### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### *Basis for Disclaimer of Opinion*

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by T. Rowe Price Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of December 16, 2015 and December 31, 2014 and for the period from January 1, 2015 through December 16, 2015 that the information provided to the plan administrator by the trustee is complete and accurate.

### *Disclaimer of Opinion*

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

(Continued)

***Emphasis of Matters***

As described in Note 1 to the financial statements the Plan sponsor elected on April 14, 2014 to terminate the Plan effective December 31, 2014, subject to approval by the Internal Revenue Service. As a result, the Plan administrator determined that liquidation was imminent and the Plan changed its basis of accounting for the year ended December 31, 2014 and the period ended December 16, 2015 from the going concern basis to the liquidation basis. Our opinion is not modified with respect to this matter.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## NOTE 1 - DESCRIPTION OF PLAN

The Resource Recovery Pension Plan (the "Plan") became effective as of January 1, 1993 and was amended effective December 31, 2001 to freeze the Plan to participation and employer contributions. Covanta Projects, LLC, (f/k/a Covanta Energy Services, Inc.), (the "Company") is the Plan sponsor. The Plan is a defined contribution plan covering all employees of Ogden Resource Recovery Support Services, Inc. who had completed at least 1,000 hours of service prior to December 31, 2001. The Administrative and Investment Committees of the Board of Directors of the Company ("Plan Administrator") control and manage the operation and administration of the Plan. T. Rowe Price Trust Company (the "Trustee") is the Trustee for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On November 18, 2014, the Plan was amended at the request of the Internal Revenue Service ("IRS") to change the normal retirement age to a participant's 62nd birthday.

Effective December 31, 2014, the Plan was terminated and amended to define the final distribution date of Plan assets. As of December 16, 2015 all Plan assets were fully distributed. See Plan Termination below for further information.

### Employer Contributions

Contributions made to the Plan for the benefit of participants or their beneficiaries are invested at the election of the participant.

### Payment of Benefits

Upon retirement, death, or disability, the participant is entitled to receive benefits equal to the value of the vested portion of the participant's account by the distribution method elected by the participant. Benefits under the Plan are payable in various forms of annuities, as well as a lump-sum payment option.

If the value of a participant's vested account balance is $1,000 or less at the time of termination of employment and the participant did not elect a direct rollover to a qualified retirement plan, the benefit will be paid as a lump-sum payment. If the value of a participant's vested account balance is greater than $1,000, but less than $5,000, and if the participant does not elect to have the distribution paid to him directly or to an eligible retirement plan in a direct rollover, then the Plan will distribute the participant's account in a direct rollover to an IRA designated by the Plan Administrator. If the value of the participant's vested account balance is greater than $5,000, a distribution shall be made at the election of the participant.

Upon termination for reasons other than normal retirement, death, or disability, the participant is entitled to receive a benefit equal to the value of the participant's vested interest in the contributions made to the participant's account by the distribution method elected by the participant. Any excess of the amount credited to the participant's employer contribution account over the participant's vested interest is forfeited.

### Vesting

Eligible employees who were participants on January 31, 1993 were 100% vested in their accounts. Eligible employees who became participants in the Plan after January 31, 1993 and prior to the December 31, 2001 freeze date, vested based on years of service and became fully vested after five years of service.

(Continued)

**NOTE 1 - DESCRIPTION OF PLAN** (Continued)

**Administrative Expenses**

Administrative expenses of the Plan are paid by either the Plan or the Plan's sponsor as provided in the Plan document.

**Participant Accounts**

Each participant's account is credited with Plan earnings and is charged with his or her withdrawals and an allocation of expenses and losses which are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Plan Termination**

On June 5, 2014, the Company informed participants of the Plan that the Plan will be terminated, subject to approval by the IRS, which was granted on November 13, 2014. The Company approved the 2014 Termination Amendment to the Plan, terminating the Plan, effective December 31, 2014. Plan assets were fully distributed as of December 16, 2015. The Company offered three options for the payment of Plan benefits to participants who were not already receiving monthly benefit distributions, if the value of the participant's benefit exceeded $5,000. At the election of the participant, the Company either distributed a lump sum payment that the participant rolled over to an Individual Retirement Account ("IRA") or other qualified plan, distributed a lump sum payment paid directly to the participant, or provided an annuity that the Company purchased for the participant from an annuity provider selected by the Company. The benefit and payment options that a participant receives from the annuity provider are the same benefit and options that were available under the Plan. If the value of the participant's benefit was $5,000 or less, the participant had the option of a direct rollover to an IRA or other qualified plan or a lump sum payment directly to the participant.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

Effective December 31, 2013, the Company elected to terminate the Plan. Accordingly, the financial statements are prepared under the liquidation basis of accounting.

**Investment Valuation**

Under the liquidation basis of accounting, the Plan's investments are reported at estimated liquidation value. For all Plan investments, the fair values have been determined to approximate liquidation values.

**Benefits**

Benefits are recorded when paid.

**Income Recognition**

Unrealized gains and losses are determined based on the fair value of assets at the beginning and end of the Plan year. Realized gains and losses are determined based on the carrying value and sales price of the assets at the trade date. Purchases and sales of securities are recorded on a trade date basis. Dividend income is accounted for on the ex-dividend date.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results may differ from those estimates.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

Fair value is the exit price associated with the sale of an asset or transfer of a liability in an orderly transaction between market participants at the measurement date.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Assets recorded at fair value are categorized using defined hierarchical levels directly related to the amount of subjectivity associated with the inputs to valuation of an asset. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 (unadjusted quoted prices in active markets); Level 2 (observable inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

(Continued)

**NOTE 3 - FAIR VALUE MEASUREMENTS** (Continued)

There were no Plan investments as of December 16, 2015. The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2014:

| | Fair Value Measurements as of December 31, 2014 | |
|---|---|---|
| | Total | Quoted Market Prices in Active Markets for Identical Assets (Level 1) |
| Mutual Funds | 8,438,034 | 8,438,034 |
| Collective Trust Fund * | 292,357 | - |
| Total Investments, at fair value | $ 8,730,391 | $ 8,438,034 |

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

**NOTE 4 - INVESTMENTS**

All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2014, and net realized and unrealized appreciation in fair value of investments, dividend income and administrative expenses for the period of January 1, 2015 through December 16, 2015, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee. This certified information has not been audited by independent accountants.

**NOTE 5 - TAX STATUS**

The Plan received a determination letter from the IRS dated November 13, 2014 stating that the Plan's termination does not adversely affect its qualified status under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. The Plan is required to operate in conformity with the Code to maintain its qualification.

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 16, 2015 and December 31, 2014, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.
