Plan Administrator
Kanan Enterprises Teamsters Local 52 401(k) Plan
Solon, Ohio

We have audited the accompanying financial statements of the Kanan Enterprises Teamsters Local 52 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2015 and 2014, and the changes in its net assets available for benefits for the year ended December 31, 2015 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2015 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

KANAN ENTERPRISES TEAMSTERS LOCAL 52 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following is a summary of certain provisions of the Kanan Enterprises Teamsters Local 52 401(k) Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan established by Kanan Enterprises, Inc. ("Company") on January 5, 2007, under the provisions of Section 401(a) of the Internal Revenue Code ("IRC") and includes a qualified cash or deferral arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company who are members of Teamsters Local 52. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration – The Plan is administered by the Company, which is responsible for controlling and managing the operations and administration of the Plan.

Participation – Employees who are members of Teamsters Local 52 are eligible to participate in the Plan and receive Company contributions upon completing one year of service and attainment of age 18.

Contributions – Participants may elect to make contributions from 2% to 75% of their eligible earnings on a "pre-tax" basis subject to certain limitations of the Plan and the IRC. The Company may provide a matching contribution at its discretion. For 2015, the Company made a discretionary matching contribution of 100% of deferrals made by eligible participants, up to a maximum of 1% of each participant's annual compensation, as defined.

Participant Accounts – The Plan maintains an individual account for each participant. These accounts are credited with participants' contributions, Company contributions and allocations of the Plan related earnings and administrative expenses as defined by the Plan agreement. Participants elect to maintain their aggregate contributions in the available investment funds. Separate accounting for each of the funds is made pursuant to the participant's designated election. The benefit to which a participant is entitled is the amount that can be provided from his or her vested participant account.

Loans to Participants – The Plan does not allow for loans to participants.

Vesting – Participants are, at all times, vested in their elective contributions and earnings thereon. Participants vest in the Company contributions at a rate of 20% annually over five years. For purposes of vesting, a "year of service" is a plan year in which the participant was credited with 1,000 hours of service for the Company.

Payment of Benefits – A participant, upon retirement, termination, disability or the attainment of age 59 1/2 or a participant's beneficiary upon the participant's death, may elect to either receive a lump-sum amount equal to the value of his or her account or to receive installment payments. The Plan provides for immediate payout of a participant's account upon retirement, death or other termination, regardless of age, in instances where a participant's account balance does not exceed a limit as outlined in the Plan. Additionally, the Plan has provisions for active participants to make withdrawals from their account, subject to limitations and restrictions.

KANAN ENTERPRISES TEAMSTERS LOCAL 52 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Forfeitures – Forfeited non-vested accounts are, at the Company's discretion, first applied to the payment of administrative expenses and then to reduce matching contributions, with any excess then allocated to the remaining participants' accounts. There were no non-vested forfeitures during 2015 and no forfeited non-vested accounts as of December 31, 2015 or 2014.

Termination Provisions – The Company anticipates and believes that the Plan will continue indefinitely; however, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, participants would become 100% vested in their respective accounts and would receive a total distribution of their accounts in accordance with the terms and provisions of the Plan.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Accounting – The financial statements are prepared using the accrual basis of accounting.
- B. New Accounting Pronouncement – In July 2015, the FASB issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965)*. The Plan elected early adoption of this pronouncement, which changed certain investment disclosure requirements. As such, the Plan is no longer required to (1) disclose individual investments that represent 5% or more of net assets available for benefits; (2) disclose the net appreciation or depreciation for investments by general type; or (3) disaggregate investments by anything other than general type within the fair value hierarchy. These changes have been applied retrospectively to the financial statements.
- C. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.
- D. Risks and Uncertainties – The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
- E. Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

F. Payment of Benefits – Benefits are recorded when paid.

G. Administrative Expenses – Administrative expenses of the Plan are paid by the Company or the Plan at the option of the Company. Transaction fees are paid by the affected participants.

H. Subsequent Events – The Plan has evaluated subsequent events and transactions for potential recognition and presentation through the date the financial statements were available to be issued, October 14, 2016.

Note 3. Party-in-Interest Transactions

American Funds is the Custodian of the Plan and transactions with the Custodian qualify as party-in-interest transactions. Administrative expenses paid by the Plan to the Custodian were \$50 in 2015.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- The money market fund consists of a short-term investment fund that maintains daily liquidity and has a constant unit value of \$1.00, and is classified as Level 1.
- Mutual funds are valued based on their quoted closing market prices in active markets for identical investments, and are classified as Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2014 to 2015. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level the Plan's assets at fair value as of December 31, 2015 and 2014:

<u>Assets at Fair Value as of December 31, 2015</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total	<u>\$ 78,075</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 78,075</u>

Note 5. Income Tax Status

The Internal Revenue Service has previously ruled that the prototype standardized model on which this Plan is based qualifies under Section 401(a) of the Internal Revenue Code and is, therefore, not subject to tax under present income tax laws. The adopted Plan has been amended since the Internal Revenue Service ruling; however, the Plan Administrator believes the adopted Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan Administrator has analyzed tax positions taken by the Plan and has concluded that, as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements. As of December 31, 2015, the Plan's tax years from 2012 and thereafter remain subject to examination by the Internal Revenue Service, as well as other applicable taxing authorities.
