Independent Auditor's Report

To the Scripps Retirement and Investment Committee
of the Scripps Retirement and Investment Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Scripps Retirement and Investment Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Vanguard Fiduciary Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015, and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2014 Financial Statements

The financial statements of the Plan as of and for the year then ended December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 9, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL's Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SCRIPPS RETIREMENT AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

1. DESCRIPTION OF PLAN

The following description of the Scripps Retirement and Investment Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for more complete information.

General—The Plan is a defined contribution plan maintained by The E.W. Scripps Company (“Scripps”) and subsidiaries and certain other companies (“Participating Employers”).

The Plan includes a 401(k) savings option which allows participants to defer a portion of their eligible compensation (principally base salary and commissions) for income tax reporting purposes, subject to a maximum set by federal law. Vanguard Fiduciary Trust Company (“Vanguard” or “Trustee”) serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan has evaluated subsequent events through October 7, 2016, the date these financial statements were available to be issued.

Participation—Participation in the Plan is open to all employees (including certain union-represented employees as defined) who have completed the service requirement as defined by the Plan Document.

Contributions—Each participant in the Plan has a separate account. Participants may contribute to the Plan, through payroll deductions, a minimum of 1% and up to 50% of eligible compensation. Highly compensated employees may be subject to additional limits on contributions. The Plan matches dollar-for-dollar on the first 1% of contributions and fifty cents per dollar on the next 5% of eligible contributions.

Through 2015, the Plan provided transition credits in the form of Participating Employer contributions for employees over the age of 45 who were vested in the Scripps Pension Plan, a defined benefit pension plan sponsored by Scripps. These transition credits were determined based upon the employee’s age, compensation, and years of service.

Participant Accounts—Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution, the Participating Employer’s matching contribution and transition credits, allocations of Participating Employer’s discretionary contributions (if any), and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investments—Participants direct the investment of their contributions and existing account balances into various investment options offered by the Plan. The Plan currently offers 20 mutual funds and 2 common collective trust (CCTs) funds as investment options for participants.

Vesting—All participants are immediately fully vested in their accounts.

Withdrawals—Contributions to the Plan and corresponding earnings are accessible to participants upon retirement or after employment with the Participating Employers ends. However, the Plan grants participants access to contributions and the corresponding earnings for withdrawal during employment subject to various limitations and restrictions. In addition, participants who have made contributions to the Plan for greater than 60 months or participants who are at least age 65 may withdraw Participating Employers matching contributions and the corresponding earnings. Participants are also permitted to withdraw contributions and corresponding earnings under financial hardship provisions. Participants who elect to withdraw funds under the financial hardship provisions are not allowed to contribute to the Plan for six months following such a withdrawal. Withdrawals are recorded when paid.

Notes Receivable from Participants (Participant Loans)—Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balances. Loans are repaid over a period not to exceed five years; however, loans become due and payable upon termination of employment. The loans are secured by the balance in the participants' accounts and bear interest at a rate equal to prime (as of the date the loan is issued) plus 1%. The prime rate was 3.50% and 3.25% at December 31, 2015 and 2014, respectively.

Administration—The Participating Employers provide the Plan with certain accounting and administrative services for which no fees are charged.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("generally accepted accounting principles").

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The Vanguard Retirement Savings Trust III and the Wells Fargo Stable Value Fund (the "Funds") are stable value CCT funds sponsored by Vanguard. Vanguard Retirement Savings Trust III invests in benefit-responsive investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond trusts that are selected by the sponsor. The Wells Fargo Stable Value Fund invests in instruments issued by highly rated financial institutions. These investments include guaranteed investment contracts, security-backed contracts and cash equivalents.

The beneficial interest of each participant is represented by units of participation. Units are issued and redeemed daily at the Fund's constant net asset value (NAV) of \$1 per unit. Distributions of net investment income to unit holders are declared daily and reinvested on the first business day of the following month. It is the expectation of the Fund to maintain a stable net asset value of \$1 per unit, although there is no guarantee that the Fund will be able to maintain this value.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Fund, plus earnings, less participant withdrawals and administrative expenses as applicable. There are no unfunded commitments or restrictions on redemption frequency for the Fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds and CCTs are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan utilizes various investment instruments, including mutual funds and CCT funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan classifies its investments into Level 1, Level 2 or Level 3. Level 1 refers to securities traded in an active market. Level 2 refers to securities not traded on an active market but for which observable market inputs are readily available, including investments in funds which may be redeemed on a quarterly or more frequent basis at the net asset value on the measurement date. Level 3 refers to securities not traded in an active market and for which no significant observable market inputs are available, including investments in funds whose available redemption period is less frequent than quarterly as well as funds with significant redemption restrictions implemented by the fund manager.

As permitted by accounting principles generally accepted in the United States of America, the Plan uses net asset value as a practical expedient to determine the fair value of all investment funds that do not have a readily determinable fair value and have the attributes of an investment company. The investments in the Vanguard Retirement Savings Trust III and Wells Fargo Stable Value Fund meet these criteria and these investments have not been classified in the fair value hierarchy.

The following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2015.

4. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information as of and for the years ended December 31, 2015 and 2014, included in the Plan's financial statements and supplemental schedule that was prepared by the Trustee. The Plan administrator has obtained certifications from the Trustee that such information is complete and accurate.

	2015	2014
Statements of net assets available for benefits:		
Mutual funds—at fair value	\$ 368,744,256	\$ 416,719,711
Common collective trusts	56,044,081	71,060,125
Statements of changes in net assets available for benefits:		
Net (depreciation) appreciation of fair value of investments	(15,463,476)	21,252,434
Interest and dividend income	16,354,466	18,738,663

All investment balances and information included in the supplemental schedule and all investment balances in Note 3.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a CCT fund managed by Vanguard and affiliated entities. Vanguard is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

6. FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed Scripps by a letter dated April 23, 2014, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Participating Employers and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Participating Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There was no reconciliation needed as of December 31, 2015 as the benefits per the financial statements agreed to the Form 5500. The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2014:

	2014
Net assets available for benefits per the financial statements	\$ 493,614,597
Adjustment from contract value to fair value for fully benefit-responsive investment contracts	-
Deemed distributions of participant loans	<u>(101,428)</u>
Net assets available for benefits per the Form 5500	<u>\$ 493,513,169</u>

9. JOURNAL TRANSACTIONS

On April 1, 2015, Scripps and Journal Communications, Inc. completed the transactions (referred to as the “Journal transactions”) to merge their broadcast operations, which retain The E.W. Scripps Company name, and spin-off their newspaper businesses and combine them into a separate publicly traded company, Journal Media Group, Inc. Effective as of the closing of the Journal transactions, any assets related to Scripps newspaper employees were transferred out of the Plan while asset balances for Journal broadcast employees were transferred in to the Plan.
