We were engaged to audit the accompanying financial statements of the ICC Nexergy 401(k) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2015, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental Schedule of Assets (Held at End of Year) as of the year ended December 31, 2015, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2014 Financial Statements

The financial statements of the Plan as of December 31, 2014, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated July 17, 2015, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2015

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ICC Nexergy 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2015 and 2014

Note 1. Description of Plan

The following description of the ICC Nexergy 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by ICC Nexergy, Inc. (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee becomes eligible to participate in the Plan on the first day of each month following one month of service and the attainment of at least 21 years of age. Should the Employer acquire a business, employees of the acquired business are credited with service from the previous employer to determine eligibility for the Plan.

Contributions

Each year, participants may contribute up to 60% of pretax annual compensation as defined in the Plan agreement. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a money market fund as investment options for participants. The Plan provides that the Employer may make discretionary matching contributions, as approved by the Employer's Board of Directors. Additional non-elective employer contributions may be made as determined by the Employer's Board of Directors. The Employer made discretionary matching contributions equal to $0.60 of the participant's deferral contributions up to 5% of a participant's eligible compensation per payroll date during 2015 and 2014. Contributions are subject to certain limitations.

Participant's accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based upon the participant's earnings or account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account

Note 1. Plan Description (continued)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 8.75%, which are commensurate with local prevailing rates as determined by the Plan administrator. Loan repayment terms are not to exceed five years, unless the loan will be used by the participant to acquire the participant's residence. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Employer's discretionary matching and non-elective contribution portion of their account, plus actual earnings thereon, is based on years of continuous service and is subject to the following vesting schedule:

Years of Service	Vesting
Less than 1	0%
1	20%
2	100%

Payment of benefits

Upon termination of service due to death, disability, retirement or other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. In addition, participants may elect to receive hardship withdrawals, as defined in the Plan agreement.

Forfeited accounts

At December 31, 2015 and 2014, forfeited nonvested accounts totaled to $8,621 and $5,842, respectively. Forfeitures from employer matching contributions will first be used to pay administrative expenses of the Plan and then to reduce future employer contributions. In 2015, forfeitures of $10,468 were used to pay administrative expenses and none were used to reduce employer contributions. In 2014, forfeitures of $10,906 and were used to pay administrative expenses and $3,921 were used to reduce employer contributions.

Note 2. Summary of significant accounting policies

Basis of accounting and use of estimates

The financial statements of the Plan are prepared using the accrual basis of accounting.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2015 and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based upon the terms of the Plan agreement.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Note 3. Fair value measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3. Fair value measurements (continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

Money market is valued at cost, which approximates fair value. Mutual funds are valued at the net asset value of shares held by the Plan at year end.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2015 and 2014:

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2015 and 2014, are reported in net appreciation (depreciation) in fair value of investments.

It is the policy of the Plan to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2015 and 2014, there were no transfers into or out of Level 3.

Note 4. Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

Note 5. Date of management's review

Subsequent events were evaluated through October 7, 2016, which is the date the financial statements were available to be issued.

Note 6. Investments

The following presents the fair values of individual investments at December 31, 2015 and 2014 that represent 5% or more of the Plan's net assets:

	2015	2014
Mutual funds:		
Fidelity Contrafund	$ 978,492	$ 1,033,446
Fidelity Balanced Fund	846,273	821,522

During 2015 and 2014 the Plan's investments (including gains and losses on investments bought, sold and held during the year) appreciated (depreciated) in value by $(328,800) and $61,509, respectively.

Note 7. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Related party transactions

Certain Plan investments were shares of mutual funds managed by Fidelity, the trustee of the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the Trustee for administrative expenses were $4,103 and $15,037 for the years ended December 31, 2015 and 2014, respectively.

Substantially all administrative expenses of maintaining the Plan are paid by the Employer on behalf of the Plan. These expenses, however, are not material to the financial statements.

A certain employee of the Employer has been appointed as Plan administrator for the Plan. This employee is also a participant in the Plan. The employee does not receive any compensation from the Plan for services performed as Plan administrator.

Note 9. Information prepared and certified by the trustee

The December 31, 2015 and 2014 statements of net assets available for benefits, and the investment activities included on the statements of changes in net assets available for benefits for the years ended December 31, 2015 and 2014, and the accompanying notes to the financial statements and the supplemental schedule of assets (held at end of year) were prepared in part or entirely from information certified to as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes the following:

	December 31, 2015	December 31, 2014
Investments, at fair value:		
Mutual funds	$ 7,328,022	$ 8,360,101
Money market	1,344,095	834,609
Notes receivable from participants	38,674	48,375
	Year Ended Dec. 31, 2015	Year Ended Dec. 31, 2014
Total investment income	$ 79,125	$ 548,506
Interest income on notes receivable from participants	1,598	2,248

Note 10. Income tax status

The Internal Revenue Service has determined and informed the Employer by a letter dated January 30, 2006, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan administrator has concluded that as of December 31, 2015 and 2014, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2012.

Note 11. Subsequent event - amendment and plan merger

Effective on January 1, 2016, the Plan was amended to change the name of the Plan to be the Inventus Power 401k, and to adopt an enhanced safe harbor matching formula for Employer contributions. Beginning January 1, 2016, the Employer will match 100% of the first 3% of an eligible participant's compensation that is contributed to the Plan, plus an additional 50% of the next 4% of the eligible participant's compensation that is contributed to the Plan. Also effective January 1, 2016, the Plan was amended to include all employees of Palladium Energy, Inc., a related company, and to merge the Palladium Energy 401(k) Plan into the Inventus Power 401k. As a result, on March 16, 2016, investments of approximately $6,239,600 were received from the Palladium Energy 401(k) Plan entered into the Inventus Power 401k.
