We were engaged to audit the accompanying financial statements of The Visiting Nurse Association Matched Savings Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Bases for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Bases for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Great-West Life & Annuity Insurance Company ("Great-West"), the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the Custodian as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the plan administrator by the Custodian is complete and accurate.

In addition, because of inadequacies in the Plan's records prior to January 1, 2009, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2015 and 2014, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year ended December 31, 2015.

Disclaimer of Opinion

Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2015 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE VISITING NURSE ASSOCIATION MATCHED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of The Visiting Nurse Association Matched Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code covering all employees of The Visiting Nurse Association of Cleveland, VNA Healthcare Partners of Ohio, VNA of Cleveland Hospice, VNA CarePlus, VNA Housecalls (inactive), and VNA of Mid-Ohio (collectively the "Organization") except for the following: independent contractors and affiliated employers unless the affiliated employer has specifically adopted the Plan in writing. Employees are not required to attain a certain age or complete any period of service with the Organization to become eligible to participate in salary reduction contributions. However, employees are required to complete six months of service to participate in employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service limitations.

The Organization shall have the right to make a discretionary matching contribution equal to a uniform percentage of the participant's deferred compensation (less catch-up contributions) to those participants that are eligible. The exact percentage, if any, is determined each year by the employer. The Organization elected not to make a matching contribution for the year ended December 31, 2015.

The Organization has a contract with the Ohio Nurses Association ("ONA") which defines the matching contribution for employees that are members of the ONA. The Organization and the ONA, based upon a vote and approval by their members, agreed to discontinue the matching contribution, effective July 16, 2010.

The Organization has a contract with the Service Employees International Union ("SEIU") which defines the matching contribution for employees that are members of the SEIU. The Organization and the SEIU, based upon a vote and approval by their members, agreed to discontinue the matching contribution, effective October 11, 2013.

Participant Accounts

Great-West Life & Annuity Insurance Company ("Great-West"), the Custodian of the Plan, maintains individual accounts for each participant. These accounts are credited with the participants' contribution, employer matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE VISITING NURSE ASSOCIATION MATCHED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Vesting

Participants have a 100% non-forfeitable vested interest in their own contributions as well as employer contributions.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 5.25% to 11.50%, which are commensurate with local prevailing rates at the time of the loan as determined quarterly by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specified term. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Withdrawals

Participants who have attained the age of 59½ may withdraw all or part of their account. Participants under the age of 59½ may withdraw all or part of their tax-deferred contributions for reasons that qualify as a financial hardship, as defined under federal law.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Organization has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

THE VISITING NURSE ASSOCIATION MATCHED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

New Accounting Pronouncement

In July 2015, the Financial Accounting Standards Board issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965)*. The Plan elected early adoption of this pronouncement, which changed certain investment disclosure requirements. As such, the Plan is no longer required to (1) disclose individual investments that represent 5% or more of net assets available for benefits; (2) disclose the net appreciation or depreciation for investments by general type; (3) disclose the fair value and average yields of investments in fully benefit-responsive investment contracts which are only required to be reported at contract value; or (4) disaggregate investments by anything other than general type within the fair value hierarchy. These changes have been applied retrospectively to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive insurance contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note 3 and Note 5 for discussion of fair value measurements and guaranteed interest contracts, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments the plan administrator deems the participant loan to be in default. Allowances of \$271,614 and \$285,586 have been recorded for these defaulted loan balances at December 31, 2015 and 2014.

THE VISITING NURSE ASSOCIATION MATCHED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Payments of Benefits

Benefits are recorded when paid.

Administrative Fees

Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2016, which is the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan records fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities.

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 – Unobservable inputs in which little or no market data exists.

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- Investments in registered investment companies are valued at the net asset value of the shares held by the Plan on the last day of the Plan year based on quoted closing market prices in active markets for identical investments. These are classified as Level 1.
- The fair value of investments held in the pooled separate accounts is based on their reported net asset value. The net asset value is based primarily on observable inputs, the market value of the underlying investments, and classified as Level 2.

THE VISITING NURSE ASSOCIATION MATCHED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2014 to 2015. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

Assets at Fair Value as of December 31, 2015				
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$15,556,389</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$15,556,389</u>
Assets at Fair Value as of December 31, 2014				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	<u>\$ -</u>	<u>\$16,454,155</u>	<u>\$ -</u>	<u>\$16,454,155</u>

Note 4. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2015 and 2014, the supplemental schedule at December 31, 2015, the related investment and loan interest reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2015, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 5. Guaranteed Interest Contracts

The Plan holds investment contracts which meets the fully benefit-responsive criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

THE VISITING NURSE ASSOCIATION MATCHED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Guaranteed Interest Contracts (Continued)

The investment contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed by the Plan. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed at least annually for resetting. The contracts cannot be terminated before the scheduled maturity date. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan agreement (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Party-in-Interest Transactions

Certain plan investments are managed by Great-West. The Plan also pays Great-West administrative fees for services performed. Great-West is the Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amount to \$21,528 for the year ended December 31, 2015.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Organization reserves the right to terminate the Plan at any time by an action of its Board of Directors subject to the provisions of ERISA. In the event of termination of the Plan, the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Note 8. Federal Income Tax Status

Although the Plan has not received a determination letter from the Internal Revenue Service stating the qualification of the Plan and related trust, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements. As of December 31, 2015, the Plan's tax years from 2012 and thereafter remain subject to examination by the Internal Revenue Service, as well as various other taxing authorities.

THE VISITING NURSE ASSOCIATION MATCHED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 9. Risks and Uncertainties

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2015 and 2014 to Form 5500:

	<u>2015</u>	<u>2014</u>
Net assets available for benefits per the financial statements	\$19,168,915	\$20,508,195
Notes receivable from participants deemed distributed for the financial statements only	<u>-</u>	<u>285,586</u>
Net assets available for benefits per the Form 5500	<u>\$19,168,915</u>	<u>\$20,793,781</u>

The following is a reconciliation of benefits paid directly to participants per the financial statements for the year ended December 31, 2015 to Form 5500:

Benefits paid directly to participants per the financial statements	\$ 2,128,614
Change in notes receivable from participants deemed distributed for Form 5500	<u>285,586</u>
Benefits paid directly to participants per the Form 5500	<u>\$ 2,414,200</u>
