Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2015 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by LT Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2015 financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2015, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on the 2015 financial statements.

Other Matter - Supplemental Schedules

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2015, and the schedule of assets (held at end of year) as of December 31, 2015, are required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Other Matter - 2014 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated September 24, 2015, indicated that: (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DURR HEAVY CONSTRUCTION, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

(1) Description of plan

The following description of the Durr Heavy Construction, LLC 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted on January 1, 1999 to provide retirement benefits for employees of Durr Heavy Construction, LLC and Circle E Contracting, LLC, collectively (the "Plan Sponsor"). The Plan covers substantially all full-time employees who are 21 years of age and have completed one year of service ("participants") as defined in the adoption agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are excludable by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC"). Additionally, participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions are permitted up to 100% of compensation, subject to certain IRC limitations.

The Plan Sponsor makes safe harbor matching contributions in an amount equal to the sum of 100% of the amount of each participant's elective deferrals that did not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceeded 3% of the participant's compensation but did not exceed 5% of the participant's compensation.

The Plan Sponsor may also, at its discretion, make an additional contribution to the participants' accounts equal to a percentage of participant compensation, as determined by the Plan Sponsor. No discretionary contributions were made by the Plan Sponsor for the year ended December 31, 2015. Plan Sponsor contributions may not exceed the maximum amount deductible for federal income tax purposes.

(c) Participant accounts

Each participant's account is credited (charged) with the participant's contributions, Plan Sponsor matching and additional contributions, allocations of investment earnings (losses) and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DURR HEAVY CONSTRUCTION, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

(d) Vesting

Participants are immediately vested in their elective salary deferral and the safe harbor contributions plus actual earnings (losses) thereon. Participants vest in the Plan Sponsor additional contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

(e) Payment of benefits

On termination of service due to death, disability or retirement a participant may elect to receive a lump-sum payment equal to his or her entire account. Upon attainment of age 59½ or termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account as a lump sum payment. If the value of a participant's vested balance does not exceed \$5,000, the distribution will be automatically made.

(f) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures are used to reduce the Plan Sponsor's contributions to the Plan or to pay Plan expenses.

(g) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance. Participants are not permitted to defer withholdings for up to six months following a hardship withdrawal.

(h) Administrative expenses

All administrative expenses of maintaining the Plan are paid by the Plan and included in the financial statements. Investment related expenses are included in net appreciation in fair value of investments.

DURR HEAVY CONSTRUCTION, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

(i) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(2) Summary of significant accounting policies

(a) Recently adopted accounting pronouncement

In July 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-12, *"Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient,"* ("ASU 2015-12"), which simplifies the required disclosures related to employee benefit plans.

- Part I is not applicable to the Plan.
- Part II eliminates the requirement to disclose individual investments which comprise 5% or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by type. Part II also requires plans to continue to disaggregate investments that are measured using fair value by general type, however plans are no longer required to also disaggregate investments by nature, characteristics and risks. Furthermore, the disclosure of information about fair value measurements shall be provided by general type of Plan asset.
- Part III is not applicable to the Plan.

The Plan Sponsor elected to early-adopt ASU 2015-12 as of December 31, 2015, and has applied the provisions retrospectively. The Plan Sponsor has eliminated its historical disclosure of individual investments which comprise 5% or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by type. There were no other impacts on the statements of net assets available for benefits as of December 31, 2015 and 2014, or the statement of changes in net assets available for benefits for the year ended December 31, 2015.

(b) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(c) Investment valuation and income recognition

Investments are stated at fair value as reported by the trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. These investment values are more fully discussed in Note 4.

DURR HEAVY CONSTRUCTION, LLC 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan's management has evaluated events and transactions that occurred between December 31, 2015, and October 14, 2016, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Summary of information certified by trustee

The following information was certified as complete and accurate by LT Trust Company, trustee, as of December 31, 2015 and 2014 and for the year then ended December 31, 2015.

	<u>2015</u>	<u>2014</u>
Investments, at fair value	\$ <u>4,733,115</u>	\$ <u>5,017,929</u>
Net change resulting from investment activity	\$ <u>1,646</u>	

(4) Fair value measurements

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Notes to the Financial Statements

December 31, 2015 and 2014

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for asset's measured at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

- (i) *Mutual funds*: Valued at the net asset value of shares held by the Plan at year-end in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

Fair Value Measurements as of December 31, 2015 Using the Following Inputs				
	Level 1	Level 2	Level 3	Total
Total assets in the fair value heirarchy - Mutual funds	\$ <u>4,733,115</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>4,733,115</u>

(5) Income tax status

The Plan Sponsor adopted a prototype 401(k) plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 31, 2014, which stated that the prototype plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC and the Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the amended prototype plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Untimely remittance of participant contributions

The Plan Sponsor is required by Department of Labor regulation to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. In 2014 there were \$1,595 of participant contributions that were not remitted timely. These late remittances were corrected in 2015.

(7) Related party transactions

Recordkeeping fees of \$13,089 in 2015 were paid by the Plan to LT Trust Company, the trustee.

(9) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
