To Management of
Electronic Systems Protection, Inc
Knightdale, North Carolina

We have conducted a DOL limited-scope audit of the financial statements of Electronic Systems Protection, Inc (the "Plan") for the year ended December 31, 2015 and have issued our report thereon dated October 10, 2016. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by State Street Bank & Trust Co., in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated May 2, 2016. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Electronic Systems Protection, Inc are described in Note 2 to the financial statements. As described in Note 2, the Plan changed accounting policies related to measuring and reporting the fair value of its investments held by the plan by early adopting Accounting Standards Updates ("ASU") 2015-07, ASU 2015-10 and ASU 2015-12 in 2015. Accordingly, the accounting changes have been retrospectively applied to prior periods presented as if the policies had always been used. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of fair value measurements in Note 4 to the financial statements requires judgment by management related to the valuation level within the fair value hierarchy.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of management of Electronic Systems Protection, Inc and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

A handwritten signature in cursive script that reads "Bernard Robinson & Company, L.L.P.".

Schedule C, Line 2(h) Formula Description

For those service providers listed on Line 2 for which Line 2(h) has been checked “yes”:

For a description of indirect compensation received by service providers listed on Line 2 that was disclosed as a formula, please see Line 3(e). Please note: If indirect compensation disclosed as a formula was received by a service provider from more than one source, there will be multiple Lines 3(e) for that service provider.

Independent Auditor's Report

To Electronic Systems Protection, Inc
Knightdale, North Carolina

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Electronic Systems Protection, Inc's 401(k) plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2015 and 2014, and the related statement of changes in net assets available for benefits for the year ended December 31, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by State Street Bank and Trust, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that State Street Bank and Trust holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from State Street Bank and Trust as of December 31, 2015 and 2014, and for the year ended December 31, 2015, that the information provided to the plan administrator by State Street Bank and Trust is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of December 31, 2015 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by State Street Bank and Trust, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of Electronic Systems Protection, Inc's 401(k) plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Electronic Systems Protection, Inc. (the "Company") who have completed 2 months of eligible service, as defined in the Plan, and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan administrator.

Contributions

Each year participants may contribute up to 45 percent of their annual pre-tax compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust as investment options for participants. The Company currently makes a discretionary employer contribution equal to 100 percent of the employee's elective deferrals to the Plan, limited to \$3,000 per year. Additional profit sharing amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain limitations as determined by the Internal Revenue Code.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 5 years of credited service.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime rate plus two percentage points. Principal and interest is paid ratably through payroll deductions.

ELECTRONIC SYSTEMS PROTECTION, INC

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the vested interest in his or her account, or have the payment paid as a direct rollover to an individual retirement account or individual retirement annuity. If a participant's account balance is greater than \$5,000 the participant may also choose to receive installments, request a partial withdrawal, or defer receiving payments until age 70½. However the Plan agreement stipulates that distributions must commence no later than April 1, following the year in which the participant reaches age 70½ or retires, whichever is later.

Forfeited Accounts

At December 31, **2015** and 2014, forfeited non-vested accounts totaled **\$22** and \$2,458, respectively. These accounts will be used to reduce future employer contributions. During the year ended December 31, 2015, forfeitures were used to reduce the Company's contributions by \$11,229.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2015 or 2014. Delinquent participant loans are recorded as distributions based upon the terms of the plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments in accordance with Plan provisions.

Newly Adopted Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as a practical expedient, and removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share (or its equivalent). Investments that calculate net assets per share for which the practical expedient is not applied will continue to be included in the fair value hierarchy along with the related disclosures. ASU 2015-07 is effective for fiscal periods beginning after December 15, 2016, and is to be applied retrospectively. The Plan has early adopted ASU 2015-07 and has applied the provisions to the 2014 comparative financial statements and notes.

In June 2015, the FASB issued ASU 2015-10, *Technical Corrections and Improvements*. ASU 2015-10 covers a wide range of topics and amends the master glossary term *readily determinable fair value* in Section 28. This section of the ASU was effective upon issuance. The Plan has adopted ASU 2015-10 and as a result, the stable value collective trust fund has been measured at net asset value per share as a practical expedient as of December 31, 2015 and 2014.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. Part I eliminates the requirement to report fully benefit-responsive investment contracts at fair value with an adjustment to contract value. Fully benefit-responsive investment contracts are measured, presented and disclosed at contract value. Part II eliminates the requirements to disclose (i) individual investments that represent 5 percent or more of net assets available for benefits, (ii) net appreciation or depreciation by individual investment type, and (iii) investment information disaggregated based on the nature, characteristics and risks of each investment. Part III is not applicable. ASU 2015-12 is effective for fiscal periods beginning after December 15, 2016, and is to be applied retrospectively. The Plan has early adopted ASU 2015-12 retrospectively and has applied the applicable provisions to the 2014 comparative financial statements and notes. As a result, the adjustment from fair value to contract value in the December 31, 2014 statement of net assets available for benefits has been eliminated. Additionally, the disclosure of investments at or greater than 5% of net assets available for benefits, and the disaggregation of investments as of December 31, 2014 were removed from Note 4.

ELECTRONIC SYSTEMS PROTECTION, INC

Notes to Financial Statements

NOTE 3 - INFORMATION CERTIFIED BY STATE STREET BANK AND TRUST (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2015 and 2014, net appreciation/depreciation in fair value of investments, and interest and dividends for the year ended December 31, 2015, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by State Street Bank and Trust.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual fund accounts: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: A stable value fund that is composed primarily of benefit-responsive investment contracts that is valued using the NAV, provided by the administrator of the trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

ELECTRONIC SYSTEMS PROTECTION, INC**Notes to Financial Statements****NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)**

The following tables set forth by level within the fair value hierarchy, the Plan's fair value measurements at December 31, 2015 and 2014. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Fair Value Measurements at December 31, 2015				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,231,302	\$ -	\$ -	\$ 3,231,302
Total assets in the fair value hierarchy	3,231,302	-	-	3,231,302
Investments measured at NAV as a practical expedient (a)	-	-	-	84,679
Investments at fair value	\$ 3,231,302	\$ -	\$ -	\$ 3,315,981

Fair Value Measurements at December 31, 2014				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,734,826	\$ -	\$ -	\$ 2,734,826
Total assets in the fair value hierarchy	2,734,826	-	-	2,734,826
Investments measured at NAV as a practical expedient (a)	-	-	-	97,890
Investments at fair value	\$ 2,734,826	\$ -	\$ -	\$ 2,832,716

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2015 and 2014. There are certain participant redemption restrictions for the investment with respect to exchanges in investment options. Transferred investment funds must be held in a non-competing investment option for 90 days before subsequent transfer to a competing fund can occur. There are no participant redemption restrictions over withdrawals for this investment; the redemption notice period is applicable only to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2015	\$ 84,679	N/A	Daily	10 Days
December 31, 2014	\$ 97,890	N/A	Daily	10 Days

ELECTRONIC SYSTEMS PROTECTION, INC

Notes to Financial Statements

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan recordkeeping, transaction processing and loan maintenance services are provided by State Street Bank and Trust and ADP, therefore, fees associated with these services qualify as party-in-interest transactions. Fees incurred by the Plan for certain asset based fees are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Fees incurred by the Plan for investment management and recordkeeping services are allocated to participant accounts and expensed.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 - TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by ADP Retirement Services. The prototype plan has received a determination letter dated July 8, 2014 from the Internal Revenue Service that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
