Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Retirement Income Plan for Employees of Ellwood City Forge (the Plan), which comprise the statements of net assets available for plan benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by T. Rowe Price Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2015 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Retirement Income Plan for Employees of Ellwood City Forge

Notes to the Financial Statements

1. Plan Description

The following description of the Retirement Income Plan for Employees of Ellwood City Forge (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all salaried and hourly employees of Corry Forge Company (CFC), Ellwood City Forge Company (ECF), Ellwood Group, Inc. (EGI), Ellwood Mill Products Company (EMP), Ellwood Specialty Steel Company (ESS), Unisteel LLC, Walter Metals LLC (WM LLC) and North American Forgemasters (NAF) (collectively, the Company and Plan Sponsor) and is in accordance with Section 401 of the Internal Revenue Code (IRC). A full-time employee is eligible to participate in the Plan on the first day of the calendar month following their employment commencement date. Part-time employees who have completed 1,000 hours of service within a 12-month time period are eligible to participate in the Plan on the first day of the calendar month after they meet the service requirement.

In addition, the Plan includes an automatic enrollment policy. Under this policy, if an employee does not submit an automatic enrollment waiver within 30 days of becoming eligible, he or she will be automatically enrolled in the Plan at a 3% deferral rate. The deferral rate increases 1% per year, up to 6%. An employee has the option to cease enrollment, withdraw all contributions, and forfeit all Company matching contributions within 90 days of becoming eligible.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute pre-tax or after-tax, a portion of their compensation from 1% up to a maximum allowable by the plan document and in accordance with other limiting provisions of the IRC and other applicable legal limits.

In any calendar year in which a participant is age 50 or older, an additional "catch-up contribution" (limited to \$6,000 in 2015) may be made. Participants may also contribute amounts representing distributions from other qualified defined contribution plans.

Notes to the Financial Statements (Continued)

1. Plan Description (Continued)

The Company contributed a matching contribution in 2015 according to the following schedule:

	75% match up to 6% contributed
	15% match from 7-8% contributed
CFC, ECF, EMP	15% match from 9-10% contributed
EGI	50% match up to 6% contributed
	100% match up to 6% contributed
	50% match from 7-8% contributed
ESS, WM LLC	25% match from 9-10% contributed
Unisteel LLC	100% of the first 6% contributed
NAF (for the period 1/1/2015 - 7/30/2015)	75% match up to 10% contributed
(beginning 8/1/2015)	50% match up to 10% contributed

The Company may also make discretionary basic and supplemental contributions based on a formula which varies for each participating company. The Company made discretionary basic and supplemental contributions of approximately \$2,101,000 in 2015.

Participants may direct their contributions and any Company contributions made on their behalf to a variety of investment options provided by the Plan.

Participant Accounts

The trustee maintains separate participant accounts for each participant. Each participant's account is credited with their voluntary and rollover contributions, earnings on account investments, Company matching contributions and with an allocation of the Company's discretionary basic and supplemental contributions. Allocations of the Company's discretionary basic and supplemental contributions are based on participant age and compensation, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from his or her vested account.

Vesting

Participants are immediately vested in their contributions, any Company contributions and earnings thereon.

Retirement Income Plan for Employees of Ellwood City Forge

Notes to the Financial Statements (Continued)

1. Plan Description (Continued)

Benefits

Upon termination of service, death, disability, or age 59½, participants may receive a lump-sum amount equal to the vested value of the participant's account. Unless a lump-sum distribution is required by the Plan, participants may elect to receive alternate forms of distributions as defined by the plan document. Participants are also entitled to receive all or a portion of their before-tax savings contributions in the form of a hardship withdrawal, if they have met plan provisions for such a withdrawal.

At December 31, 2015 and 2014, there were no significant amounts allocated to accounts of individuals who have withdrawn from the Plan but have not been paid.

Notes Receivable From Participants

Participants may request a loan from the Plan. Participants may borrow from their accounts a minimum of \$1,000 and a maximum equal to the lesser of 50% of their vested balance or \$50,000, reduced by the participant's highest outstanding loan balance during the prior 12 months. Loan terms generally range from 12 to 54 months, unless the loan is made for the purchase of a participant's principal residence. The loans are secured by the balance of the participant's account and bear interest at a reasonable rate, as defined by the plan agreement.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation, Income Recognition and Risks

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at a measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers the assumptions that market participants would use when pricing the asset or liability.

Retirement Income Plan for Employees of Ellwood City Forge

Notes to the Financial Statements (Continued)

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation, Income Recognition and Risks (Continued)

The three levels of inputs that may be used to measure fair value are as follows:

- Level 1 - Observable inputs such as quoted prices in active markets for identical investments that the Plan has the ability to access.
- Level 2 - Inputs include:
 - a. Quoted prices for similar assets or liabilities in active markets;
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets;
 - c. Inputs, other than quoted prices in active markets, that are observable either directly or indirectly;
 - d. Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.
- Level 3 - Unobservable inputs in which there is little or no market activity for the asset or liability, which require the reporting entity to develop its own estimates and assumptions relating to the pricing of the asset or liability including assumptions regarding risk.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Mutual funds are public investment vehicles valued using the net asset value provided by the administrator of the fund on the last day of the Plan's year end using a quoted price in an active market and are classified within Level 1 of the fair value hierarchy.

The T. Rowe Price Stable Value Common Trust Fund (the Fund) is a collective trust fund which holds interests in fully benefit-responsive contracts. The Fund is valued using net asset value (NAV) provided by the trustee on the last day of the Plan's year end. The NAV is based on the value of the underlying assets owned by the trust, minus its liabilities, and then divided by the number of shares outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The cost of investments sold, distributed, or forfeited is determined using the specific identification method. Investment purchases and sales are accounted for on a trade-date basis. Interest and dividend income is recorded when earned.

Retirement Income Plan for Employees of Ellwood City Forge

Notes to the Financial Statements (Continued)

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation, Income Recognition and Risks (Continued)

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with these investments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in the near term could materially affect the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from income earned on a daily basis and are reflected as a component of net appreciation in fair values of investments.

Administrative Expenses

Administrative expenses are paid by the Company or the Plan, as provided by the plan document.

Benefit Payments

Benefits are recorded when paid.

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update 2015-07 *Disclosures for Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)* (ASU 2015-07). ASU 2015-07 removes the requirement to categorize within the fair value hierarchy investments for which fair values are estimated using the net asset value practical expedient provided by Accounting Standards Codification 820, Fair Value Measurement. Disclosures about investments in certain entities that calculate net asset value per share are limited under ASU 2015-07 to those investments for which the entity has elected to estimate the fair value using the net asset value practical expedient. ASU 2015-07 is effective for fiscal years beginning after December 15, 2015, with early adoption permitted.

Recent Accounting Pronouncements (Continued)

In July 2015, the FASB issued Accounting Standards Update 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965), (ASU 2015-12): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. This three-part update simplifies current benefit plan accounting and requires (i) fully benefit-responsive investment contracts to be measured, presented, and disclosed only at contract value and, accordingly, removes the requirement to reconcile their contract value to fair value; (ii) benefit plans to disaggregate their investments measured using fair value by general type, either on the face of the financial statements or in the notes to the financial statements; (iii) the net appreciation or depreciation in investments for the period to be presented in the aggregate rather than by general type, and removes certain disclosure requirements relevant to individual investments that represent five percent or more of net assets available for benefits. Further, the amendments in this update eliminate the requirement to disclose the investment strategy for certain investments that are measured using Net Asset Value (NAV) per share. These amendments are effective retrospectively for fiscal years beginning after December 15, 2015 and early adoption is permitted. This update also provides a practical expedient to permit employee benefit plans to measure investments and investment-related accounts as of the month end that is closest to the plan's fiscal year end, when the fiscal period does not coincide with a month end, while requiring certain additional disclosures. This portion of the update is effective prospectively for fiscal years beginning after December 15, 2015 and early adoption is permitted.

Plan management reviewed both ASU 2015-07 and ASU 2015-12, and decided to early adopt both standards as they believe it will simplify plan accounting and its presentation in the financial statements. As such, the accounting and disclosures in these financial statements and notes follow ASU 2015-07 and ASU 2015-12.

Consideration of Subsequent Events

The Plan Sponsor evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 6, 2016, the day the financial statements were approved and authorized for issue.

3. Investments

The following tables set forth the fair value of the Plan's assets measured on a recurring basis, by level, as described in Note 2:

<i>As of December 31, 2015</i>	Level 1	Total
Mutual funds	\$ 98,629,225	\$ 98,629,225
Collective investment trust measured at net asset value*	-	21,708,566

3. Investments (Continued)

<i>As of December 31, 2014</i>	Level 1	Total
Mutual funds	\$ 99,327,076	\$ 99,327,076
Collective investment trust measured at net asset value*	-	22,147,779
Investments at Fair Value	\$ 99,327,076	\$ 121,474,855

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit a reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for plan benefits.

4. Collective Trust Fund

The Plan has a common collective trust, which is valued at NAV (Note 3). In 2015, the common collective trust fund is valued using \$1 for the NAV per unit. Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the trust.

5. Certification of Financial Information

T. Rowe Price Trust Company, the trustee of the Plan, has certified that the investment information related to investments and notes receivable from participants summarized in the statements of net assets available for plan benefits as of December 31, 2015 and 2014 and the statement of changes in net assets available for plan benefits for the year ended December 31, 2015 is complete and accurate.

6. Related Parties and Exempt Parties-in-interest Transactions

Certain plan investments in mutual funds and the collective investment trust are managed by the trustee. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for custodian and recordkeeping services were not significant for the year ended December 31, 2015. These transactions are not, however, considered prohibited transactions under Section 408(b) of the ERISA regulations.

Certain administrative functions are performed by officers or employees of the Company at no cost to the Plan.

The Plan has notes receivable from participants subject to specific guidelines as defined in the plan document (Note 1).

These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory or administrative exemptions from the IRC and ERISA's rules on prohibited transactions.

7. Income Tax Status

The Plan obtained its latest determination letter dated May 15, 2012, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has since been amended. The plan administrator, the trustee and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500:

<i>December 31,</i>	2015	2014
Net assets available for plan benefits per the financial statements	\$ 123,115,732	\$ 123,723,905
Adjustment for interest in collective investment trust relating to fully benefit-responsive investment contract	17,258	325,794
Net Assets Available for Plan Benefits per Schedule H of Form 5500	\$ 123,132,990	\$ 124,049,699

The following is a reconciliation of the net decrease in assets available for plan benefits per the financial statements to the Form 5500:

<i>For the Year Ended December 31,</i>	2015
Net decrease in assets available for plan benefits per the financial statements	\$ (608,173)
Net adjustment for interest in collective investment trust relating to fully benefit-responsive investment contract	(308,536)
Net Loss per Form 5500	\$ (916,709)
