BEHAVIORAL CONNECTIONS OF WOOD COUNTY 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2015 and 2014

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Behavioral Connections of Wood County 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan covers all employees of Behavioral Connections of Wood County (the Organization). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The original Plan was implemented on April 1, 1990.

Contributions

Participants may contribute a percentage of their annual pretax compensation as defined by the Plan up to the maximum amount allowed by the Internal Revenue Code regulations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants making deferrals become eligible to receive the Organization match after completing at least 1,000 hours of service within a twelve month period. The Organization provides a matching contribution of 100% of the first 2% of elective deferrals plus 50% of the amount of the participant's elective deferrals that exceed 2% of the participants compensation but do not exceed 4% of the participant's compensation. The Organization also makes a non-elective contribution of 4% of qualified compensation for all employees who have completed 1,000 hours of service within a twelve month period. All contributions are participant directed based on their existing fund allocation.

Forfeited Accounts

Forfeitures, if any, of employer nonvested contributions shall be used to reduce the Company's matching and discretionary contributions. For the years ended December 31, 2015 and 2014, forfeited employer contributions utilized totaled \$-0- and \$3,985, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Organization's contribution, and allocations of Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN, Continued

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Participants are 100% vested in the Organization's matching and non-elective contributions and the earnings thereon after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount permitted is \$1,000. The outstanding loan balance at December 31, 2015 and 2014 was \$19,606 and \$30,834, respectively. The loans are secured by the balance in the participant's account. Loans bear interest at the prime rate. Current loan interest rates are 3.25% per annum. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, a participant may elect to remain in the Plan, receive a lump sum distribution equal to the participant's vested interest in his or her account, or rollover their account into another plan.

Plan Administrative Fees

Trustee fees, recordkeeping fees and investment advisory fees are paid by the Plan's participants, and other administrative fees are paid by the Organization.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as determined by the investment custodian of the Plan, Charles Schwab Bank.

Purchases and sales of securities are recorded on the settlement-date basis. However, differences between settlement-date and trade-date are immaterial. Interest and dividends are recorded on the accrual basis. Plan participants may choose investments at their discretion from those offered by the Plan.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance plus accrued interest. No allowance for credit losses has been recorded as of December 31, 2015 and 2014. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Commitments

Net assets available for benefits at December 31, 2015 and 2014, include approximately \$2,958 and \$9,900 respectively, allocated to the accounts of participants who had withdrawn from participation in the Plan prior to such date. These amounts were paid to the former participants within the first month subsequent to each year end.

Information Certified by Trustee

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under this election, the Plan administrator has obtained a certification from the trustee, Charles Schwab Bank that the information provided to the Plan administrator by the trustee is complete and accurate. Accordingly, no audit procedures have been performed with respect to information certified by the trustee.

Amounts included in the accompanying financial statements which are certified by the trustee are: Investments and Investment Income, Cash, Interest Income on Notes Receivable from Participants, and the information included in the supplemental Schedule of Assets Held for Investment Purposes at Year End.

Subsequent Events

Management has evaluated events and transactions from December 31, 2015 through October 13, 2016 for possible recognition or disclosure in these financial statements. This date is the date these financials were available to be issued. Management concluded, other than as stated in Note 9, there were no subsequent events requiring recognition or disclosure.

NOTE 3 - FAIR VALUE MEASUREMENTS

The financial statements follow the provisions of ASC 820-10, *Fair Value Measurements*, which defines and establishes a single authoritative definition of fair value, sets a framework for measuring fair value and requires additional disclosures about fair value measurement.

In accordance with ASC 820-10, the Plan classifies its investments into Level 1, which refers to securities traded in an active market, Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available or Level 1 securities where there is a contractual restriction, and Level 3, which refers to securities not traded in an active market for which no significant observable market inputs are available. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Transfers between levels 1, 2 and 3 of the fair value hierarchy are recognized at the date the transfer is made. There were no transfers between levels in 2015 or 2014.

NOTE 5 - TAX STATUS

The Plan has not been informed by the Internal Revenue Service that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). As of the financial statement date, the Plan has not requested a determination from the IRS.

The Organization believes that the Plan is currently being operated in compliance with the applicable sections of the Internal Revenue Code and that the Plan and related trust are qualified and tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2012.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are offered through and managed by Charles Schwab Bank, the Trustee, in the aggregate of \$328,070 and \$606,869 as of December 31, 2015 and 2014, respectively, and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan to the trustee, recordkeeper and investment advisor for investment management services amounted to \$29,256 and \$35,238 for the years ended December 31, 2015 and 2014, respectively.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
