INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
A & A Maintenance Enterprise, Inc. 401(k) Plan and Trust:

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of A & A Maintenance Enterprise, Inc. 401(k) Plan and Trust (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note I, which was certified by Massachusetts Mutual Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian, as of and for

the year ended December 31, 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on the financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2015 is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, I do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

A. DESCRIPTION OF PLAN

The following description of the A & A Maintenance Enterprise, Inc. 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of A & A Maintenance Enterprises, Inc. and its controlled group of companies (collectively, the "Companies") who have at least 3 months of service and are age 21 or older, except those employees who are covered by a collective bargaining agreement or who are nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may elect to have a percentage or dollar amount deducted on a pre-tax basis from their compensation, and make catch-up contributions, up to the maximum allowable under the Internal Revenue Code ("IRC"). Participants may elect to suspend their contributions or change their designation as pre-tax based on the terms of the Plan documents as prescribed by the administrator. Additionally, a paid bonus contribution election is available, subject to certain limits. Participants may also contribute amounts representing distributions from certain other retirement plans or annuities based on the Plan documents. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various equity funds as investment options for participants. Contributions are subject to certain limitations.

Safe harbor matching contributions are made by the Companies each payroll period equal to (1) 100% of the employee's 401(k) contributions up to 3% of the employee's compensation and (2) 50% of the amount of the employee's 401(k) contributions that exceed 3% but do not exceed 5% of the employee's compensation. Qualified non-elective contributions may be made at the option of the Companies. Additionally, a discretionary non-elective contribution may be made at the option of the Companies based on a ratio of the participant's compensation and the Companies can designate a portion of such contributions as qualified non-elective contributions. The Companies' contributions are invested according to the participant's investment options.

A. DESCRIPTION OF PLAN – (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution, if any, and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, matching safe harbor contributions, and qualified non-elective contributions, plus actual earnings thereon. Vesting in the Companies' non-elective contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service or upon normal retirement age. A participant's vesting percentage increases to 100% if, while employed with the Companies, the employee dies or becomes disabled.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to 50% of their vested account balance, reduced by any outstanding loans. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined by the administrator. Principal and interest are paid ratable through payroll deductions.

Payment of Benefits

Benefit payments are paid in a single sum or in minimum required distributions. Participants may withdraw their non-elective contributions after 60 months of participation in the Plan and after reaching age 59 ½. Participants may receive hardship withdrawals from their pre-tax contributions based on the terms of the Plan document. Distribution to beneficiary of a participant who dies before their required beginning date will be made either (1) in full within 5 years of the participant's death, or (2) in installments over the beneficiary's life expectancy, as elected by the participant or the beneficiary.

Forfeited Accounts

Forfeited non-vested accounts amounted to $659 at December 31, 2015; there were no forfeited non-vested accounts at December 31, 2014. These accounts, if any, will be used to reduce future employer contributions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated the October 14, 2016, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2015 and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Operating Expenses

All expenses of maintaining the Plan are paid by the Companies.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, all of which are Level 1, at fair value as of December 31, 2015 and 2014:

	2015	2014
Mutual funds:		
Asset Allocation/Balanced funds	$352,333	$314,486
Bond funds	201,025	155,177
International/Global funds	35,038	3,827
Large Cap funds	73,290	39,398
Mid Cap funds	55,455	47,675
Small Cap funds	46,904	38,553
Specialty funds	98,604	85,269
Total assets at fair value	$862,649	$684,385

D. INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets available for benefits as of December 31, 2015 and 2014:

	2015	2014
American Funds Income FD of America R3	$344,661	$314,486
Hartford Life Ultrashort Bond IB	172,416	150,917
Invesco Small Cap Discovery A	46,904	38,553

During 2015, the Plan's mutual funds (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $11,640.

E. RELATED PARTY TRANSACTIONS

Effective January 1, 2013, Massachusetts Mutual Life Insurance Company ("MassMutual") acquired The Hartford's Retirement Plans Group ("RPG") business from Hartford Life Insurance Company ("HLIC"). MassMutual has no affiliation, and the RPG business no longer has any affiliation, with The Hartford Financial Services Group, Inc. or any of its subsidiaries. MassMutual has been appointed by HLIC to provide all administrative services necessary to support the insurance contracts issued by HLIC in connection with the RPG business.

Certain Plan investments are shares of mutual funds managed by MassMutual, the successor to HLIC. MassMutual is the service provider as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to $3,490 for the year ended December 31, 2015.

Additionally, Cadaret Grant & Co. Inc. ("Cadaret") is a third party administrator as defined by the Plan. Commission fees paid to Cadaret amounted to $1,223 for the year ended December 31, 2015.

These party-in-interest transactions are exempt from prohibited transactions of ERISA.

F. PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

G. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31,	
	2015	2014
Net assets available for benefits per the financial statements, and per Schedule H of Form 5500	$866,852	$708,756

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2015 to Schedule H of Form 5500:

Benefits paid to participants per the financial statements, and per Schedule H of Form 5500	$22,476

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

H. TAX STATUS

The Plan, and trust established under the Plan, obtained its latest determination letter dated March 31, 2008 in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any tax periods. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

I. COMPLIANCE AND ERISA

The plan administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, no auditing procedures with respect to the information certified by Massachusetts Mutual Life Insurance Company, the custodian, were performed by the independent auditor except for comparing the information to the financial statements and supplemental schedule. The custodian has certified as to the completeness and accuracy of the investments (including notes receivable from participants) held by the Plan as of December 31, 2015 and 2014, the investment earnings and other investment-related transactions of the Plan for the year ended December 31, 2015 and the information contained in the supplemental Schedule of Assets (Held at End of Year).

J. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator ("you") in completing the Form 5500 Schedule C[1] by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2015 - 12/31/2015 and indirect compensation is presented on a calendar year basis ending 12/31/2015.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because, among other potential considerations, plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

****

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

[1]Please refer to the Schedule C of the Form 5500 and its instructions (available at: http://www.dol.gov/ebsa/5500main.html), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Massachusetts Mutual Life Insurance Company ("MMLIC") are the net result of aggregating direct compensation after the effects of adjustments processed in 2015, some of which may have pertained to prior years.

Please review the detailed breakdown at the end of the report for further information.

Indirect Compensation

Float compensation **$2.75**

Bank accounts and investments associated with short-term investment pool

This is an estimate based on the annual average rate of float (0.573% for 2015) earned on the bank accounts and investments associated with the short-term investment pool for the 2015 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor, subject to applicable regulation. The Plan Sponsor should consult with the Plan’s/Plan Sponsor’s tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. MassMutual's Code of Conduct generally restricts MassMutual employees from giving to or receiving gifts from customers and/or business partners having a value of over $100, in any individual situation, without prior approval. However, it is possible that one or more of your service providers for the calendar year, including MassMutual, engaged in transactions generating nonmonetary compensation. Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual.

Please consult with your legal or tax advisors if you have any questions.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in Massachusetts Mutual Life Insurance Company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The above list includes any investment option held by the plan on at least one month end during the 2015 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
A & A Maintenance Enterprise, Inc. 401(k) Plan and Trust:

Report on the Financial Statements

I was engaged to audit the accompanying financial statements of A & A Maintenance Enterprise, Inc. 401(k) Plan and Trust (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note I, which was certified by Massachusetts Mutual Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. I have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian, as of and for

the year ended December 31, 2015, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on the financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2015 is required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, I do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2015

A. DESCRIPTION OF PLAN

The following description of the A & A Maintenance Enterprise, Inc. 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of A & A Maintenance Enterprises, Inc. and its controlled group of companies (collectively, the "Companies") who have at least 3 months of service and are age 21 or older, except those employees who are covered by a collective bargaining agreement or who are nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may elect to have a percentage or dollar amount deducted on a pre-tax basis from their compensation, and make catch-up contributions, up to the maximum allowable under the Internal Revenue Code ("IRC"). Participants may elect to suspend their contributions or change their designation as pre-tax based on the terms of the Plan documents as prescribed by the administrator. Additionally, a paid bonus contribution election is available, subject to certain limits. Participants may also contribute amounts representing distributions from certain other retirement plans or annuities based on the Plan documents. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various equity funds as investment options for participants. Contributions are subject to certain limitations.

Safe harbor matching contributions are made by the Companies each payroll period equal to (1) 100% of the employee's 401(k) contributions up to 3% of the employee's compensation and (2) 50% of the amount of the employee's 401(k) contributions that exceed 3% but do not exceed 5% of the employee's compensation. Qualified non-elective contributions may be made at the option of the Companies. Additionally, a discretionary non-elective contribution may be made at the option of the Companies based on a ratio of the participant's compensation and the Companies can designate a portion of such contributions as qualified non-elective contributions. The Companies' contributions are invested according to the participant's investment options.

A. DESCRIPTION OF PLAN – (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution, if any, and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, matching safe harbor contributions, and qualified non-elective contributions, plus actual earnings thereon. Vesting in the Companies' non-elective contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service or upon normal retirement age. A participant's vesting percentage increases to 100% if, while employed with the Companies, the employee dies or becomes disabled.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to 50% of their vested account balance, reduced by any outstanding loans. The loans are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined by the administrator. Principal and interest are paid ratable through payroll deductions.

Payment of Benefits

Benefit payments are paid in a single sum or in minimum required distributions. Participants may withdraw their non-elective contributions after 60 months of participation in the Plan and after reaching age 59 ½. Participants may receive hardship withdrawals from their pre-tax contributions based on the terms of the Plan document. Distribution to beneficiary of a participant who dies before their required beginning date will be made either (1) in full within 5 years of the participant's death, or (2) in installments over the beneficiary's life expectancy, as elected by the participant or the beneficiary.

Forfeited Accounts

Forfeited non-vested accounts amounted to $659 at December 31, 2015; there were no forfeited non-vested accounts at December 31, 2014. These accounts, if any, will be used to reduce future employer contributions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated the October 14, 2016, which is the date the financial statements were available to be issued.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2015 and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Operating Expenses

All expenses of maintaining the Plan are paid by the Companies.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, all of which are Level 1, at fair value as of December 31, 2015 and 2014:

	2015	2014
Mutual funds:		
Asset Allocation/Balanced funds	$352,333	$314,486
Bond funds	201,025	155,177
International/Global funds	35,038	3,827
Large Cap funds	73,290	39,398
Mid Cap funds	55,455	47,675
Small Cap funds	46,904	38,553
Specialty funds	98,604	85,269
Total assets at fair value	$862,649	$684,385

D. INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets available for benefits as of December 31, 2015 and 2014:

	2015	2014
American Funds Income FD of America R3	$344,661	$314,486
Hartford Life Ultrashort Bond IB	172,416	150,917
Invesco Small Cap Discovery A	46,904	38,553

During 2015, the Plan's mutual funds (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by $11,640.

E. RELATED PARTY TRANSACTIONS

Effective January 1, 2013, Massachusetts Mutual Life Insurance Company ("MassMutual") acquired The Hartford's Retirement Plans Group ("RPG") business from Hartford Life Insurance Company ("HLIC"). MassMutual has no affiliation, and the RPG business no longer has any affiliation, with The Hartford Financial Services Group, Inc. or any of its subsidiaries. MassMutual has been appointed by HLIC to provide all administrative services necessary to support the insurance contracts issued by HLIC in connection with the RPG business.

Certain Plan investments are shares of mutual funds managed by MassMutual, the successor to HLIC. MassMutual is the service provider as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to $3,490 for the year ended December 31, 2015.

Additionally, Cadaret Grant & Co. Inc. ("Cadaret") is a third party administrator as defined by the Plan. Commission fees paid to Cadaret amounted to $1,223 for the year ended December 31, 2015.

These party-in-interest transactions are exempt from prohibited transactions of ERISA.

F. PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

G. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	December 31,	
	2015	2014
Net assets available for benefits per the financial statements, and per Schedule H of Form 5500	$866,852	$708,756

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2015 to Schedule H of Form 5500:

Benefits paid to participants per the financial statements, and per Schedule H of Form 5500	$22,476

Amounts allocated to withdrawing participants are recorded on the Schedule H of Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date.

H. TAX STATUS

The Plan, and trust established under the Plan, obtained its latest determination letter dated March 31, 2008 in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any tax periods. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2011.

I. COMPLIANCE AND ERISA

The plan administrator has elected the method of compliance permitted under 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, no auditing procedures with respect to the information certified by Massachusetts Mutual Life Insurance Company, the custodian, were performed by the independent auditor except for comparing the information to the financial statements and supplemental schedule. The custodian has certified as to the completeness and accuracy of the investments (including notes receivable from participants) held by the Plan as of December 31, 2015 and 2014, the investment earnings and other investment-related transactions of the Plan for the year ended December 31, 2015 and the information contained in the supplemental Schedule of Assets (Held at End of Year).

J. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
