- 26) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 27) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: Marketable securities are valued at quoted market prices. Nonreadily marketable securities are valued based on the audited financial statements of those securities. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- 28) All required amendments to and filings of plan documents with the appropriate agencies have been made.

The plan has been amended since receiving the opinion letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date.
- 35) We have obtained a copy of the relevant SOC 1 reports that cover the year under audit, related to significant processes and transactions that have been outsourced to those service organizations. In connection with those SOC 1 reports, we have read the reports, evaluated the impact of the exceptions to relevant tests, identified the complementary controls listed under the user controls section of the report, and have determined that those user controls have been designed appropriately and have been implemented.
- 36) We have not engaged you to prepare or review the Plan's Form 5500 filing with the Internal Revenue Service and the Department of Labor; however, the audited financial statements of the Plan are required to be filed with the Form 5500. We acknowledge that professional standards require you to read the Plan's Form 5500 prior to its filing; that the purpose of this procedure is for you to consider whether such information, or the manner of its presentation, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements; and that these procedures are not sufficient nor are they intended for you to ensure that the Form 5500 is completely and accurately prepared.
- 37) We will not amend or alter in any way the audited financial statements and your report thereon for the Form 5500 filing or any other purpose.
