Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Charles Schwab Bank and Wells Fargo Bank, N.A., the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Wells Fargo Bank, N.A. and Charles Schwab Bank held the Plan's investment assets and executed investment transactions as of December 31, 2015 and for the period from May 18, 2015 to December 31, 2015, and that Charles Schwab Bank held the Plan's investment assets and executed investment transactions as of and for the year ended December 31, 2014 and for the period from January 1, 2014 to May 17, 2015. The plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2015 and 2014, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2015 and schedule of delinquent participant contributions for the year ended December 31, 2015 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

LIFEPOINT PORTAGE RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

(1) Description of plan

The following description of the LifePoint Portage Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was established by LifePoint Hospitals, Inc. ("LifePoint") on December 1, 2013 to provide retirement benefits for eligible employees of its joint venture with Portage Health, Inc. The Plan covers substantially all employees of LifePoint, Portage Partner, LLC, Portage Physician Practices, Inc., DLP Physician Practices, LLC, DLP Partner, LLC, and any related employer which has adopted the Plan (collectively, "Employer") who provide services primarily at Portage Health Systems or Wilson Health Center ("Wilson"), and who has completed 30 days of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") and after-tax Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. In order to participate, participants may make a minimum contribution of 1% up to 50% of compensation, subject to certain IRC limitations.

Each year the Employer may make a discretionary matching contributions to eligible participants not covered by the collective bargaining agreement with the Michigan Nurses Association ("MNA"). For 2015, eligible participants providing services primarily at Wilson received matching contributions equal to 25% of each participant's contributions up to 6% of total compensation, and non-Wilson participants received matching contributions equal to 50% of each participant's contributions up to 4% of total compensation. For 2014, the Employer matched an amount equal to 50% of each participant's contributions up to 4% of total compensation. An additional discretionary match of .45% of each participant's compensation was made to Wilson participants for 2014.

LIFEPOINT PORTAGE RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

The Employer may elect to make discretionary profit sharing and non-elective contributions to eligible participants. For 2015, the Employer contributed 1% of each participant's compensation as a profit sharing contribution and 3% of each participant's compensation as a non-elective contribution. For 2014, the Employer contributed 2% of each participant's compensation as a profit sharing contribution and 3% of each participant's compensation as a non-elective contribution. No discretionary profit sharing and non-elective contributions were made to Wilson participants for 2015 or 2014. No discretionary profit sharing contributions were made to MNA participants for 2015 or 2014 and no non-elective contributions were made to MNA participants for 2015. During 2014, the Employer made a non-elective contribution to MNA participants equal to 4% of the first \$24,000 of compensation, plus 7% of compensation in excess of \$24,000.

Employer and participant contributions may not exceed the maximum amount deductible for federal income tax purposes.

In connection with their participation in the Plan, participants elected to roll over account balances from a number of other plans in which the participants had balances. These rollover contributions totaled \$163,302 and \$28,515,138 for 2015 and 2014, respectively.

(c) Participant accounts

Each participant's account is credited (charged) with the participant's and Employer contributions, and allocations of investment earnings (losses) and administrative expenses. Allocations are based on participant's compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their elective salary deferral plus actual earnings (losses). Non-Wilson participants are also immediately vested in Employer's contributions. Wilson participants are fully vested in the Employer's contributions after 2 years of service.

(e) Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of 4.25%, which is commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are collected ratably through payroll deductions.

LIFEPOINT PORTAGE RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive either a lump-sum payment or annual installments over a specified period equal to his or her entire account. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account. If a participant's account includes amounts transferred from a money purchase or defined benefit retirement plan, the participant may elect to receive a payment in the form of a joint and survivor annuity.

(g) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Employer contribution portion of their accounts. Such forfeitures are used to pay administrative expenses of the Plan or to reduce the Employer contributions to the Plan.

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's contributions. Participants are not permitted to defer withholdings for up to six months following a hardship withdrawal.

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees incurred by the Plan for certain investment management services are included in net appreciation (depreciation) in fair value of investments, because they are paid through revenue sharing, rather than a direct payment from the Plan. Other expenses of maintaining the Plan are paid from Plan assets and are included in administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are also included in administrative expenses.

(j) Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administration Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the trustees. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

(d) Recently adopted accounting pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-07, *"Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share"* ("ASU 2015-07"), which removes the requirement to present certain investments for which the practical expedient is used to measure fair value at net asset value ("NAV") within the fair value hierarchy table. Instead, the Plan is required to include those investments as a reconciling item so that the total fair value amount of investments in the disclosure is consistent with the fair value investment balance on the statement of net assets available for benefits. The Plan Sponsor elected to early adopt ASU 2015-07 as of December 31, 2015 and has applied the provisions retrospectively. The Plan presents the investment disclosure required by this ASU 2015-07 in the fair value hierarchy tables for 2015 and 2014 in Note 4, "Fair Value Measurements".

LIFEPOINT PORTAGE RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

In July 2015, the FASB issued ASU No. 2015-12, "*Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*," ("ASU 2015-12"), which simplifies the required disclosures related to employee benefit plans.

- Part I is not applicable to the Plan.
- Part II eliminates the requirement to disclose individual investments which comprise 5% or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by type. Part II also requires plans to continue to disaggregate investments that are measured using fair value by general type, however plans are no longer required to also disaggregate investments by nature, characteristics and risks. Furthermore, the disclosure of information about fair value measurements shall be provided by general type of Plan asset.
- Part III is not applicable to the Plan.

The Plan Sponsor elected to early adopt ASU 2015-12 as of December 31, 2015 and has applied the provisions retrospectively. The Plan Sponsor has eliminated its historical disclosure of individual investments which comprise 5% or more of total net assets available for benefits, as well as the net appreciation or depreciation of fair values by type. There were no other impacts on the statements of net assets available for benefits and the statements of changes in net assets available for benefits as of and for the years ended December 31, 2015 and 2014.

(e) Payment of benefits

Benefits are recorded when paid.

(f) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(g) Events occurring after reporting date

The Plan's management has evaluated events and transactions that occurred between December 31, 2015 and October 12, 2016, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Summary of information certified by trustees

The following information was certified as complete and accurate by Wells Fargo Bank, N.A. and Charles Schwab Bank as of December 31, 2015 and for the period from May 18, 2015 to December 31, 2015 and by Charles Schwab Bank as of and for the year ended December 31, 2014 and for the period from January 1, 2014 to May 17, 2015:

Interest income from notes receivable from participants	\$ <u>55,666</u>	\$ <u>42,667</u>

(4) Fair value measurements

FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

LIFEPOINT PORTAGE RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2015 and 2014.

- (i) **Money market fund:** Valued at the NAV of shares held by the Plan at year end. The money market fund is redeemable daily and there are no restrictions on redemptions.
- (ii) **Mutual funds:** Valued at the NAV of shares held by the Plan at year end in an active market.
- (iii) **Self-directed brokerage account:** The self-directed brokerage account is invested in common stocks and mutual funds. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded. Mutual funds are valued at the NAV of shares held by the Plan at year end in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015 and 2014:

Fair Value Measurements as of December 31, 2015 using the following inputs

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which the fair value is measured using the NAV per share practical expedient as of December 31, 2015 and 2014, respectively. There are no participant redemption restrictions for these investments.

(5) Income tax status

The Plan obtained a favorable determination letter on March 1, 2016, in which the Internal Revenue Service ("IRS") stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

LIFEPOINT PORTAGE RETIREMENT PLAN

Notes to the Financial Statements

December 31, 2015 and 2014

(6) Untimely remittance of participant contributions

The Plan Sponsor is required by Department of Labor regulation to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For contributions withheld during April 2015, the funds were not remitted until January 2016.

(7) Related party transactions

Fees of \$133,345 and \$77,559 were paid by the Plan to the recordkeeper of the Plan during 2015 and 2014, respectively, which qualify as party-in-interest transactions. Additionally, the Plan holds notes receivable from participants which also qualify as party-in-interest transactions.

(8) Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2015 and 2014:

	<u>2015</u>	<u>2014</u>

Rounding	<u>-</u>	<u>1</u>
Net assets available for benefits per the Form 5500	<u>\$ 36,692,758</u>	<u>\$ 34,340,487</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Change in net assets available for benefits per the financial statements	\$ 2,322,297	\$ 34,501,769
Change in participant contributions receivable	(82,374)	-
Change in employer contributions receivables	112,349	(249,205)
Rounding	<u>(1)</u>	<u>1</u>
Change in net assets available for benefits per the Form 5500	<u>\$ 2,352,271</u>	<u>\$ 34,252,565</u>

(9) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
