Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

INDEPENDENT AUDITORS' REPORT
(Continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. DESCRIPTION

Esparza Enterprises, Inc. is a California Corporation (the Corporation) involved in the agricultural industry in the area surrounding Bakersfield, California. The Corporation has established a program of benefits constituting an "Employee Welfare Benefit Plan" under the *Employee Retirement Income Security Act of 1974* (ERISA). The effective date of this plan is January 1, 2015. The purpose of the plan is to provide for the payment or reimbursement of all or a portion of eligible medical expenses of a covered employee or dependent. Transwestern Insurance Administrators, Inc. is the contract administrator. Esparza Enterprises, Inc. is the named fiduciary and plan administrator.

General Description of the Plan Esparza Enterprises, Inc. Employer Funded Group Health Benefit Plan (the Plan) pays all eligible participants and their dependents as per a table of benefits in the Plan document, including life insurance on the life of the employee and dependents and medical and hospital benefits. Employees and their dependents are eligible for coverage on the first day of the month following a minimum of 130 hours worked. An employee must continue to qualify for each month's coverage by working 130 hours per month.

No post-retirement benefits are provided.

2. SUMMARY OF ACCOUNTING PRINCIPLES

Accounting Method The Employee Group Health Benefit Plan is on the accrual basis of accounting. Claims are recognized as payables or expenses of the plan when received by the administrator. When a claim is received and processed, within the plan limits, a contribution receivable from the employer is established.

Plan Benefit Obligations Plan obligations for claims paid after year end and related to the prior year have been properly accrued. The amount of such accrual is determined based upon the actual claims reported after year end through the date of the audit report.

Estimates The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those of estimates.

Date of Management Evaluation Management has evaluated subsequent events through October 13, 2016, the date on which the financial statements were available to be issued.

3. FUNDING POLICY

Under the Plan, the Corporation is to make payments to the Plan for the employee claims which the Corporation is responsible to pay. Re-insurance is purchased to provide coverage in excess of specific and aggregate claim amounts. Life insurance is purchased to pay death benefits.

The Corporation, from time to time, evaluates the cost of the Plan and determines the amount to be contributed by the Corporation and the amount to be contributed by each covered participant.

The Plan sponsor absorbs all the costs of Plan administration.

4. TERMINATION OF THE PLAN

The Corporation reserves the right at any time to terminate the Plan by a written instrument to that effect. All previous contributions by the Corporation shall continue to be used for the purpose of paying benefits under the provisions of the Plan with respect to claims arising before such termination or shall be used for the purpose of providing similar health benefits to covered participants until all contributions are exhausted.

5. TAX STATUS

The Plan is qualified pursuant to Section 501(c)9 of the Internal Revenue Code as a tax exempt organization. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.
