Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Lang Masonry Contractors, Inc. Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in the notes to the financial statements, which was certified by Beneco Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Beneco Trust Company held the Plan's assets and executed investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015 and 2014, and for the years then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Plan Termination

As further discussed in the *Plan Termination* footnote in the notes to the financial statements, Plan Management and the Plan's sponsor voted on October 27, 2015 to terminate the plan. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing basis used in presenting the 2014 financial statements to the liquidation basis used on presenting the 2015 financial statements. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Independent Auditor's Report

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Lang Masonry Contractors, Inc. Retirement Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in the notes to the financial statements, which was certified by Beneco Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Beneco Trust Company held the Plan's assets and executed investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015 and 2014, and for the years then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Plan Termination

As further discussed in the *Plan Termination* footnote in the notes to the financial statements, Plan Management and the Plan's sponsor voted on October 27, 2015 to terminate the plan. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the ongoing basis used in presenting the 2014 financial statements to the liquidation basis used on presenting the 2015 financial statements. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RETIREMENT PLAN

Notes to Financial Statements
December 31, 2015 and 2014

Plan Description

The following description of the Lang Masonry Contractors, Inc. (the Company) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a non-contributory defined contribution plan covering employees of the Company who have completed service on prevailing wage projects performed by the Company, are non-union, non-leased, non-resident aliens and are age 18 or older. Upon reaching the eligibility requirements of the Plan, employees are automatically enrolled in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contributions

Contributions to the Plan are employer prevailing wage contributions. Prevailing wage contributions are based on hourly prevailing wages paid to participants for projects which require prevailing wages. Participant contributions are not permitted under the plan agreement.

Participant Accounts

Each participant's account is credited with the participant's employer prevailing wage contribution and the participant's share of Plan earnings thereon. Each participant's account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their employer prevailing wage contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their individual accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans must be repaid within five years unless the loan is granted to allow the participant to purchase his or her principal residence. The loans are secured by the balance in the participant's account and bear interest at 4.25%. Principal and interest are paid ratably through weekly payroll deductions.

Plan Description (continued)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant's vested account balance shall be distributed pursuant to elections determined by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or monthly installments. The Plan also provides for in-service distributions of a participant's vested interest in his or her account for employees who reach age 59 ½ while still employed with the Company. The Plan allows for hardship withdrawals as long as the withdrawals are for certain use as outlined in the plan document.

Administrative Expenses

Expenses incurred in connection with the administration of the Plan are paid from assets of the Plan to the extent not paid by the Company.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through a common collective trust. Contract value is calculated based on contributions plus earnings, less Plan withdrawals and administrative expenses. The Statements of Net Assets Available for Benefits should present the fair value of the investment in common collective trust from fair value to contract value; however, for the Plan, contract value approximates fair value as of December 31, 2015 and 2014. The Statements of Changes in Net Assets Available for Benefits are prepared on a contract value basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. For additional disclosure regarding fair value of investments, see the "Fair Value Measurements" footnote herein.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recognized on the ex-dividend date and interest is recognized on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 or 2014. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement, under Topic 820 – Disclosure for Investment of Certain Entities that calculate Net Asset Value per Share (or Its Equivalent)* (ASU 2015-07). ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value (NAV) per share as the practical expedient. ASU 2015-07 also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the NAV per share practical expedient. Investments that calculate NAV per share (or its equivalent), but for which that practical expedient is not applied, will continue to be included in the fair value hierarchy along with the related required disclosures. ASU 2015-07 is effective for fiscal years beginning after December 15, 2015, and is to be applied retrospectively, with early adoption permitted. The Plan has elected to early adopt ASU 2015-07.

Recent Accounting Pronouncements (continued)

In July 2015, the FASB issued ASU 2015-12, *Amendments to Plan Accounting*, under Topics 960, 962 and 965. The ASU affects fully benefit-responsive investment contracts and plan investment disclosures. The ASU designates contract value as the only required measure for fully benefit-responsive investment contracts. Contract value is considered relevant because that is the amount at which plan participants would transact. The ASU eliminates the measurement and presentation of fair value disclosures for fully benefit-responsive investment contracts. The ASU also eliminates the requirement for an entity to disclose: (i) individual investments that represent 5% or more of net assets available for benefits; (ii) the net appreciation or depreciation for investments by general type and (iii) investment information disaggregated based on nature, characteristics and risks under Topic 820. Under the ASU, net appreciation or depreciation in fair value of investments for the period is now required to be presented only in the aggregate. ASU 2015-12 is effective for fiscal years beginning after December 15, 2015. Early adoption is permitted and should be applied retrospectively. The Plan has elected early adoption of ASU 2015-12, which had no impact on the statements of net assets available for benefits or statements of changes in net assets available for benefits.

Common Collective Trust

The Plan invests in a common collective trust, which holds a guaranteed investment contract, Wells Fargo Stable Value Fund C (the Fund). The Fund is an open-end commingled pool dedicated exclusively to the management of assets of defined contribution plans. The Fund invests in underlying assets (typically fixed-income securities or bond funds and may include derivative instruments, such as futures contracts and swap agreements) and enter into "wrapper" contracts issued by third parties. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The wrap issuer agrees to pay the Fund an amount sufficient to cover unit holder redemptions and certain other payments (such as portfolio expenses), provided all the terms of the wrapper have been met. Wrappers are normally purchased from issuers rated in the top three long-term rating categories (A- or the equivalent and above). The purpose of the wrappers is to preserve the investors' principal investment while earning interest income, providing more stabilization than a traditional investment.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by Wells Fargo, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value of the investment approximates its fair value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Common Collective Trust (continued)

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of a trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit Wells Fargo to terminate the agreement prior to the scheduled maturity date.

The following is the average yields for the guaranteed investment contract as of December 31:

	2015	2014
Average yield:		
Based on actual earnings	1.83 %	1.40%
Based on interest rates credited to participants	1.79 %	1.64%

Information Prepared and Certified by Investment Trustee

The following information included in the accompanying financial statements was obtained from data that was prepared and certified as complete and accurate by Beneco Trust Company, the trustee of the Plan.

<i>Mutual Funds</i>	\$ -	\$ 910,604
<i>Common Collective Trust</i>	<u>-</u>	<u>89,025</u>
Total	<u>\$ -</u>	<u>\$ 999,629</u>

The trustee also certified to the completeness and accuracy of \$1,946 of net depreciation and \$60,458 of net appreciation in the fair value of investments and interest and dividend income of \$6,693 and \$16,007 related to the aforementioned investments for the years ended December 31, 2015 and 2014, respectively.

RETIREMENT PLAN

Notes to Financial Statements December 31, 2015 and 2014

Fair Value Measurements

GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 are significant unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

<i>Mutual Funds:</i>	Valued at the quoted NAV of shares held by the Plan at year end.
----------------------	--

<i>Common Collective Trusts:</i>	Valued at the NAV provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For these funds, there are no unfunded commitments or redemption restrictions and participants can transact daily.
----------------------------------	---

Notes to Financial Statements December 31, 2015 and 2014

Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2015 and 2014. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

December 31, 2015:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value*	-	-	-	-
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

December 31, 2014:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 910,604	\$ -	\$ -	\$ 910,604
Investments measured at net asset value*	-	-	-	89,025
Total investments at fair value	<u>\$ 910,604</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 999,629</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Plan Termination

In 2015, the Company exercised its right, under the Plan, to discontinue all contributions and terminate the Plan subject to the provisions of ERISA.

LANG MASONRY CONTRACTORS, INC.

RETIREMENT PLAN

Notes to Financial Statements December 31, 2015 and 2014

Tax Status

The Company utilizes a Master Non-standardized Profit Sharing Plan and Trust with CODA that received a favorable opinion letter from the Internal Revenue Service (IRS) on January 31, 2006, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not been amended since adoption. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

The Plan pays certain administrative expenses to Beneco Trust Company, the Plan trustee. Therefore, these transactions qualified as party-in-interest. Total administrative expenses paid to parties-in-interest were \$46,381 and \$31,250 in 2015 and 2014, respectively.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such change could materially affect participants' account balances and the amounts reported in the accompanying 2015 statement of net assets available for benefits.

Subsequent Events – Date of Management's Evaluation

The Plan has evaluated subsequent events through the date of the Independent Auditor's Report, the date the financial statements were available to be issued.
