expedient. However sufficient information must be provided to permit reconciliation of the fair value of assets categorized within the fair value hierarchy to the amounts presented in the statement of financial position. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. The amendments in this update are effective for public business entities for fiscal years beginning after December 15, 2015. For all other entities, the amendments in this update are effective for fiscal years beginning after December 15, 2016. Early adoption is permitted. Upon adoption, the amendments shall be applied retrospectively to all periods presented. The Plan elected to early adopt ASU 2015-07 effective December 31, 2015. As a result of the adoption of ASU 2015-07, the Plan retrospectively modified its fair value disclosures. The presentation of fair value of the Plan's common / collective trusts as of December 31, 2014 has been removed from the hierarchy levels in order to conform to the presentation used as of December 31, 2015.

In July 2015, the FASB issued ASU No. 2015-12 Part I Fully Benefit-Responsive Investment Contracts, Part II Plan Investment Disclosures and Part III Measurement Date Practical Expedient. The amendments in this update (1) requires a pension plan to use contract value as the only measure for fully benefit – responsive investment contracts, (2) simplifies and increases the effectiveness of the investment disclosure requirements for employee benefit plans, and (3) provides benefit plans with a measurement – date practical expedient similar to the practical expedient provided to employers in ASU 2015-04, Practical Expedient for the Measurement Date of an Employer's Defined Benefit Obligation and Plan Assets. The amendments in this update are effective for fiscal years beginning after December 15, 2015. Early adoption is permitted. Upon adoption, the amendments in Part I and Part II shall be applied retrospectively to all periods presented, while amendments in Part III shall be applied prospectively. The Plan has chosen to adopt Parts I and II for the 2015 Plan year. Part III is not applicable to this Plan. As a result, the footnote disclosing investments at or greater than 5% as of December 31, 2014 was removed.

Notes to Financial Statements on a Modified Cash Basis

Upon adoption of ASU 2015-12, fully benefit-responsive investment contracts are measured, presented, and disclosed only at contract value.

Evaluation of subsequent events

The Plan has evaluated subsequent events through October 13, 2016, the date the financial statements were available to be issued and has determined that there were no subsequent events that have occurred through that date to recognize or disclose in these financial statements.

3. Investments/notes receivable from participants (unaudited)

All investment and notes receivable from participants information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2015 and 2014, net appreciation in fair value of shares of common/collective trust, and interest and dividend income for the years ended December 31, 2015 and 2014, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustees, The Mercer Trust Company as of December 31, 2015 and for the period from September 8, 2015 through December 31, 2015 and The Northern Trust Corporation as of December 31, 2014 and for the period from January 1, 2014 through September 7, 2015. As elected by the plan administrator, no auditing procedures have been performed on this information except to compare such information to the information included in the accompanying financial statements.

4. Reconciliation of financial statements to Form 5500

As discussed in the valuation of investment section of Note 2, the financial statements reports the value of the Plan's stable value fund investment at contract value whereas the Form 5500 reports at fair value.

The following is a reconciliation of Net Assets Available for Benefits on a Modified Cash Basis per the financial statements to the Forms 5500 as of December 31:

	2015	2014
Net assets available for benefits per the financial statements	\$38,955,935	\$38,200,869

	2015	2014
Total additions to net assets per the financial statements	\$ 1,878,888	\$ 4,546,739

Schedule H, line 2d - per the Form 5500	\$ 1,818,297	\$4,579,540

5. Income tax status

The Plan obtained its latest determination letter on September 14, 2009, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes that the Plan continues to be operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related party transactions

For the year ended December 31, 2015 and the period September 8, 2015 through December 31, 2015, certain Plan investments are shares of common / collective trusts which are sponsored / managed by The Mercer Trust Company. The Mercer Trust Company is also the Trustee as defined in the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan was under contract with The Northern Trust Corporation for the year ended December 31, 2014 and for the period January 1, 2014 through September 7, 2015, certain Plan investments are shares of common / collective trusts which were sponsored / managed by The Northern trust Corporation. The Northern Trust Corporation was also the Trustee as defined in the Plan, and therefore, these transactions qualified as party-in-interest transactions.

In 2015 and 2014, the Plan was under contract with The Mercer Trust Company and The Northern Trust Corporation to provide various administrative services. Fees paid by the Plan for these administrative services were \$4,989 and \$5,964 for the years ended December 31, 2015 and 2014, respectively.

Notes receivable from participant also qualify as party-in-interest transactions.

7. Plan termination

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all the participants will become 100% vested in their account balances.
