Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Great-West Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2015 and 2014, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

WEISS ENVIROTRONICS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2015 AND 2014

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Weiss Envirotronics, Inc. (the Company) who are 18 years or older at the enrollment dates (January 1 and July 1). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employer and Employee Contributions

Contributions to the Plan are made as follows:

Employee Compensation Deferral

Employees may enter into a compensation deferral agreement with the Company to designate an amount to be deferred. An employee may defer a maximum of 100% of his or her compensation up to the statutory limit. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a common collective trust fund, and a money market fund as investment options for participants.

Employer Matching Contributions

The Company may make a matching contribution to the Plan on behalf of each participant for whom compensation deferral contributions are made. This contribution is at the discretion of the Company's Board of Directors. For the years ended December 31, 2015 and 2014, the matching contributions were equal to 20% of the employee's first \$2,000 deferred.

Employer Discretionary Contributions

The Company may make a discretionary contribution to the Plan in an amount determined by management. Contributions are allocated on a ratio of each participant's compensation to total compensation. There was no such contribution for 2015 and 2014.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on investment earnings on account balances, as defined. The benefit to which a participant is entitled is the balance in the participant's vested account.

See independent auditors' report.

NOTE 1 – DESCRIPTION OF PLAN - Continued

Vesting

Participants are 100% vested in their compensation deferrals plus earnings thereon at all times.

Participants become vested in the employer discretionary contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20 %
2	40 %
3	60 %
4	80 %
5	100 %

Participants are 100% vested if they die, become disabled, or attain retirement age prior to termination of employment.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. The Plan has notes receivable due from participants with various annual interest rates and maturities. Principal and interest is paid ratably over the life of the loan through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive his vested interest as a lump sum payment or may choose from various other payment and annuity options. In-service and hardship distributions are permitted pursuant to the terms of the Plan.

Forfeited Accounts

At December 31, 2015 and 2014, forfeited nonvested accounts totaled \$1,348 and \$759, respectively. These accounts will be used to reduce future employer contributions. Also, in 2015 and 2014 employer contributions were reduced by \$988 and \$82, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 13, 2016, which is the date the financial statements were available to be issued.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

See independent auditors' report.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Change in Accounting Principle

In May 2015, the FASB issued ASU No. 2015-07, Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent) (ASU 2015-07), which is effective for fiscal years beginning after December 15, 2016 for entities other than public business entities. ASU 2015-07 eliminates the requirement to categorize investments in the fair value hierarchy if the fair value is measured at net asset value (NAV) per share (or its equivalent) using the practical expedient in the FASB's fair value measurement guidance. The ASU is to be applied retrospectively. As permitted by ASU 2015-07, management has elected to adopt the ASU early and presented the 2015 and 2014 amounts in these financial statements accordingly.

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Parts I and III are not applicable to the Plan.

Part II eliminates the requirements to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset.

The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Part II is to be applied retrospectively. Management has elected to adopt Part II early.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account. As of December 31, 2015 and 2014, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Appreciation (depreciation) represents the difference between the values of the investments at the end of the Plan years plus any gains or losses from sales of investments during the Plan year.

See independent auditors' report.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Payment of Benefits

Benefits are recorded when paid.

Expenses

All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of inputs of the fair value hierarchy are: Level 1 - quoted prices in active markets for identical assets; Level 2 - significant other observable inputs; and Level 3 - significant unobservable inputs. The Plan had no assets which were required to be measured using Level 2 or Level 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Common Collective Trust Fund: These investments are public investment securities valued using the Net Asset Value (NAV) provided by Putnam Investments. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 – RELATED PARTY TRANSACTIONS

The administrative expenses recorded were for investment management and other fees charged by Great-West Trust Company. Great-West Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

All other plan expenses were paid by the Company. As the Company is the Plan sponsor; the Company qualifies as a party-in-interest.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

See independent auditors' report.

NOTE 6 – TAX STATUS

The Plan has adopted an insurance company's prototype 401(k) profit sharing plan that has been determined to be acceptable under the Internal Revenue Code by letter dated May 18, 2011. Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2012.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE
