EMPLOYEE SAVINGS PLAN FOR PACTIV BARGAINING
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Employee Savings Plan for Pactiv Bargaining (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Reynolds Services, Inc. (the “Company”) is the sponsor of the Plan.

Eligibility and Contributions: Any employee whose employment is subject to a collective bargaining agreement with one of the following: Local USW 389 (Plattsburgh, NY); Local USW 741 (Chippewa Falls, WI); Local USW 1876 (Red Bluff, CA); Local USW 2003-27 (Griffith, IN); Local IAM 2125 (Wheeling, IL); or Local 83 (Stockton, CA) is generally eligible to enter into the Plan after completing one year of service. Except for employee who is a member for Local USW 389 (Plattsburgh, NY) and Local USW 2003-27 (Griffith, IN), all other employees are eligible for the employer matching contribution after completing one year of service.

Participants may make regular before-tax contributions by payroll deduction of 1% up to 16%, or such other percentage as may be specified in a covered group’s special appendix to the Plan, of eligible compensation, as defined in the Plan, with such contributions limited to \$18,000 and \$17,500 in 2015 and 2014, respectively.

After completing one year of service, generally, the Company makes matching contributions equal to 100% of participants’ regular contributions up to 3-5% of eligible compensation deferred depending on the covered group the participant is a member of.

Company matching contributions are made in the form of cash and are invested in the same investment option(s) as the participants’ own regular (and catch-up) contributions.

Certain participants employed on the last day of the plan year are also entitled to receive an Employer Retirement Income Contribution (ERIC) equal to 2% of the participant’s compensation.

Investment Options: Participants have the right upon enrollment to select the funds offered by the Plan in which the balance in their accounts will be invested. In addition, participants have the right to change their investment elections with respect to future contributions and transfer existing account balances between the various investment options at any time.

Participant Accounts: Each participant’s account is credited with the participant’s contribution, employer matching and ERIC contributions and allocations of Plan earnings and expenses. Plan earnings are allocated based on the participant’s share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant’s account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their own deferrals and actual earnings thereon.

Vesting of Company matching and ERIC contributions are based on participants' years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Upon attainment of age 65 or termination of employment with the Company due to death or total disability, participants become 100% vested in their entire accounts. Forfeited non-vested account balances are used to reduce future Company matching contributions or to pay plan administrative expenses.

Payment of Benefits: Upon termination of service due to disability, retirement or death, a participant (or beneficiary) may elect to receive either a lump sum amount equal to the value of his or her account or convert the account balance to an annuity. Other withdrawals and notes receivable from participants may be made under certain circumstances, as defined in the plan agreement.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid through payroll deductions.

Administrative and Investment Management Expenses: Loan origination fees associated with notes receivable from participants and the Plan's record keeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. All other expenses of the Plan are paid by the Company.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through October 14, 2016, which is the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual basis of accounting.

Notes Receivable From Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as payments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payments of Benefits: Benefits are recorded when paid.

(Continued)

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: Investments held by the Plan are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. See Note 6 for further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties: The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

NOTE 4 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income and interest earned on notes receivable from participants, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

(Continued)

EMPLOYEE SAVINGS PLAN FOR PACTIV BARGAINING
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Registered Investment Companies: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. All of the collective trusts, with the exception of the Morley Stable Value Fund, provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement. The Morley Stable Value Fund provides redemptions 30 days after written notification has been received.

Pooled Separate Accounts: The fair values of participation units held in pooled separate accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The pooled separate accounts are restricted to one redemption per 30-day period.

Investments measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements as of December 31, 2015, Using

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 6 - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 15, 2011 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Plan management has applied for a new determination letter. A response from the Internal Revenue Service has not yet been received.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company is the Plan's trustee, and therefore, the Plan's payment of trustee fees, investment management and administrative fees to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company qualify as party-in-interest transactions. Certain plan investments are pooled separate accounts managed by affiliates of the trustee of the Plan, and these investments qualify as party-in-interest investments. The Plan also invests in a collective trust which is managed by Union Bond and Trust Company (UBTC). UBTC operates as a subsidiary of Morley Financial Service, Inc., which is a wholly-owned subsidiary of the Principal Financial Group, an affiliate of the Trustee. The investment in the collective trust and related fees pay to UBTC qualify as party-in-interest. Notes receivable from participants also reflect party-in-interest transactions.
