Notes to Financial Statements and Supplementary Schedule

December 31, 2015 and 2014

(1) Description of the Plan

The following description of Nestle Puerto Rico, Inc. Employee Retirement Plan (formerly known as Nestle Puerto Rico 1165(e) Employee Savings Plan) (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined-contribution plan covering substantially all employees of Nestle Puerto Rico, Inc. (the Company).

The Plan was established in July 1990, as amended thereafter, to provide a convenient way for employees to accumulate capital and to encourage employees to continue their careers with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees may elect to become participants in the Plan after meeting the eligibility requirements set forth in the plan document.

(b) Administration

The Plan is administered by a Savings Plan Committee appointed by the Company and has UBS Financial Services Incorporated of Puerto Rico as trustee (the Trustee).

The Plan requires that participants select the investment funds into which their accounts are invested. The participants were able to select from 15 investment funds for the years ended December 31, 2015 and 2014.

(c) Contributions

The Plan provides for before-tax contributions by participants and for matching contributions by the Company based on percentages of participant contributions. The maximum allowable pretax contributions permitted by the Puerto Rico Internal Revenue Code of 2011 amounts to \$18,000 and \$17,500 for the periods ended December 31, 2015 and 2014, respectively. The Company makes matching contributions to the Plan equal to 60% of the participants' contributions up to a maximum of 6% of the participants' compensation.

(d) Participant Account Balances and Vesting

Participant contributions are credited to accounts established for each participant and, along with related investment gains and losses, are fully vested and nonforfeitable. Contributions made by the Company, which are credited to a participant's matching account, and related investment gains and losses become vested based upon the participant's years of service with the Company. Each participant's account is charged with an allocation of administrative expenses.

NESTLE PUERTO RICO, INC. EMPLOYEE RETIREMENT PLAN

(Formerly known as Nestle Puerto Rico 1165(E)
Employee Savings Plan)

Notes to Financial Statements and Supplementary Schedule

December 31, 2015 and 2014

Participants become vested in the Company's contributions, in accordance with the following schedule:

<u>Completed years of service</u>	<u>Vesting percentage</u>
1 year or less	— %
2 years	20
3 years	40
4 years	60
5 years	80
6 or more years	100

Forfeitures represent the nonvested portion of the Company's matching contributions plus earnings thereon, which are not distributable to participants who terminate employment before they are 100% vested. The amounts forfeited from a participant may be used to reduce the Plan's administrative expense or to reduce the employer matching contributions. Forfeited accounts at December 31, 2015 and 2014 amounted to \$30,443 and \$27,311, respectively. No forfeited amounts were used to reduce the Plan's administrative expenses or employer matching contributions during 2015 or 2014.

(e) Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his/her account, or annual installments over a period of years certain not to exceed the lifetime of the participant or his/her beneficiary. The Plan also provides for certain withdrawals during employment. Participant contributions may be withdrawn upon the attainment of age 59½ or, in the case of hardship, subject to limitations in the plan agreement. Withdrawal of rollover amounts and Company's contributions are also provided for, subject to, limitations set forth in the Plan.

(f) Administrative Expenses

Certain expenses of administering the Plan are funded by the Company or the Plan, as determined by the plan document, subject to limitations under ERISA.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual method of accounting, in accordance with U.S. general accepted accounting principles (GAAP).

(b) Recent Accounting Pronouncements

In July 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-12 (ASU 2015-12), *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined*

NESTLE PUERTO RICO, INC. EMPLOYEE RETIREMENT PLAN

(Formerly known as Nestle Puerto Rico 1165(E)
Employee Savings Plan

Notes to Financial Statements and Supplementary Schedule

December 31, 2015 and 2014

Contribution Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965). The amendments in Part I (Fully Benefit-Responsive Investment Contracts) of ASU 2015-12 eliminated the requirements that participant benefit plans measure the fair value of fully benefit-responsive investment contracts and provide the related fair value disclosures under Subtopic 820-10; rather, these contracts will be measured and disclosed only at contract value. Part I is not applicable to the Plan. The amendments in Part II (Plan Investment Disclosures) of ASU 2015-12 require plans to disaggregate their investments measured using fair value only by general type, either on the financial statements or in the notes. Part II also eliminated the requirement to disclose the net appreciation/depreciation in fair value of investments by general type and the requirements to disclose individual investments that represent 5% or more of net assets available for benefits. The amendments in Part III (Measurement Date Practical Expedient) of ASU 2015-12 provide a practical expedient to permit plans to measure its investments and investment related accounts as of a month-end date closest to its fiscal year for a plan with a fiscal year end that does not coincide with the end of a calendar month, which is not applicable to the Plan. The amendments in ASU 2015-12 are effective for reporting periods beginning after December 15, 2015, with early adoption permitted. The Plan elected to early adopt ASU 2015-12 Part II as of December 31, 2015 and has applied the provisions retrospectively.

(c) Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

(d) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value mutual funds investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) Fair Value Measurements

The Plan follows the provisions of Accounting Standards Codification (ASC) Topic (820), *Fair Value Measurement*, for fair value measurement of financial assets and financial liabilities and for fair value measurements of nonfinancial items that are recognized or disclosed at fair value in the financial statements on a recurring basis. ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 also establishes a framework for measuring fair value and expands disclosures about fair value measurements (note 4).

Notes to Financial Statements and Supplementary Schedule

December 31, 2015 and 2014

(f) *Payment of Benefits*

Benefits are recorded when paid.

(g) *Risk and Uncertainties*

Participants may direct investment of their account balances in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

(3) *Information Certified by the Custodian*

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Hand Benefits & Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all investment activity reflected on the accompanying statements of net assets available for benefits as of December 31, 2015 and 2014, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2015, this note and that reflected on note 4.

(4) Fair Value Measurements (Unaudited)

The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Plan determines fair value based on assumptions that market participants would use in pricing an asset or a liability in the principal or most advantageous market. When considering market participant assumptions in fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the reporting entity at the measurement date
- Level 2: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability

- Level 3: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables present the Plan's assets measured at fair value on a recurring basis at December 31, 2015 and 2014 as follows:

		December 31, 2015		
		Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)

(5) Related-Party Transactions

UBS, Hand Benefits & Trust Company, Benefit Plans Administrative Services Inc, or its affiliates provide trustee, custodial, investment management, and record-keeping services to the Plan and, accordingly, are considered parties in interest.

Certain administrative expenses of the Plan are paid and absorbed by the Company. Such expenses include accounting, legal, investment management, trust and record-keeping fees, and other fees of administering the Plan. Administrative expenses paid and absorbed by the Company amounted to approximately \$23,600 and \$19,500 for the years ended December 31, 2015 and 2014, respectively.

(6) Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

(7) Tax Status

On January 31, 2011, Act No. 1 of Puerto Rico Internal Revenue Code (2011 PR Code) was signed into law, which adopts new rules for qualified plans in Puerto Rico. The qualified plan provisions of the 2011 PR Code are generally effective with respect to taxable years beginning after December 31, 2010. Among the most important changes in the 2011 PR Code affecting the Plan are the following (a) increase in limitation of deferred contributions by participants; (b) new definitions of highly compensated employee (HCE) and nonhighly compensated employee (NHCE); (c) the new definitions of HCE and NHCE will apply for purposes of the coverage test and general nondiscrimination test of all qualified plans in Puerto Rico; (d) limitation on annual contributions for defined-contribution plans; (e) limit on annual compensation of a participant; and (f) statutory requirement for proof of exemption. The Puerto Rico Department of the Treasury has determined and informed the Plan's trustee under a letter dated January 11, 2013 that the prototype plan is designed in accordance with the applicable sections of the 2011 PR Code. However, as per the 2011 PR Code, a separate determination letter is required for any sponsor that adopts the prototype plan. The Company is waiting to receive a new determination letter from the Puerto Rico Treasury Department as a result of the changes to the Plan. The impact of these rules on the Plan is not expected to be material or to adversely impact the tax status of the Plan. The Plan administrator has determined that the Plan's operation for the years ended December 31, 2015 and 2014 was in accordance with the rules and regulations of the 2011 PR Code.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2011

(8) Concentration of Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect a participant's account balances and the amounts reported in the Plan's statements of net assets available for benefits and changes therein.

(9) Prohibited Transactions

In accordance with the U.S. Department of Labor's Rules and Regulations Section 2510.3-102, the Sponsor is required to segregate participants' contributions from its general assets as soon as practical, when amounts are contributed by participants or withheld from their wages for a defined-contribution benefit plan such as the Plan. For the year ended on December 31, 2015 and 2014 all participants' contributions remittances were performed timely. During the year ended December 31, 2013 for one (1) instance the Sponsor failed to remit in timely manner participants' contributions. The Sponsor has absorbed any cost incurred by the Plan as a result of the untimely remittances of the participant's contributions during 2016.

(10) Subsequent Events

The Plan has evaluated subsequent events from the date of the statements of net assets available for benefits through October 17, 2016, the date at which the financial statements were available to be issued.
