INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Apple Bus Company 401(k) Profit Sharing Plan
Cleveland, Missouri

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Apple Bus Company 401(k) Profit Sharing Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014; the related statements of changes in net assets available for benefits for the years then ended; and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility (2014 and April 1, 2015, to December 31, 2015)

Our responsibility is to express an opinion on the financial statements for 2014 and for the period April 1, 2015, to December 31, 2015, based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Auditors' Responsibility (January 1, 2015, to March 31, 2015)

Our responsibility is to express an opinion on these financial statements for the period January 1, 2015, to March 31, 2015, based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

INDEPENDENT AUDITORS' REPORT

(Continued)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Disclaimer of Opinion on the 2014, and April 1, 2015, to December 31, 2015, Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in note 4, which was certified by Principal Life Insurance Company, and Mid Atlantic Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that Principal Life Insurance Company held the Plan's investment assets and executed investment transactions from April 1, 2015, to December 31, 2015; and that Mid Atlantic Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2014, and for the period January 1, 2014, to March 31, 2015. The Plan administrator has obtained certifications from the trustees as of December 31, 2015, and for the period April 1, 2015, to December 31, 2015, and as of and for the year ended December 31, 2014, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion on the 2014 and April 1, 2015, to December 31, 2015, Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph above, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the accompanying 2015 financial statements. Accordingly, we do not express an opinion on these financial statements.

INDEPENDENT AUDITORS' REPORT

(Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the changes in net assets available for benefits of the Plan for the period January 1, 2015, to March 31, 2015, in accordance with accounting principles generally accepted in the United States of America.

Other Matters—Report on Supplementary Information

The supplemental schedule of assets held at end of year as of December 31, 2015, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2014 and April 1, 2015, to December 31, 2015. Financial Statements paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2015 Financial Statements

The form and content of the information included in the 2015 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Apple Bus Company 401(k) Profit Sharing Plan

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of Apple Bus Company 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General The Plan is a defined contribution plan covering substantially all employees of Apple Bus Company (the Company), who have completed six months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was originally established as of January 1, 2009, and has been subsequently amended and restated. The Plan trustees are responsible for oversight of the Plan; they determine the appropriateness of the Plan's investment offerings, and monitor investment performance.

Contributions Participants may elect to contribute to the Plan in the form of pretax annual compensation up to the lesser of 100% of their eligible compensation or the maximum amount allowable by law. Effective March 1, 2015, the Plan was amended to permit in-plan Roth rollovers. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined or contributions plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes matching contributions equal to 20% of 401(k) elective deferral contributions for eligible participants. The Company made matching contributions of \$11,574 and \$6,448, respectively, for the years ended December 31, 2015 and 2014. Additionally, the Company may make discretionary or qualified nonelective contributions. The Company did not make discretionary or qualified nonelective contributions for the years ended December 31, 2015 and 2014.

Participant Accounts Each participant's account is credited with the participant's salary deferral contributions, employer contributions, and account earnings, and may be charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Participants are immediately vested in their salary deferral contributions, employer qualified nonelective contributions and earnings thereon. Discretionary matching contributions and discretionary contributions to the Plan are subject to vesting. A participant is 100% vested after 5 years of credit service. Participants are credited with one year of service for each plan year in which they worked at least 1,000 hours.

Payment of Benefits Withdrawals are allowed in the event of termination, disability, death, retirement, or attainment of age 59½. Depending on the event, the withdrawal may be subject to early withdrawal penalties imposed by the *Internal Revenue Code*. Payments are made in the form of a lump-sum distribution or annual installments over a period of time of not more than the participant's life expectancy and that of the participant's designated beneficiary.

Apple Bus Company 401(k) Profit Sharing Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Forfeitures Forfeitures attributable to discretionary matching and discretionary contributions may be used to first pay administrative expenses and then to reduce any employer contributions. Forfeited nonvested account balances totaling \$831 and \$2,587 were used to reduce administrative expenses and employer contributions for the years ended December 31, 2015 and 2014, respectively. At December 31, 2015 and 2014, the remaining forfeited nonvested accounts totaled \$-0- and \$831, respectively.

Plan Termination Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. Fair value measurements are discussed below.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Fair Value Measurement Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Apple Bus Company 401(k) Profit Sharing Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2015 and 2014.

Mutual Funds: These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust: The collective trust maintained by Principal Life Insurance Company (PLIC), a party in interest, is a pool of investments of which the Plan buys and sells units of participation that generally imitate established mutual funds. The underlying investments consist of a collective trust which holds various other mutual funds. The Plan's valuation estimates using the practical expedient are based on the contract and market values of the underlying investments. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the collective trust, PLIC reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Pooled Separate Account: The underlying assets of the pooled separate account consist of mutual funds known as sub-accounts. Each sub-account invests in shares of an underlying mutual fund. Sub-accounts are measured in terms of accumulation units using the practical expedient. The sub-accounts are valued based on the quoted market prices of the mutual funds. Certain fund fees, expenses, and administration charges (if any) are deducted from the value of the mutual funds to arrive at the value of the sub-accounts. The accumulation units are valued at net asset value on a daily basis. Participant transactions (issuances and redemptions) may occur daily. If the Plan were to initiate a full redemption of the pooled separate account, the investment advisor reserves the right to temporarily delay, for up to seven days, withdrawal from the pooled separate account in order to ensure that securities liquidations will be carried out in an orderly business manner.

See note 5 for the classification of these assets within the fair value hierarchy.

Apple Bus Company 401(k) Profit Sharing Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Payment of Benefits Benefits are recorded when paid.

Expenses Certain operating expenses of the Plan are deducted from participant accounts and the remaining expenses are paid by the Company. Investment-related expenses are included in net appreciation (depreciation) of those investments.

Subsequent Events The Plan has evaluated subsequent events through October 14, 2016, the date the financial statements were available to be issued.

3. IMPLEMENTATION OF NEW ACCOUNTING STANDARD

In May 2015, the FASB issued Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820), Disclosure for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. This standard removes certain disclosures and the requirement to categorize within the fair value hierarchy for all investments that are measured using the net asset value per share as a practical expedient. Management has adopted the provisions of this new standard. This standard is effective for nonpublic entities for fiscal years beginning after December 15, 2016, with early application permitted. The Plan has elected to adopt this standard early. Accordingly, the standard was retrospectively applied resulting in revision to prior-period disclosures.

In July 2015, FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. This three-part standard simplifies reporting for fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015, and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015, and should be applied prospectively, with early application permitted. The Plan has elected to adopt Part II early. Accordingly, the standard was retrospectively applied resulting in prior-period information that has been adjusted. Parts I and III are not applicable to this Plan.

4. INFORMATION CERTIFIED BY TRUSTEE (2014 AND APRIL 1, 2015, TO DECEMBER 31, 2015)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, the investments included in the statements of net assets available for benefits as of December 31, 2015 and 2014, investment losses, totaling \$20,806 for the period April 1, 2015, to December 31, 2015, included in the statement of changes in net assets available for benefits for the year ended December 31, 2015, and the investment income included in the statements of changes in net assets available for benefits for the year ended December 31, 2014, were not subject to auditing procedures and have been certified as complete and accurate by Mid Atlantic Trust Company (MATC) and PLIC.

5. FAIR VALUE MEASUREMENTS

At December 31, 2015, investments totaling \$453,221 were measured at NAV using the practical expedient. The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2014. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 478,345	\$ -	\$ -	\$ 478,345

6. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

PLIC and Paychex, Inc. provides certain administrative services to the Plan pursuant to an agreement between the Company and PLIC and Paychex, Inc. PLIC and Paychex, Inc. receives revenue from mutual funds and other service providers for services provided to the funds. This revenue is used to offset certain amounts owed to PLIC and Paychex, Inc. for its administrative services to the Plan.

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing rather than a direct payment. The Plan or the Company may make a payment to PLIC or Paychex, Inc. for administrative services not covered by revenue sharing.

7. TAX STATUS

The Plan has adopted a prototype, non-standardized profit sharing plan established by PLIC (the Sponsor). The Sponsor's prototype plan obtained an opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the form of the prototype plan, as then designed, is acceptable under Section 401 of the *Internal Revenue Code*. Although the Plan has adopted amendments since adopting the prototype plan, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the *Internal Revenue Code* and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
