ALPHA PLASTICS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 — DESCRIPTION OF PLAN

The following description of the Alpha Plastics, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Alpha Plastics, Inc. d/b/a Alpha Packaging (the Company) and participating employers. Employees are immediately eligible upon hire. Leased employees, as well as those covered by a collective bargaining agreement, are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Amendment

Effective February 1, 2015, the volume submitter plan document was amended and restated to bring the plan document into compliance with the Pension Protection Act of 2006 and other legislative and regulatory changes, as well as to incorporate all interim amendments.

Contributions

The Plan provides automatic enrollment for employees that meet the eligibility requirements. Employees have the option to decline enrollment. Automatic enrollment contributions of 3% begin on the first payroll period beginning after an employee has met the eligibility requirements. Participants may contribute up to 100% of annual eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to make after-tax contributions to a Roth account.

The Company's matching contributions are discretionary and determined as a percentage of participant elected deferrals. For the year ended December 31, 2015, the Company contributed 50% of the first 12% of base compensation that a participant contributed to the Plan.

Discretionary profit sharing contributions are determined annually by the Company's Board of Directors. Profit sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation for the Company. There were no profit sharing contributions for the year ended December 31, 2015.

Contributions are subject to certain limitations. Participants may also transfer funds to the Plan from other qualified retirement plans.

Investment Options

Participants of the Plan elect investment accounts in which their contributions, as well as Company contributions, are invested. The investment account options comprise various degrees of risk and return.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, Company matching contributions, an allocation of the Company's contribution, and investment earnings based on their selected investments. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 3	0%
3	100%

Notes Receivable from Participants

The Plan does not permit the issuance of new participant loans. The notes receivable from participants were assets of the Progressive Plastics, Inc. 401(k) Profit Sharing Plan and Trust that were transferred into the Plan. Only repayments of the existing participant loans are allowed. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service, participants may elect to receive an amount equal to the value of the vested interest in their accounts in either a lump-sum amount or in installments, depending on the size of the participant's account balance at the time of termination. Participants with a vested account balance of less than \$1,000 must take a lump-sum distribution.

The Company may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts are first used to pay Plan expenses. Any remaining forfeitures are used to reduce Company contributions. For the year ended December 31, 2015, forfeited nonvested accounts of \$12,800 were used to pay Plan expenses and \$160,517 were used to reduce Company contributions. Unallocated forfeitures were \$47,454 and \$137,905 at December 31, 2015 and 2014, respectively.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Plan expenses primarily consist of recordkeeping, administration, and advisory fees. Fees related to the administration of benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Subsequent Events

Subsequent events were evaluated through October 14, 2016, which is the date the financial statements were available to be issued.

NOTE 3 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

Pooled separate accounts: Valued at the NAV of units of the fund, which is based on the estimated market value of the underlying investments less its liabilities.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Level 1 Quoted Prices in Active Markets for Identical Assets	Level 2 Significant Other Observable Inputs	Level 3 Significant Unobservable Inputs	Total Fair Value
<u>December 31, 2015</u>				
Pooled Separate Accounts	\$ -	\$ 21,957,646	\$ -	\$ 21,957,646
<u>December 31, 2014</u>

NOTE 3 — FAIR VALUE MEASUREMENTS (Continued)

The trustee limits trading activity on all investments. Besides normal contribution activity, generally one purchase and one redemption in an investment option during a ninety day period is considered reasonable transfer activity.

NOTE 4 — EXCESS PARTICIPANT CONTRIBUTIONS

Liabilities of \$38,495 and \$90,476 at December 31, 2015 and 2014, respectively, are recorded for amounts refundable by the plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

NOTE 5 — CERTIFIED INVESTMENTS

Information related to investments and notes receivable from participants held at December 31, 2015 and 2014, and net depreciation in fair value of investments and interest for the year ended December 31, 2015, disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from data provided to the plan administrator and certified to as complete and accurate by Standard Insurance Company, the trustee.

NOTE 6 — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are interests in pooled separate accounts managed by Standard Insurance Company, trustee for the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and recordkeeping services amounted to \$103,234, of which \$38,978 was recorded as Plan expenses and \$64,256 is included in net depreciation for the year ended December 31, 2015.

NOTE 7 — PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their company contributions.

NOTE 8 — TAX STATUS

As this Plan is a volume submitter defined contribution plan, the Internal Revenue Service issued an advisory letter dated March 31, 2014, stating that while they do not issue a determination as to whether a specific employer's plan is qualified, any employer who adopts this Plan will be considered to have a plan qualified under code Section 401(a) provided all the terms are not more favorable for officers, owners, or highly compensated employees than for other employees. Management believes that the Plan is operating in compliance with all the terms provided in the nonstandardized plan agreement.

NOTE 9 — RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 — SUBSEQUENT EVENT

Effective June 1, 2016, Great-West Trust Company was appointed the new trustee, administrator, and custodian of the Plan, and the plan document was amended and restated with a new prototype document.
