INDEPENDENT AUDITOR'S REPORT

To: The Board of Trustees of
Costello's Ace Hardware 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Costello's Ace Hardware 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014 and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by John Hancock, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Plan Merger

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note D to the financial statements, the Board of Directors of Costello's Ace Hardware, the Plan's sponsor, voted in October 2015 to merge the Plan into the Ace Retail Savings Plan, with Ace Retail Savings Plan being the surviving plan, which indicates that the Plan is not a going concern. The financial statements do not include any adjustments that might be necessary upon termination. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Effective March 19, 2014, the Plan name was changed from Costello's Ace Hardware 401(k) Plan A to Costello's Ace Hardware 401(k) Plan.

Effective March 10, 2014, the Plan was restated and adopted by Costello's Ace Hardware, Deer Hills Acquisition Corp., M&A Enterprises 3, Inc. and Costello's PLLC. (the "Company").

Contributions:
Each year participants may contribute an amount of their annual compensation (as defined by the Plan) from between one percent to 100%. Participants may also make ROTH elective deferrals and rollover contributions representing distributions from other qualified defined benefit or defined contribution plans.

The Company may contribute to the Plan on behalf of each participant who made a matched employee contribution, who has completed at least 1000 hours of service during the Plan Year and is employed on the last day of the Plan Year an amount and allocation formula as determined by the Board. A match contribution of $0 was made for the 2015 Plan year.

The Company may at its discretion make a profit sharing contribution. Such contributions shall be allocated in the ratio that such participant's compensation bears to the compensation of all eligible participants. Employees must be employed on the last day of the Plan year and have completed 1,000 hours of service during the year to be eligible for a profit sharing contribution. The Company did not make a profit sharing contribution for 2015.

NOTE A – Continued

Participant Accounts:
The Plan is a defined contribution plan under which a separate individual account is established for each participant and allows self-direction. Each participant's account is credited with the participant's contributions, employer contributions and investment gains or losses.

Administrative Expenses:
All direct Plan expenses are paid or reimbursed by the Plan sponsor, and if not so paid or reimbursed shall be proper charges to the Plan.

Vesting:
Participants are immediately 100% vested in their employee deferral accounts. The vesting percentage in the Employer discretionary match or profit sharing account balance is based upon years of service – as defined by the Plan. Below is the vesting schedule:

Years of Vesting Service	Vesting Percentage
Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six or more years	100%

Participant Loans:
Participants may borrow from their fund account a minimum of $1,000 up to a maximum of the lesser of one half of their account balance or $50,000. The loan is secured by the participant's account balance and equal to the amount borrowed divided by the vested account balance. The loans bear interest at a rate determined by the Plan administrator, considering interest rates being currently charged in similar commercial loans. Loan balances as of December 31, 2015, bear interest at 4.25%. Principal and interest is paid ratably as stated in the Loan Agreement. The participant loan is also subject to other obligations and duties under the Loan Agreement.

Payment of Benefits:
Payable in a lump sum without regard to amount.

For distributions due to death, distribution must be completed by December 31 of the calendar year containing the fifth anniversary of death unless an election is made by the Beneficiary to receive distributions as an annuity in a manner described by the Plan.

NOTE B – Summary of Significant Accounting Policies

Forfeited Accounts:
At December 31, 2015 forfeited non-vested accounts totaled $0. These accounts if any will be used to reduce future employer contributions or to pay administrative expenses of the Plans.

Basis of Accounting:
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with U.S. generally accepted accounting principles.

Estimates:
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:
For the year ending December 31, 2015 the Plan's investments were held in Group Annuity Contract Separate Accounts with John Hancock. Under the contract there were various investment options (sub-accounts). The fund's assets were carried at fair value. Fair value of shares of an underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund. Participant notes receivable are valued at cost, which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the dividend payable date.

Benefit Payments:
Benefits are recorded when paid.

NOTE C – Tax Status

The Employer adopted a volume submitter plan document. The document Sponsor has informed the adopting employer that they may rely on an advisory letter issued by the Internal Revenue Service that the Plan is qualified under Code section 401 only to the extent provided in Revenue Procedure 2011-49 and any superseding guidance. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Pan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements off the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE D – Plan Merger

Effective December 1, 2015, the Plan was merged into the Ace Retail Savings Plan (see Note G). As a result of the merger all plan assets were transferred from John Hancock to Transamerica Retirement Solutions. In order to facilitate the conversion, the trustees instituted a blackout period between November 25, 2015 and January 8, 2016, to transfer the investments. During the blackout period participant initiated transactions were temporarily suspended. Participants were notified of the restrictions in accordance with 29 CFR 2520.101-3 of the Department of Labor's Rules and Regulation.

As of December 1, 2015, all investments had been liquidated by John Hancock and transferred into individual participant sub-accounts held at Transamerica. As a result of the merger, total assets with a fair value of $656,098 were transferred to the Ace Retail Savings Plan. The assets consisted of $649,006 in participant sub-account balances, $6,985 in participant loans and cash of $107. After the merger, no assets remained at John Hancock and the Plan terminated.

NOTE F – Fair Value Measurements

SAS No 157. Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted process in active markets for identical assets and have the highest priority, and level 3 inputs have the lowest priority. The three levels of the fair value hierarchy under SFAS No. 157 are described on the following page.

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

NOTE F – Continued

Level 2: Quotes prices in markets that are not considered to be active or financial instruments from which all the significant inputs are observable, either directly or indirectly.
Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The fair value of investments at December 31, 2015 was $0.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets measured at fair value as of December 31, 2014:

	Level 1	Level 2	Level 3	Total
John Hancock				
Mutual Funds Sub Accounts	$ 453,331	$ -	$ -	$ 453,331
Total	$ 453,331	$ -	$ -	$ 453,331

The Plan's investments that are measured at fair value on a recurring basis, such as money market funds, mutual funds, and equity securities are generally classified within Level 1 of the fair value hierarchy. The fair values of those investments are based on quoted market prices in active markets.

NOTE G – Plan Termination

Effective December 1, 2015, the Plan merged with the Ace Retail Savings Plan, with the Ace Retail Savings Plan being the surviving plan. As a result of the merger all investments were transferred to the Ace Retail Savings Plan (see Note D) and the Costello's Ace Hardware Plan no longer exists.

NOTE H – Risk and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of assets available for plan benefits.

NOTE I – Commitments and Contingencies

At December 31, 2015 there were no commitments or contingencies with respect to the Plan.

NOTE J – Related Parties

Certain Plan investments were shares of mutual funds managed by John Hancock. John Hancock is the custodian of the Plan assets and therefore, these transactions qualify as party-in-interest transactions. Investment advisory and management fees are deducted by each investment options' management company before the daily price or performance is calculated. Fees are charged for trading securities within the investment options and other management expenses.

NOTE K – Subsequent Events

Review of subsequent events possibly requiring disclosure or adjustment to the financial statements has been performed through October 5, 2016, the date the financial statements were able to be issued.
